

Speak Up Speak Out

by Melinda Carroll

1st Verse

There's another G.I.R.L., just like me
She's a real Go-Getter
There's another G.I.R.L., just like me
She's an Innovator
There's another G.I.R.L., just like me
Emboldened and Free, and she's just like me!

Pre-Chorus

Take a little step closer to your dreams
Take another step closer to your dreams
It's a little bit closer than it seems
We're going to Change the World, Change the World, Change the World!

Chorus

Speak Up, Speak out, Stand Up, Stand out
Raise your hand, Raise your voice, Raise the roof, Raise the Sky
Cause the world belongs to, you and I.

2nd Verse

There's another G.I.R.L., just like me
She's a real Risk-Taker
There's another G.I.R.L., just like me
She's born to be a Leader
There's another G.I.R.L., just like me
Emboldened and Free, just like me!

Pre-Chorus

Take a little step closer to your dreams
Take another step closer to your dreams
It's a little bit closer than it seems
We're going to Change the World, Change the World, Change the World!

Chorus

Speak Up, Speak out, Stand Up, Stand out
Raise your hand, Raise your voice, Raise the roof, Raise the sky
Cause the world belongs to, you and I!

Bridge

This is your voice, these are your words
This is your story that needs to be heard
Speak for the voiceless, the living Earth
This is our time, We Belong to Life, We Belong to Life!

3rd Verse

There's another G.I.R.L., just like me
A confident creator!
There's another G.I.R.L., just like me
A strong initiator!
There's another girl, just like me
Emboldened and Free, and just like me!

Pre-Chorus

Take a little step closer to your dreams
Take another step closer to your dreams
It's a little bit closer than it seems
We're going to Change the World, Change the World, Change the World!

Chorus 2X

Speak Up, Speak out, Stand Up, Stand out
Raise your hand, Raise your voice, Raise the roof, Raise the sky
Cause the world belongs to, you and I!

End Tag....And the Silence Ends Here.
