

## Winona Letterboxing

- To start on the letter boxing hike begin at the Laurel lodge fire circle facing 80° east.
- Once you are there walk 45 paces\* in that direction.
- After you have completed the 45 paces turn to face South.
- Then go 32 paces in that direction (may cross through a fire circle).  
Look for the first box near an ear shaped notch, then use stamp to mark you have been there in your book.

### Box 2

- From the box face the trail then follow the trail to your right until you come to the deer crossing bathrooms.
- At the fence by the bathrooms turn to face 130° North-East.
- Next walk 6 paces.
- Then turn to face 160° south east.
- Continue 37 more paces before turning to face 260° South-West.  
Walk 64 paces and you should find the box in a grassy knoll.

### Box 3

- After stamping your book at the second box turn around, and then go 20 paces.
- Find and face 150° South-East.
- Walk until you are 4 paces away from the B.I.F.F.Y.
- Facing the BIFFY turn right and continue 14 paces. Turn left and go 15 paces.  
For the third box you will find Holly hides the treasure.

### Box 4

- Go to the front of the building and turn 220° South-West and walk 30 paces to the fire circle. Walk around the fire circle and go 5 more paces.
- To find the fourth box you must follow the trail with blue markers.
- At the bottom of the first hill there will a tree that looks like a V and a similar one across from it.
- Go towards the creek and root around for the 4<sup>th</sup> box.

### Box 5

- Continue following the trail crossing two bridges.
- After you have crossed the second bridge you will climb a set of stairs.
- Stop at the 5<sup>th</sup> step. In a natural pocket the fifth box is held.

### Box 6

- Make your way up the stairs and exit the trail.
- Before you leave check for one more box. An arrow will point you in the right direction.

### Box 7

- 14 paces should lead you out of the exit to admire some architecture.
- Go seven more paces before turning left and going 14 more paces.
- Look under the porch to find the next box.

### Box 8

- From the porch walk to front of the building and halt at the edge of the wheelchair ramp.
- Head towards the wash stand from there.
- Then follow the road for 44 paces.
- Turn right and go ten paces placing you at the 8<sup>th</sup> box.

### Box 9

- Continue on the main road going all the way to trefoil pond.
- Find the B.I.F.F.Y. at the bottom of the hill.  
To find the box just think; orange you glad you don't have to use the B.I.F.F.Y.?

### Box 10

- After finding the previous box head back up the hill.
- Once you have reached Kotke lodge turn right and walk 70 paces.  
Oooo a fire but lets get to finishing the trail. From the corner closest to the pool, face 25° North-East and stroll 16 paces.
- In the bush find the tree that looks like two but is really one.

### Box 11-Final box

- Head back towards the main road.
- Once you're there walk North for 48 paces.
- Go West down the beaten path.
- Where the path stops continue on 16 more paces.
- The final box is on top of one thing but under another, and this is where you will leave your mark!
