In order to ensure that all participants and I get the greatest value from this program I agree to the following:

1. I will be guided by the Girl Scout Promise and Law in my dealing with all participants, mentors and staff, demonstrating a friendly and helpful attitude, being considerate and caring, friendly and helpful and responsible for what I say and do. I will also show respect for myself and others.
2. I will be attentive and an active participant in all workshops.
3. As a guest at the Booz Allen Hamilton corporate offices, I will remain within the designated areas, use only the materials designated for my use and respect the property of others.
4. I understand that cell phones, Ipods and similar devices are a distraction to me and others. I agree that all such devices will be turned off and put away during the event and items in use will be surrendered to GSCNC staff to hold until the end of the event. I also agree that any items I bring are entirely my responsibility. Neither GSCNC nor Booz Allen Hamilton is responsible for any loss of these items.
