### 2011 Fall Product Sale INCENTIVES

Selling Fall Products is a wonderful service to the Council. Troops earn troop proceeds for activities, and the Council receives funds to provide programs, training, financial aid and to maintain our camps. Incentives are intended to motivate girls in their selling efforts. ONLY girls earn incentives. Girls who set a personal goal as well as a troop goal with the other members of their troop prove to be most successful.

Girl Scouts can earn incentives for selling products and magazines through order taking. In the Traditional Incentive Plan, each girl earns the incentives that coincide with the product and magazines sold. In 2011, the Traditional Incentive Plan is a cumulative plan with eight earning levels. Girl Scouts **as a troop, All Age Levels,** may participate in the Traditional Incentive plan listed above **or** can opt to earn an additional 5% through the Cash Incentive Plan. Each troop must decide, **by majority vote,** on their plan before the start of the Fall Sale activities. To qualify, each Girl Scout and Parent/Guardian must acknowledge acceptance of the Cash Plan with signatures below. Troops using the Cash Plan do qualify for all patches available and the incentive for the address booklet.

#### INCENTIVE WAIVER FOR CASH PLAN ONLY:

- I am aware of the troop decision to accept an additional 5% Troop proceeds in lieu of the Traditional Incentives offered. I understand I am also eligible to earn all the patches available.
