

Accessibility and Our Equipment Center

Equipment Rental Center

To reserve equipment, visit the Equipment Rental Center! Our members can rent camping equipment, flags, bridges for ceremonies, or program kits. We carry cooking and backpacking equipment, tents, ground covers, shelters, tarps and mallets, which are loaned on a first-come, first-served basis.

Pricing

All program kits and ceremonial materials are free, while camping equipment ranges in price from \$1.00 - \$6.00. For example, a backpacker's cache costs \$1.00 and a Tetragon 5 tent is \$6.00.

The Council wants to ensure that equipment is accessible to everyone. To that end, the Equipment Center is happy to facilitate transportation to aid with accessibility issues or provide assistance and support if there is a financial need.

Program kits

Program kits are designed to enhance the Girl Scout Leadership Experience by providing hands-on activities that help youth members earn badges, Journey awards, and patches. Each kit contains directions along with resources and the non-consumable items needed to complete the activities. Program kits are free and can be requested and picked up at a Council office near you.

Donations

The Equipment Center is always accepting any and all Girl Scout-related donations from crafting materials to fishing poles to camping gear. Additionally, we often have giveaway items that are leftovers from Council events and initiatives and we are always happy to send these materials out to whomever can use them. Staff are willing to pick up and transport any and all donations!
