From the Desk of Girl Scouts Nation's Capital CEO

Dear Girl Scout Family,

Cookies, Camporee, Gold Award and more

Happy New Years! We are keeping our promise, providing girls with amazing opportunities, all in a girl-led space. We could not do it without our dedicated volunteers and parents. Thank you for opening doors to a lifetime of leadership for Girl Scouts.

We are excited to host a Camporee: A Great Girl Gathering, at Camp Aquasco May 15-17. Girl Scout Cadettes, Seniors and Ambassadors will enjoy high adventure camp activities while bonding over Girl Scout traditions like singing songs over a campfire. For other camp activities, keep a look out for our summer camp brochure arriving in your mailbox, just in time to register for summer camp.

Gold Award Girl Scouts continue to impress. These are the “Girls the World Needs”. Three local universities, Marymount University, Sweet Briar College and Hollins University have joined Trinity Washington University by offering scholarships for girls who have earned this distinction. Check our website for more Girl Scout scholarship information and continue to motivate your Girl Scouts to go for the Gold Award. It’s worth it!

It's Cookie Time! For the first time in nine years, the price of Girl Scout Cookies is increasing. Specialty brands, S'mores and Toffee Tastics will cost \$6.00, while the core varieties are \$5.00 a box. We strive to provide the best experiences for our girls and a price increase will help us achieve that goal. When customers buy Girl Scout Cookies they are getting more than a delicious cookie, they are also supporting the good work of Girl Scouts. Speaking of delicious cookies, a new cookie flavor is joining the line-up—Lemon Ups. Now that should sweeten the Cookie Program this year!

The Insider magazine features many program opportunities just for Girl Scouts. Big things are happening in the world of Girl Scouting, and through the Girl Scout Leadership Experience, girls are discovering, connecting and taking action to make the world a better place.

Sincerely,

Lidia Soto-Harmon
Chief Executive Officer, Girl Scouts Nation's Capital

Program Kits

Did you know that Girl Scouts Nation's Capital offers materials that can be borrowed to support your Girl Scout experience?

Program Kits are fun, age-appropriate resources and are available for varied subjects such as STEM, Journeys, the environment, teamwork, and healthy living. Leaders can use them during troop meetings and as stations at larger events such as encampments. Each kit is designed to serve a troop of 10-16 girls but can be modified to accommodate larger groups.

New and Updated!

Introducing our newest kit, **Car Care!** The activities in this kit will help girls earn the Senior Car Care badge. However, this kit is extremely beneficial for all teen Girl Scouts who travel and spend time in cars. Learn how to be a safe driver and a considerate and helpful passenger.

Planning a large event? Reach for the stars using the Council's new **inflatable planetarium**. The kit comes with a projector and basic information about constellations, and can be a great complement to the Space Science badges.

Note: due to the logistics of the planetarium, there are specific event eligibility requirements and a rental fee.

Check out our updated **Leave No Trace** kits. Leave No Trace™ is a national outdoor skills and ethics education program. This kit contains a variety of activities that will prepare your girls to maintain the integrity and character of the outdoors for all living things. Many of the activities in this kit can be paired with the requirements for the Environmental Stewardship badges for each girl level.

Visit gscnc.org/kits for more information and to reserve a kit.

For GIRLS, by GIRLS: Girl Scout Camp

A key benefit of being a Girl Scout is having access to our beautiful camps. In a girl led, girl-friendly environment, girls challenge themselves and take healthy risks, surrounded by supportive friends and camp staff. When girls spend quality time outdoors and increase their exposure to nature, they thrive physically, emotionally and intellectually. And that's great news—because when Girl Scouts get outside:

- ◆ They discover that they can better solve problems and overcome challenges.
- ◆ They develop leadership skills, build social bonds, and are happier overall.
- ◆ They become team players and care more about protecting our environment.

Girl Scouts believes in getting girls outdoors. Our summer camps allow girls to unplug from their smartphones, laptops, TVs, and tablets, and get outside to enjoy nature. Girl Scouts Nation's Capital has both Sleep-away Camp and Volunteer-led Day and Evening Camp Programs for girls to enjoy. Learn more at www.gscnc.org/camp.

Type of Camp	Transportation Available	Overnight Options	Can parent/troop leaders go?	Background Checks	Financial Assistance

Day & Evening Camp	Varies	Often offer optional 1-night	Yes! Volunteers often receive a discount for camp fees.	For ALL Camp Staff	Yes, apply 10 business days before the day you plan to register.

Sleep Away Camp-Registration opens January 14, 15, and 16

Four camps host Sleep-Away Camp programs, Camp Coles Trip, Camp May Flather, Camp Potomac Woods, and Camp Winona. Girls can choose from a two night overnight, one week, or two week program, to best match their comfort level. Programs vary from STEM, Art, Horseback Riding, Rock Climbing, Windsurfing, and more! Staff design programs to meet girls where they are, help them develop new skills, and challenge themselves, all while having the best summer ever. Sleep-Away Camp is for girls ages 5-17.

Volunteer-Led Day & Evening Camps-Registration opens February 12

Girl Scouts Nation's Capital has 21 Summer Day and Evening Camps in Maryland, Virginia, and West Virginia. Every camp is unique with its own theme and activities. All of our day and evening camps are 100% volunteer-run! Volunteer roles at day and evening camp include unit counselors who lead a group of girls through the week, program volunteers who teach activities, part-time volunteers, and more. If you volunteer at camp, you will help girls explore the world around them, challenge themselves, and build self-esteem, all while having a blast at camp. Program Partners

Does your business support Girl Scout programming? Do you want to attract more Girl Scouts to your business? Maybe your troop visited a local business that provides badge workshops or Girl Scout discounts? These are all great examples of potential Program Partners.

Program Partners are local businesses in and around our Council that offer activities to enhance the Girl Scout experience. From skiing and tea parties to history adventures and science exploration, there are many exciting opportunities for girls throughout this region. If you are interested in becoming a Program Partner or want to recommend a business, please contact Zoe Dranove at zdranove@gscnc.org.

Information published in Girl Scout Insider and online does not constitute endorsement of an organization or group. While these vendors agree to follow Council and GSUSA guidelines, Girl Scout Nation's Capital has not inspected these vendors or their facilities.

Calling all Girl Scouts: Learn how to help the environment!

Girl Scouts Nation's Capital partnered with the Truth Initiative to create the interactive **Earth Defender program**. You can deliver the program at troop meetings, a weekend camping trip, or a day event. The **Earth Defender program** teaches girls about the hazards of tobacco in a very unexpected way, by focusing on the impact tobacco has on the environment. Once Girl Scouts graduate from the program, they become Earth Defenders - complete with a cape, journal, and patch - to share what they learned with others! In spring 2020, you'll be able to reserve an **Earth Defender program kit** for your troop!

What materials will be provided in the kit?

- Facilitator guide book that walks you through every activity.
- Earth Defender capes, patches, and journals for every girl who participates in the program.

How do I reserve my kit? Kits will be available for rental in the spring through the Equipment Center, and will be delivered to Council offices for pick up. Fill out the survey at <https://surveymonkey.com/r/EarthDefenderInterest> to be notified when spring kit rental goes live. Visit <http://bit.ly/EarthDefenderInfo> for more information.
