Teen Leadership Opportunities at Camp

Our leadership programs allow teens to mentor younger campers and gives them the opportunity to participate in leadership roles and learn valuable, hands-on leadership skills. Whether it's Sleep-Away camp or one of our Summer Day and Evening Camps, Girl Scouts have a variety of programs to select from and explore their leadership potential.

Teen Leadership Opportunities at Sleep-Away Camp

Take the lead and experience camp from the counselor's perspective!

Our leadership programs allow teens in grade 9 and above to mentor younger campers and learn how rewarding it is to be camp staff. After teens complete the first Counselor-in-Training (CIT) two-week program, they can move on to the more advanced CIT II program and/or enhance their skills in our Junior Counselor (JC) program. There will be a separate lottery for Counselor-in-Training Programs, that will open January 16th. Eligible teens can enter both the regular program lottery and the CIT lottery. Please note that CITs are required to leave camp on the weekends.

Counselor-in-Training (CIT) I

Grades: 9-11 **Fee:** \$975

Want to work at camp someday? In this fun, hands-on camp, you'll go in-depth to develop your leadership skills in preparation to become a camp counselor. Discover your own personal leadership style as you work to identify and build on the strengths that you already possess. Get ready to build connections, make memories, learn and laugh with your fellow CITs, and lead the way for younger Girl Scouts while earning your CIT I pin! CITs are required to leave camp on the weekends.

Counselor-in-Training (CIT) II

Grades: 10-11 **Fee:** \$1,050

Continue building your leadership skills as you move another step closer to working at camp and earn your CIT II pin! Explore your strengths and passions, define your personal ethics, and get to know other future role models. Turn your dreams into reality; spend your first week in training, your second week finding your true camping passion in the units or specialty program areas, and your last week working in your favorite area. CITs are required to leave camp on the weekends.

Junior Counselor

Grades: 11-12 By Application ONLY

Requirements: Must be 16 years of age or older and completed 11th grade by summer. Completion of CIT I/II preferred, not required.

Ready to take your leadership experience to the next level? This paid position is the ultimate leadership experience for high school students not yet old enough to become full-time staff members. As a Junior counselor, you will join the camp staff team, work alongside staff, hold similar job responsibilities, and inspire campers! You'll work with the camp leadership staff to set your schedule, selecting weeks to work, receiving training, and leading activities. Junior counselors work a range of weeks at each camp (usually 3-4 weeks) but still go home over the weekend. Teens cannot be both a CIT and junior counselor in the same summer, at the same camp. Junior counselors who turn 18 during the summer may be given the option to apply for a full-time staff position. Applicants will be able to indicate on their applications if they are interested in specializing in lifeguarding, archery/slingshots, boating, program, and arts & crafts (opportunities depend on the camp).

Space is limited. All junior counselor applicants will be interviewed. Placement in the program is based on experience and is at the discretion of camp directors. Teens will receive a stipend for being a Junior Counselor.
