LET'S GET STARTED

This year Girl Scouts celebrates its 100th birthday! Campers will have the opportunity to celebrate the centennial at all Sleep-Away Camps. When your daughter unpacks her belongings and settles into her tent or glen shelter, she will be heading for the time of her life. Memories are sure to be made roasting marshmallows around a campfire, singing songs, enjoying meals in the dining hall with lots of friends, hiking trails, splashing in the pool or creek, testing mind and body in a rigorous challenge course, or getting creative with crafts. An extraordinary experience awaits girls everywhere they gather at Sleep-Away Camp.

Sleep-Away Camps 2012

Program categories are based on the grade your camper is **COMPLETING** this year (spring 2012).

Our goal is to provide a safe environment where your daughter can gain skills, confidence and friendships as she has fun and creates lasting memories. We're looking forward to helping your daughter discover the magic of Sleep-Away Camp!

CONFIRMATION PACKET

Within three weeks of registering for camp, you will receive a Confirmation Packet in the mail with additional information to help you and your camper prepare for Sleep-Away Camp.

General Information

NEW THIS YEAR!

Week-long sessions will run from Sunday afternoon to Friday evening. Pick up at camp and the bus stop will take place from 7:00 to 8:00 PM (depending on camp).

We now have two Sleep-Away Camp bus stops. One bus stop will be located in Virginia and one bus stop will be located in Maryland. More information will be provided at point of registration.

The *New Girls Guide to Girl Scouting* is here and the new badges have been incorporated into all Sleep-Away Camp Programs. All campers will return home with a detailed checklist that shows the badges they have worked on at camp. More information will be included in your Confirmation Packet.

OPEN HOUSES

Held rain or shine. You'll have the chance to tour the facilities, meet the camp staff and ask questions. Feel free to bring along a picnic lunch to enjoy in our wonderful camp setting. Pets and smoking are not permitted on camp property.

Directions and arrival times will be included in the Confirmation Packet.

Dress comfortably for walking in the outdoors. Unlike the Parent Information Sessions, Open Houses are designed with the camper in mind.

PARENT INFORMATION SESSION

The Parent Information Session is geared toward parents who have never sent their daughter to a GSCNC Sleep-Away camp and have questions that they would like addressed. You will have the opportunity to meet some of the Camp Directors and learn about our programs, facilities and staff at all four of our camps, as well as our registration process. Please note, our presentation will include information about all four of our Sleep-Away camps.

Online registration assistance will also be provided in some satellite offices, more information coming soon.

Camp Facilities

LIVING UNITS

Each unit accommodates 12 – 24 campers and consists of a unit house or shelter, latrines or flush toilets (depending on camp), washstand or sinks (depending on camp), fire circle and screened glen shelters or platform tents. Each tent or glen shelter contains cots with mattresses, mosquito netting and nightstands for four to six girls. Counselors are housed in a separate shelter in the unit. Most units do not have electricity. At night, the campers use their personal flashlights to find their way, and lanterns mark the location of the latrine, washstand and staff shelter. Girls are assigned to living units by age and program. Tent or shelter assignments are made after your daughter arrives at camp so that she may share living arrangements with any friends she may have in the same program.

Glen Shelter

A **glen shelter** is a wooden structure with four screened sides, a wooden roof and a wooden floor. The canvas curtains can be closed in inclement weather. Glen shelters can be found at all four camps.

Platform Tent

Platform tents have wooden floors with a large canvas tent over a wooden frame. There is an extra roof tarp over the top of the tent. There are platform tent units at May Flather and Coles Trip.

MEALS

Food service professionals prepare all meals except for cookouts. Campers are given an opportunity to plan a menu and cook outdoors or have a picnic at least once during their stay. Our food service staff can meet most special dietary needs. If your camper has special dietary needs, please specify this in writing on her health form. Vegetarian alternatives are available at every meal. For more information prior to registering, you may also contact Denise Viau, Camping Services Manager, at (202) 274-3308 or dviau@gscnc.org.

CAMP STAFF

Staff members are carefully selected from applicants throughout the United States and around the world. They are chosen for the maturity, program skills, and experience and are required to attend an intensive pre-camp training session given by GSCNC. All staff members are 18 years of age or older. A Health Manager is in residence at the health center. Specially trained staff members direct the pool, waterfront, challenge course, and other specialty areas.

Camp Winona

In its fifth year as a sleep-away camp, Camp Winona is a popular place for first-time campers and offers programming for girls who have finished grades K-11. Programs range from three days to one week and may focus on a specific interest, but all girls can participate in general camp activities like swimming, canoeing, arts and crafts, campfires with s'mores, and more.

Choose a program based on the grade your daughter is completing in spring 2012.

For Girls Only: Celebrating 100 years of Girl Scout Camping!

Girls Completing Grades K to 11

Does your mom, aunt or female friend over 18 remember camping at Girl Scout Camp when they were younger? Bring them to this half-week program. Celebrate 100 years of Girl Scouts at camp and see what it was like to camp in 1912 and 2012.

Each adult may attend with up to three girls. Girls must have completed grades K-11. Adults will stay in a glen shelter with the girls they register, and may share this glen shelter with one or two other adult/girl groups. Camp staff will stay in a separate glen shelter within the unit. Adults are responsible for the supervision of the girls they attend camp with. Everyone who attends will need to adhere to camp guidelines at all times.

Registration for For Girls Only

Each adult and girl participant must register for the For Girls Only program separately. We encourage you to register in a similar time frame so that you are all able to secure a space in the same session of For Girls Only. When registering, please list the girls/adult you want to be linked with in the space labeled 'buddy', each adult may attend with up to three girls. If you also wish to stay in the same camp unit as another adult/girls group, there will be an opportunity to request this at a later date; please do not enter this information in the 'buddy' space.

Girl fee: \$195; Adult fee: \$130

Sleep-Away Camps 2012

Camp May Flather

An adventure awaits you, whether it is waking up to the mountain air, splashing in the pool with a new friend or savoring the thrill of our challenge course, then May Flather is the camp for you! Set in the beautiful George Washington National Forest, May Flather offers traditional camp activities blended with modern day challenges for girls finishing grades 4-11. Historic Stone Lodge, one of the camp's original structures, is the perfect place for a girl to express herself creatively with arts and crafts. A challenge course helps girls work as a team, build confidence and gain problem solving skills. Highly trained staff supervise all adventure based activities. All girls can participate in the climbing tower, hiking, archery, swimming and cookouts.

Choose a program based on the grade your daughter is completing in spring 2012.

Junior Counselor (JC)

Grade II

The Junior Counselor (JC) program is for girls who have already completed a Counselor in Training (CIT) program and would like to further enhance their leadership skills by learning what its like to be a camp counselor!

An application with more information appears at www.gscnc.org/JuniorCounselor.html. Completed applications and references must be received by 12:00 PM on Monday, February 27, 2012 in order to be considered in the first round of placements. If space is available, girls may apply after February 27. If you would like an application to be mailed to you, please contact Susan Kabat at skabat@gscnc.org or (202) 274-3305.

All Junior Counselor applicants will be interviewed; space is limited and placement is not guaranteed. Placement in the program is based on experience and is at the discretion of the Camp Director. Girls will receive a stipend for being a Junior Counselor. JCs must leave camp on weekend breaks; bus transportation is available at no cost.

See page 25 for more information about the Junior Counselor program.

REGISTRATION INFORMATION

Registration will be first come, first served. The site will open for registration beginning January 24, 2012. Registration is only available online. If you do not have access to a computer, please contact one of our camp registrars. Their contact information appears on page 5.

Program categories are based on the grade your camper is **COMPLETING** this year (Spring 2012).

You will be asked to indicate your mode of transportation at the point of registration. Payment for bus transportation will be due by May 11, 2012.

BUDDIES

You will be able to enter buddy information during the registration process. This will not guarantee that this person will be registered for the program. If your daughter would like to go to camp with a buddy, we encourage you to apply in a similar time frame so that you are both able to secure a space in the same program. In order to be buddies, girls must be registered for the same program, during the same week at the same camp.

FINANCIAL ASSISTANCE

- The Girl Scouts Council of the Nation's Capital strives to make camp available to all girls regardless of the family's economic situation. Visit www.gscnc.org/FA.html to apply for financial assistance.

PAYMENT INFORMATION

A non-refundable registration deposit of \$50 is due in order to complete the registration process.

Final payment for all programs is due by May 11, 2012. Payment can be made with MasterCard, Visa, Discover, or American Express on our registration website.

EMAIL CONFIRMATION

After registration, you will receive an immediate email confirmation. Make sure that the email address associated with your camper's account is a parent's email address that is checked often.

We will contact you regarding form submission, final payment, and other parent information using the email address associated with your camper's account.

To see what email address is associated with your camper's account, log into your camper's account. Click "My Account" on the left side, scroll down the page to the section labeled "My Communications Methods." Choose "add a new communication method." Add a parent's email address. Make sure to mark the email address as primary by clicking the box. To change the displayed email address, click on the "edit" option.

T-SHIRT AND PATCH

All campers will receive a t-shirt and patch as part of their registration fee. When you register you will be able to choose a t-shirt size. Before your daughter is scheduled to attend camp, you will receive more information with an opportunity to purchase a camp care bag for your daughter.

Additional Information

TRANSPORTATION

Camp begins on the bus! This is a low-cost, highly beneficial way for your camper to bond with other girls in her unit right from the start. Girls travel by chartered bus. You will be asked to indicate your mode of transportation at the point of registration. The cost to ride the bus round trip is \$40. Once your daughter has been placed in a program, you will receive a Confirmation Packet in the mail containing additional information about the bus stops, times of departure and arrival, check-in/check-out times at camp and bus drop off/pick up times. Bus transportation is not available on Tuesdays or Wednesdays for half-week programs.

Parents may also drive their campers to and from Sleep-Away camp.

GIRLS WITH SPECIAL NEEDS

GSCNC offers opportunities for girls with special needs to be included in our Sleep-Away Camps. They can join other girls their age for swimming, hiking, singing and other camp activities. Camp is available to ALL girls who:

- Have physical and or developmental disabilities
- Have special dietary restrictions, including food allergies
- Require special medications or treatment (Epi-Pen, nebulizer, etc.)
- Require injections (insulin, HgH, etc.)
- Please provide additional detailed information about your daughter's special needs on her health form so we can accommodate your daughter at camp.

To ensure that your daughter is placed in a camp and program that best suits her needs, please contact Denise Viau, Camping Services Manager, at (202) 274-3308 or dviau@gscnc.org before completing your daughter's registration.

NON-GIRL SCOUTS

Non-Girls Scouts are welcome to attend Sleep-Away camp, but must register to be part of the Girl Scout organization when registering for camp. Girls must be registered with Nation's Capital council. Online camp registration will divert Non-Girl Scouts to a Girl Scout membership registration page, which you must complete before your camp registration is finalized. The annual registration fee is \$12.

Camp Policies

HEALTH HISTORY

Girls attending Sleep-Away camp must be in good health. Additional information and a health history form will be mailed in your Confirmation Packet. Complete health information must be turned in by May 11, 2012.

CANCELLATIONS AND REFUNDS

The \$50 registration deposit is non-refundable. The remainder of the camp fee (excluding the deposit) will be refunded if:

- GSCNC receives a written notification of the withdrawal at least five weeks prior to the session.
- The camper leaves camp due to illness or injury and GSCNC receives a written request for a refund within two weeks after she returns home. The refund will be pro-rated on a per diem basis.
- A program is canceled and no alternate program is available.

If a camper leaves camp early due to homesickness or parent request, no refund will be given.

PROGRAM CANCELLATION

GSCNC reserves the right to cancel any program listed due to insufficient enrollment or other extenuating circumstances. Alternate programs or refunds will be offered.
