

SingAlong Service Member Application

SingAlong Service members give song workshops for a minimum of 35 participants who want to learn and practice songs. A SingAlong Service Coordinator will call you with dates for requests. Take part as your schedule permits. Members also get together twice a year at the Sing Into Weekend with service members and other singers to share and learn songs from each other.

Each singer should complete the requested information and return to GSCNC as soon as possible. Please print or type. If you have any questions about the SingAlong Service, please contact Karen Brown at 301/469-6663 or ks.brown@comcast.net.
