

May 28, 2020

Dear Girl Scout Family,

We hope you had a great Memorial Day Weekend. For the month of May, we encouraged our staff to find moments each week to demonstrate an act of kindness. Throughout the month, our members have shared creative service projects that have provided hope and encouragement to their communities, and we want to dedicate the last letter of May to those projects.

**A video for National Armed Forces Day.** Troop 2613 from Metropolitan A.M.E. Church usually serves Girl Scout cookies and delivers thank you notes to veterans at the Armed Forces Retirement Home, but volunteers aren't allowed in because of the outbreak. Instead, they were asked to send a video for National Armed Forces Day, to thank veterans for their service.

You can watch the video [here](#).

**Over 200 meals for Martha's Table.** SU 60-5 Troop 4467 made over 200 meals for the Washington National Cathedral outreach program supporting Martha's Table in D.C.

**Public art display for King Park.** Brownie Troop 23005 created the public art display, "At Home with Hope" -- "En Casa con Esperanza" in Spanish, for King Park on Gallatin Street in Hyattsville, Maryland, to spread a positive message during the COVID-19 pandemic.

We hope you continue to uplift our community by sharing kindness in these challenging times. Thank you for sharing your projects and truly making the world a better place.

Yours in Girl Scouting,

*Lidia Soto-Harmon*
