A Message from your CEO

CEO with Girl Scout Spelunking

Dear Girl Scout Family,

Today's girls need a space of their own. A place where they can be themselves without pressure from society. A place where they can explore, learn and lead. Welcome to another exciting Girl Scout year.

You'll find a variety of age-appropriate activities that are girl-led, cooperative, and hands-on, preparing girls to take on challenges big and small. Guided by supportive adult leaders and friends, girls earn badges, sell cookies, travel, explore the outdoors, and more. All in a safe, all-girl environment.

Our program is linked to success! Girl Scouts shine above their peers in academics, earn better grades and have higher academic aspirations. They exhibit stronger leadership skills, taking an active role in decision making. Nearly every female astronaut, every female Secretary of State and 76% of women in the Senate are Girl Scout alumns.

You are part of an amazing movement dedicated to helping girls build courage, confidence, and character. We encourage you to stay involved. There are so many opportunities for you to be a part of your child's Girl Scout experience. See below for volunteer opportunities. You are always welcomed at Girl Scouts.

Thank you for your continued commitment to Girl Scouts. Take a look at all the exciting program opportunities in the **Girl Scout Insider** this fall/winter. You picked the right program for your G.I.R.L., because at Girl Scouts, girls come first!

Sincerely,

Lidia Soto-Harmon

ALL ABOUT SUMMER CAMP

When is the time to think about summer camp? Start thinking about how to provide an enriching summer experiences for your daughter as early as now!
Girl Scouts Nation's Capital members have access to a variety of sleep-away and day and evening camps during the summer. A camp brochure will be mailed to your home and our website will be updated in late December. Registration opens for our members January 15 for sleep-away and February 13 for Day and Evening camp programs.

Once you receive your camp brochure, talk about all the exciting Girl Scout camp programs with your daughter. Our camps are designed to meet the needs of girls at their grade level. The Council offers our members four, **sleep-away camp** destinations during the summer—June 16th through mid August, run by qualified camp staff. Camp Coles Trip, May Flather, Potomac Woods and Winona offer unique camp programs, from three days to two weeks experiences. In addition to traditional camp activities, each camp features unique environments like sailing and water sports, swimming, caving, rock climbing and archery. Special programs are designed sure to delight our campers.

Day and evening camp programs encourage girls to challenge themselves and build self-esteem while having a blast at camp. Girls learn songs, play games, make arts and crafts, gain outdoor skills and work towards badges, all while being encouraged to be their amazing selves. We have Day and Evening camps for every age level run by dedicated volunteers offered all across our region. Learn more about camp at **gscnc.org/camp.**

Five Things Every Girl Scout Parent Should Know

1. **You make it happen!** Your daughter's troop can use a helping hand. Prior experience is not required to volunteer, we'll provide the training. Every troop needs a Fall Product or Cookie Manager, Money Manager, Co-Leader, Camp Qualified Adult and First Aider. Go to **gscnc.org/volunteer** to learn more.
2. **Your support matters.** Thanks to *SHARE Your Love of Girl Scouting*, financial assistance is available to help with dues and troop supplies. Need assistance with a program expense? Our volunteer panel meets monthly to determine program grant requests from our members. Visit **gscnc.org/donate** to help more girls experience Girl Scouting.
3. **We're here for you.** Regional service unit volunteers support Girl Scout troops and can help you answer questions, resolve problems, or find a new troop. Find the service unit that supports your area by contacting **membershipsupport@gscnc.org**
4. **Girls fuel their own awesome experiences.** Through the Fall Product and Cookie programs, girls earn funds that benefit their entire troop. With proper approval, troops can earn money in other ways to fund their activities. Girls set goals and decide how to use the funds, whether they want to go camping, travel or serve their community.
5. **The fun doesn't stop!** The adventure gets even better as girls progress in Girl Scouting. Girls and troops from 6th – 12th grade can join a teen group in their area, which provide additional programming like backpack and lightweight camping, primitive camping, white water rafting, travel and more! These groups are run by volunteers.

Learn more about what to expect in Girl Scouting by visiting our new parent information page at **gscnc.org/parent.**

Council Events

Congressional Aide

Gain first-hand experience on Capitol Hill as a Congressional Aide during summer 2019. This is an exclusive opportunity available to Girl Scout Ambassadors in our Council. The program places girls in congressional offices for a 40-hour, one week intensive session to learn about our nation's political process and see how advocacy works at the federal government level.
Girls must apply to the program and participate in a mandatory orientation. Congressional Aide 2019 will run June 10 to August 16, 2019, with a one-week break from July 1-5. Applications will be available on the website the first week of January.
The completed application and all supporting documents are due to the Council's Washington, DC Office by **March 1, 2019** as one package.

Girl Scouts Go For Launch

Does your Girl Scout dream of space? This fall, Girl Scouts of the USA will release new Space Science badges for Daisies, Brownies and Juniors. Girls will learn about the Sun, Moon and Stars; our Solar System; and explore things beyond through these new badges. Additionally, mark your calendar – Girl Scout Day at the National Air & Space Museum will be held **March 9, 2019** at the Steven F. Udvar-Hazy Center in Chantilly, VA. This is a family and friends event celebrating Women's History Month, so parents, siblings and future Girl Scouts are encouraged to attend. Activities and times are to be determined.

Annual Meeting Booths

Save the Date: Host a Teen Booth at the Council's 2019 Annual Meeting

What: Teen Booths are a great opportunity for money-earning or presenting a Gold Award project or even making SWAPs to trade. Troops are welcome to have handouts and interactive components to their booth and can expect approximately 300-400 people to visit the booth.

Who: Cadette, Senior or Ambassador troops. If you have a multi-level troop, girls must be Cadettes, Seniors or Ambassadors to participate at the display booth.

When: April 13, 2019 during the Annual Meeting at the National Conference Center in Lansdowne, VA.

Applications for booths will open in early January 2019 and will be advertised on Rallyhood, our online forum for parents and volunteers.

Please note that completing the application does not guarantee a booth. Priority will be given to troops that have not previously had the opportunity to display at the Annual Meeting.

Premier Partners

Premier Partners are companies and organizations that have been registered Program Partners for two or more years and have undergone additional assessment and training to meet Premier level requirements. Girl Scout programs hosted by Premier Partners are carefully screened by Council staff to align with related badge or Journey requirements. Premier Partners use this logo to signify the additional steps they have gone through. If you are interested in becoming a Premier Partner, please contact Abby Bradford at abradford@gscnc.org.

Program Grants

Girl Scouts Nation's Capital believes that every Girl Scout should be given the opportunity to take part in her troop's activities, regardless of her financial situation. All Girl Scouts and registered adults who are in need of financial support to participate in Girl Scout programs are eligible to apply for assistance. Completed applications are reviewed by a volunteer panel on a monthly basis.

Applications are available online and must be submitted 6-8 weeks prior to payment due dates. This includes time for Council staff to follow up if clarification is needed, the time for the Panel to review the application, and the turnaround time for funds to be processed and issued if an application is approved. Program grant applications can be found at **gscnc.org/forms** by searching "program grant application." Requests should be submitted to programaa@gscnc.org.

It already includes a select number of Girl Scout Badges, Journey Meetings, Take Action meetings and Closing Ceremonies to allow the troop full flexibility in customizing their Year Plan. Our members will now see Council resources in the VTK, such as our Gear List for camp, descriptions of Council trainings for adults, and requirements for special awards designed just for girls in our community. Check out **gscnc.org/resources** for more information on how to access the VTK.
