Barges

Barges, I would like to go with you
I would like to sail the ocean blue
Barges, have you treasures in your hold
Do you fight with pirates brave and bold?

Out of my window, looking in the night
I can see the barges flickering light

Starboard's glowing green and port is
glowing red
I can see the barges from my bed

Barges, I would like to go with you
I would like to sail the ocean blue
Barges, have you treasures in your hold
Do you fight with pirates brave and bold?

How my heart longs to sail away with you
As you sail across the ocean blue
But I must sit beside my window clear
As the barges sail away from here
Barges, I would like to go with you
I would like to sail the ocean blue
Barges, have you treasures in your hold
Do you fight with pirates brave and bold?

Out of my window looking in the night
I can see the barges flickering light
Taking their cargo out into the sea
How I wish that someday they'd take me

Barges, I would like to go with you
I would like to sail the ocean blue
Barges, have you treasures in your hold
Do you fight with pirates brave and bold?

Brownie Smile Song

I've got something in my pocket,
It belongs across my face.
I keep it very close to me,
In a most convenient place.
I'm sure you couldn't guess it,
If you guessed a long, long while;
So I'll take it out and put it on,
It's a GREAT BIG BROWNIE SMILE!!

Elephant Song

Now tell me have you seen
What's in the air tonight?
It's something great indeed
It's riding on a bike!
It is an elephant it is so elegant
It has a trunk in front
And tail behind!

G for Generosity

She wears a G for generosity,
She wears an I for interest too,
She wears a R for real good sportsmanship,
She wears a L for loyalty, for loyalty.
She wears a S for her sincerity,
She wears a C for courtesy,
She wears an OUT for outdoor life, outdoor
life, And that Girl Scout is me.

Girl Scouts Together

Girls Scouts together, that is our song,
Winding the old trails, rocky and long.
Learning our motto, living our creed,
Girl Scouts together in every good deed.
Girl Scouts together, happy are we,
Friendly to neighbors far o'er the sea.
Faithful to country, loyal to home
Known as true Girl Scouts wherever we
roam

Hippopotamus Song

What can make a hippopotamus smile?
What can make him walk for a mile?
It's not a party with paper hats.
Or cake and candy that can make him fat.
'Cuz that's not what hippos do.

They ooze in the gooze without any shoes.
They swim underwater till their lips turn
blue.

'Cuz that's what hippos do!

What can make a hippopotamus smile?
What can make him walk for a mile?
It's not a tune on the old violin.
Or listening to the whispering wind.
'Cuz that's not what hippos do!

They ooze in the gooze without any shoes.
They swim underwater till their lifts turn
blue.

'Cuz that's what hippos do!

Linger

OOO, I want to linger
OOO, a little longer
OOO, a little longer here with you.
OOO, it's such a perfect night
OOO, it doesn't seem quite right,
OOO, that this should be our last with you.
OOO, and come September
OOO, we will remember,
OOO, our camping days and friendships
true.
OOO, and as the years go by,
OOO, I'll think of you and sigh,
OOO, this is "good night" and not "good-
bye".

Make New Friends

Make new friends but keep the old,
One is silver and the other gold.
A circle's round, it has no end,
That's how long I want to be your friend.
I have a hand and you have another,
Put them together and we have each other

Hello

Hello! Hello! Hello! Hello!
We are glad to meet you
We are glad to greet you
Hello! Hello! Hello! Hello!

(International Version)

We are glad to meet you

Moose Song

This is a repeat and answer song!

There was a big moose
He liked to drink a lot of juice
There was a big moose
He liked to drink a lot of juice

Chorus:

Singing ohh way-oh
Way-oh way-oh way-oh way-oh
Waaaay-oh waaaay-oh
Way-oh way-oh way-oh way-oh

The Moose's name was Fred
He liked to drink his juice in bed
The Moose's name was Fred
He liked to drink his juice in bed

Chorus

He drank his juice with care
But he spilt it on his hair
He drank his juice with care
But he spilt it on his hair

Chorus

Now he's a sticky moose

A moose full of juice
On the looooooose

Chorus

On My Honor

On my honor I will try,
There's a duty to be done and I say "aye",
There's a reason here for the reason up
above,
My honor is to try and my duty is to love
1) People don't need to know my name
If I do them any harm then I'm to blame.
If I help a Friend then I've helped me
To open up my eyes that I might see.
2) I've tucked away a song or two,
If you're feeling low there's one for you
If you need a friend, then I will come
And there's plenty more where I come
from.
3) Come with me where the fire burns
bright,
You can see even better by firelight,
You can learn even more by the campfire's
glow,
Than you can ever learn in a year or so.
4) We've made a promise we'll always keep,
We'll pray so softly before we sleep,
We'll be Girl Scouts together, and when
we're gone,
We'll still be trying and singing this song.

Peanut Butter

First you take the peanuts and you smash
'em, smash 'em
First you take the peanuts and you smash
'em, smash 'em

Chorus

Peanut, Peanut Butter--Jelly

Peanut, Peanut Butter--Jelly
Then you take the grapes and you squash
'em, squash 'em
Then you take the grapes and you squash
'em, squash 'em

Chorus

Next you take the bread and you spread it,
spread it
Next you take the bread and you spread it,
spread it

Chorus

Then you take the bread and you eat it, eat
it
Then you take the bread and you eat it, eat
it

Chorus

Percy the White Polar Bear

Way up North in the ice and snow,
Where the temperature drops to 30 below.
Who's the happiest one up there?
Percy the pale face polar bear.
Sleeps all day and then at night.
Catches some fish by the pale moonlight.
Not to worry, not a care,
Percy the pale face polar bear.
Then one day some hunters came.
Grab poor Percy by the snout.
Put him in a great big cage.
Percy howled and he growled,
But he could'nt get out.
Now he's living in a zoo.
Funny thing is he likes it too.
Cause he met his girlfriend there,
And she loves,
Percy the pale face polar bear.
Who?

Percy the pale face polar bear!

Thunderation

This song is started out whispering and
repeated
getting louder and louder... and louder!
Thunder, thunder, thunderation

When we sing with determination
We create a sensation!

When e're you make a promise,
Consider well it's importance,
And when made,

Princess Pat

The Princess Pat
Light infinty.
She sailed across
The seven seas.
The channel too,
And took with her
The rig of bamboo.

Chorus
The rig of bamboo,
Now what is true?
It's something made
By the Princess Pat.
It's red and gold
And purple too.
That's why it's called
The rig of bamboo.

Now captain Jack
Had a mighty fine crew.
They sailed across
The channel too.
But their ship sank
And yours will too,
If you forget
Your rig of bamboo.

Chorus

Chorus

Yes She Can

(Tune: She'll Be Comin Around The Mountain)
Can a woman fly an airplane?
Yes, she can, Yes she can.
Can a woman build a building?
Yes she can, Yes she can.
Can a woman fight a fire? Can a woman
change a tire?
Can a woman lead a choir?
Yes she can, Yes she can.
Can a woman be a lawyer?
Yes she can, Yes she can.
Can a woman fix an engine?
Yes she can, Yes she can.
Can a woman be a drummer? Can a woman

Yes she can, Yes she can.
Can a woman lead a nation? Can she run a
TV station?
Can she head a corporation?
Yes she can, Yes she can.
Just you wait until we're older,
Then you'll see, then you'll see.
We'll be women in tomorrow's history,
history. As we
grow up through the years,
we can sing out loud and clear,
Can we start the process here,

Yes we can, Yes we can!

An Alligator is my friend; he can be your
friend too, but what you have to
understand, is he has feelings too

Chorus

An alligator's always green, he never sings
the blues, I'd rather wear him on my shirt
than wear him as my shoes.

Chorus

An alligator ate my friend, he can eat your
friend too, but what you have to
understand, is he needs dinner too.

Chorus

Do Your Ears Hang Low?

Do your ears hang low?
Do they wobble to and fro?
Can you tie them in a knot?
Can you tie them in a bow?
Can you throw them over your shoulder?
Like a continental soldier?
Do your ears hang low?
Have you ever gone fishing,
On a hot summer day,
And you sat on a fence,
And the fence gave away?
With your hands in your pockets,
And your pockets in your pants.
Watching the fish do the Hula dance!
Bum-did-de-a-da, SOME FISH!

On Top Of Spaghetti

On top of spaghetti
All covered with cheese
I lost my poor meatball
When somebody sneezed
It rolled off the table
And onto the floor
And then my poor meatball
Rolled right out the door

In rolled in the garden
And under a bush
And then my poor meatball
Was nothing but mush
Oh, the mash was as tasty
As tasty could be
And early next summer
It grew into a tree
The tree was all covered
With beautiful moss
It grew lovely meatballs
And tomato sauce
So if you eat spaghetti
All covered with cheese
Hold on to your meatball
And don't ever sneeze.

This Land Is Your Land

(By: Woodie Guthrie)

This land is your land, this land is my land.
From California to the New York Island,
From the Redwood Forest
To the Gulf Stream waters,
This land is made for you and me.
As I was walking that ribbon of highway,
I saw above me the endless skyway,
I saw below me that golden valley.
This land was made for you and me.
I've roamed and rambled, and I followed my
footsteps,
To the sparkling sands of her diamond
deserts,
And all around me, a voice was sounding,
This land was made for you and me.
When the sun comes shining, and I was
strolling,
And the wheat fields waving,
And the dust clouds rolling,
As the fog was lifting, a voice was chanting,
This land was made for you and me.

Little Bunny Foo

Little Bunny Foo Foo
Hopping through the forest
Scooping up the field mice
And boppin' 'em on the head

Down came the good fairy and she said
"Little Bunny Foo Foo
I don't want to see you
Scooping up the field mice
And boppin' 'em on the head
I'll give you three more chances
Or I'll turn you into a goon!"

So, the next day
Little Bunny Foo Foo
Hopping through the forest

Scooping up the field mice
And boppin' 'em on the head

Down came the good fairy and she said
"Little Bunny Foo Foo
I don't want to see you
Scooping up the field mice
And boppin' 'em on the head
I'll give you two more chances
Or I'll turn you into a goon!"
So, the next day
Little Bunny Foo
Hopping through the forest

I gave you three chances
POOF! You're a goon!"

HERE TODAY, GOON TOMORROW

I'm Proud To Be Me

I'm proud to be me,
But I also see
You're just as proud to be you.

We may look at things
A bit differently,
But lots of good people do.

It's just human nature
So why should I hate you,
For being as human as I?

We'll get and we'll give,
And we'll live and let live,
And we'll all get along if we try.

I'm proud to be me,
But I also see
You're just as proud to be you.
It's true!
You're just as proud to be you.

Baby Duck

Oh wasn't it a bit of luck
That I was born a baby duck
With yellow socks and yellow shoes
So I can go wherever I choose
Quack quack quack quack quack
Quack quack quack quack quack
GO DUCKS!

The Ants Go Marching

The ants go marching 2 by 2 hurrah, hurrah.
The ants go marching 2 by 2 hurrah, hurrah.
The ants go marching 2 by 2, the little ones
stop to tie their shoes and they all go
marching down, to the ground, to get out of
the rain.

"Still singing
after **110** years"
