## TROOP 6310 GOES VIRTUAL

Welcome to Troop 6310 blog! Their troop is composed of Junior Girl Scouts. These Girl Scouts used virtual power to collect their Scribe badge. On their blog, they share their ideas using original photographs, drawings, poetry, games, and puzzles. Way to go Girl Scouts! We love how you found an innovative and fun way to scribe.

## A LETTER FROM THE CEO

Dear Girl Scout Family,

We are proud to celebrate “All Things Virtual”. With the support of you, our volunteers, and Council we have succeeded in online experiences. To date, we have served 1054 experiences to thousands of Girl Scouts. This virtual success commands our next prominent experience “Virtual Cookie Campout.”

Virtual Cookie Campout combines camping and cookies, to support a successful cookie season. Virtually we will build forts, hear from our Top Cookie Sellers, make our own English muffin pizza, instructed by Ris Lacoste (world-renowned chef), and many other activities. We have events for the entire family. Register for this first of its kind virtual event!

We will continue to provide updates for virtual and online programming for our Girl Scouts at [www.gscnc.org/events](http://www.gscnc.org/events).

Recent updates include:

- Troop Virtual Blueprint which provides resources for an amazing troop year.

- Camp CEO went virtual this year! It was a joyous experience as Girl Scouts were able to connect with prominent businesswomen who shared their life lessons and leadership journeys. [Here](#) are the mentors favorite quotes.
- The 55th National Council session will be virtual. Girl Scouts Nation's Capital has 41 delegates and 34 alternates. Delegates will be brought together to represent their collective voices – to discuss and debate topics around the future direction of Girl Scouts. [Register](#) now to watch history in action.

The success of these virtual experiences has ignited a virtual celebration. What better way to celebrate than with a [scavenger hunt](#)? On October 31, 2020, we will be celebrating as it is our founder Juliette Gordon Lows' birthday! Her ardent belief in the potential of all girls and the importance of fostering their individual growth has nourished a global movement that has changed the world. We look forward to your participation in our virtual events.

Yours in Girl Scouting,

Lidia Soto-Harmon  
Chief Executive Officer
