College 101, continued

Events follow a general format (specialized admissions discussion for girls 8th grade and higher, tour, trip to the cafeteria and bookstore) In addition, each University created something special and unique for the girls to participate in while on campus to enhance their overall college experience.

Programs run approximately 10 a.m. until 3:00p.m.

Adult Chaperones stay with their groups and are often allowed to participate in workshops and labs.

Please notice that Universities select their own dates according to their schedules and special program offered. For events offered on a school day (M-F), Council has an excused absence letter available, and most of the Universities supply one as well.

Due to University budget cuts, many cannot offer free lunches this year. However - I will continue to work with each University to get us reduced rates if possible!
I will pass on the lunch price information as you register!

Event Registration:

Price is only \$15 per participant (girls and leaders) per University Event.

Troops will receive a 'Virginia College 101' event folder upon registering for each event.

Girls will receive a 'Virginia College 101 Patch' and University Rocker.

No tag-alongs. The event is designed for Girl Scout Troops, Juliettes and leaders.

Troops: Please contact Commonwealth Council Event Registrar, Connie Shackelford, for registration information.
