FLY OR RIDE!

Interactive Flight Simulators

(Approximately 6 min. includes training) 2 people per ride. Solo tickets available.

You control the action! Climb aboard an interactive flight simulator and try your skills at air-to-air combat in an F-4 Phantom II jet fighter. Choose either pilot or gunner responsibilities. Launch your sortie from the deck of an aircraft carrier and take to the skies as you climb, dive, and roll your simulator in 360-degree barrel rolls. Your mission: earn "ace" status by successfully destroying five or more enemy aircraft (training time included prior to your mission).

Admission: \$8  **VISA**

Ride Simulators

(Approximately 5 min.) Up to 20 people per ride.

Choose your adventure and take an exciting virtual trip on board one of our passenger ride simulators. Ride experiences include:*

Space Walk 3D: Ride aboard the Space Shuttle and witness one of the greatest engineering marvels of the 21st Century! This tour around the International Space Station illustrates the complexities of living and working in space and highlights the cooperative efforts of many nations here on earth.

Wings: A fast-paced ride through the history of aerial combat. Experience flight in a vintage Sopwith Camel of World War I, the "lightning-fast" P-38 of World War II, the sleek F-86 Super Sabre of the Cold War era, and the fabulous F-5 Tiger.

F-18 Experience: Discover the thrill of naval aviation in an F-18 Super Hornet and marvel at the precision, courage, and skill of those who push these complex flying machines to their limits.

Cosmic Coaster: A spacey white-knuckle ride like no other, Cosmic Coaster takes you on a dazzling journey through the cosmos filled with futuristic imagery and non-stop fun.

* Additional ride experiences available.
Ride menu subject to change.

Admission: \$7  **VISA**
