Girls The World Needs

From the desk of the CEO

Dear Girl Scout family,

Girl Scouts are entrepreneurs, environmentalists, campers, techies and they also make their community and world a better place. This yearbook celebrates the wonderful accomplishments of all our high awardees. These Girl Scouts are exceptional young leaders who have made a significant difference in our world.

I say the Gold Award is like the Ph.D. of Girl Scouting. **Two hundred and three** Girl Scout Seniors and Ambassadors tackled projects, which varied in scope, solving real world problems and uplifting their communities. I encourage you to read about the amazing projects in this yearbook, from spreading awareness for mental health resources for teens, feeding the hungry to preparing students for college and careers. Gold Award Girl Scouts are Girl the World Needs. It is the highest earned achievement for high school girls, and can open doors for scholarships, preferred college admissions and career opportunities.

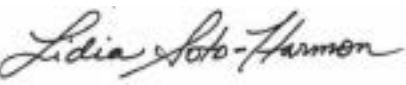

This year **917** Girl Scouts earned the Silver Award, the highest achievement a Girl Scout Cadette can earn as an individual or team. They have taken on projects they care about, learned the facts and put their plans in motion. They are well on their way to earning the Gold Award.

The Silver Trefoil Award is unique to Girl Scouts Nation’s Capital; and reflects a Girl Scout's commitment to volunteering globally, locally and even in the Girl Scout community. **Two hundred and thirty-four** Girl Scouts dedicated 100 hours to earn this award, preparing them for a lifetime of civic engagement and volunteerism.

Congratulations to all the extraordinary Girl Scouts featured in our award yearbook. These outstanding young women represent not only the brightest and best, but also the most passionate and committed. Girl Scouts is a life-changing journey, and earning high awards is the pinnacle of one's Girl Scout experience.

Thank you to all the parents, Girl Scout advisors, volunteers, and Girl Scout sisters, who believed in our awardees and supported them at every turn. Because of your support these awardees have gained confidence and the skills that will catapult them to a lifetime of success.

About the Gold Award

The Gold Award is Girl Scouting's highest honor. This prestigious award is earned by a select group of Girl Scouts who have demonstrated a high commitment to improving their communities, and advocating for lasting change. This past year, from March 16, 2019 to March 15, 2020, 203 Girl Scouts from 25 counties in Maryland, Virginia, West Virginia and the District of Columbia earned the Gold Award.

The road to the Gold Award begins with discovery. Each girl uses her own values and skills to identify a community issue she is passionate about and then determines the topic and audience for her project. Before proceeding, each girl submits a project proposal to the Gold Award Panel. The Panel welcomes all projects for which there is a demonstrated need. The Panel works with Girl Scouts to support the development of their projects and act as mentors along the way.

While working on her project, each Girl Scout dedicates herself to advancing her cause and accomplishing her goal. All of the projects completed this year will have a lasting and positive impact on our region and beyond. From protecting the environment and teaching young people about community issues, to promoting healthy behaviors and helping the homeless, these Girl Scouts have exhibited outstanding leadership, exceptional organizational skills, and a sincere commitment to improving their communities. Congratulations to all of our Gold Award Girl Scouts!

The following pages feature this year's Gold Award Girl Scouts and descriptions of their projects. By necessity, the descriptions are brief and may not fully describe the scope of the project.

We know that you are proud of your Gold Award Girl Scout's achievement.

Now it's time to use your social media to share her powerful story.

Girls The World Needs

2020 Gold Award Scholarship Panel

Silver Award Girl Scouts

Many colleges and universities offer scholarships to Girl Scouts who have earned the Gold Award, because they recognize the leadership skills required to earn this award.

Our Council offers Gold Award scholarships to graduating high school seniors valued \$1,000 each to attend the college of her choice. The Gold Award Scholarship Panel is comprised of members of the business community with a commitment to Girl Scouting. The Panel reviewed written applications and identified semifinalists to be interviewed. Based on the interviews, committee members selected the scholarship recipients. Our Council also offers the girl named Nation’s Capital Council Gold Award Girl Scout a scholarship of \$2,000.

The Council’s scholarships for Gold Award recipients are funded through generous gifts from Sara Phillips, a lifetime Girl Scout volunteer, in support of the Sara and Lawrence Phillips Scholarships; a gift from an anonymous donor in honor of Marilyn Carr; and Shenandoah Region scholarships supported through an endowment from lifetime Girl Scouts Eva L. Woolridge and Lynne Seibert-Steptoe.
