At Girl Scouts, we believe in the power of every **G.I.R.L.** (Go getter, Innovator, Risk-taker, & Leader™) to change the world. Girl Scouts was founded by Juliette Gordon Low in 1912. She sparked a Movement to redefine what it means to be a strong and confident leader.

Today, Girl Scouts Nation's Capital is the largest council in the nation, with over **86,000** girl and adult members throughout the Greater Washington region. The Girl Scout Leadership Experience, rooted by four pillars: STEM, Outdoors, Entrepreneurship, and Life Skills, has demonstrated results in helping girls create a lifetime of leadership, adventure, and success. Girl Scouts gives every girl the opportunity to reach her full potential.

Your generous donation will be highlighted throughout the event in promotional materials and signage. It is through donations such as yours that Girl Scouts Nation's Capital can continue having a positive impact on the thousands of girls, families, and communities we serve.

This event provides critical funding for Girl Scout programming and support for nearly **60,000** girls.
