From the Desk of Girl Scouts Nation's Capital CEO

Dear Girl Scout Family,

“ The road to our future shines bright! Girl Scouts Nation's Capital continues to make great strides as we build a fun, robust, and diverse Girl Scout Leadership Experience leveraging in-person and virtual program delivery. Our Fall Insider magazine reflects this as we present 385 program partners opportunities and offer 28 new badges. Indeed, the Fall Insider provides an opportunity for every Girl Scout to participate!

As you read through this Insider Magazine, I encourage you to share your excitement for these incredible programs offered with others. This Girl Scout year, we want every girl to experience the healthy social and emotional development that Girl Scouts provide. From life skills to entrepreneurship, Girl Scouts builds girls of courage, confidence, and character to create a more fair, equal, and compassionate world.

In closing, I thank you for your continued support. We continue to prove that we are committed to advancing the Girl Scout movement. Now together, let us share our conviction that every girl "Belongs in Girl Scouts," and our future is bright! ”

Yours in Girl Scouting,

Lidia Soto-Harmon
Chief Executive Officer

Girl Scouts Nation's Capital strives for all Girl Scouts, volunteers, and families to feel included and safe throughout their Girl Scout experience.

Centers for Disease Control identifies three primary contributors to the transmission of COVID-19 – contact with others, confinement or limited air circulation, and crowds – more people, more risk. The Council's safety precautions minimize these risk factors for our girls, families, volunteers, and our communities. We encourage everyone to review the precautions, talk with your troop leader about the meeting or activity and weigh your family's health and life circumstances when making a choice to attend.

Adapted from How to Navigate Your Community Reopening? Remember the Four C's, by Roni Caryn Rabin, June 6, 2020, NY Times.

REQUIRED SAFETY PRECAUTIONS

All Girl Scouts and adults must follow all precautions below when attending an in-person Girl Scout gathering. There are many opportunities to participate in Girl Scouts virtually if your family is unable or unwilling to follow these precautions.

MEET HEALTH REQUIREMENTS

Everyone attending a Girl Scout gathering completes a Girl Scout COVID-19 pre-screen health form the day of a gathering. A COVID-19 vaccination is not required for participation, however, the prescreen questions differ for fully vaccinated versus non-vaccinated members. It verifies the following:

1. Symptom-free of fever, cough, shortness of breath or difficulty breathing, chills, muscle pain, headache, sore throat, new loss of taste or smell, nausea, diarrhea, and vomiting
2. No fever over 100 degrees within the last 24 hours without the use of fever-reducing medications.
3. Decreased risk of exposure within last 10 days:
 - Have not had a known exposure to COVID-19 or been in close contact with anyone that has tested positive.
 - Have not traveled outside Delaware, District of Columbia, Maryland, Pennsylvania, Virginia, or West Virginia state lines.

WEAR FACE COVERING

Everyone is required to provide and wear a face mask or cloth face covering. It should be two or more layers of breathable fabric and cover the nose, mouth, and chin. This includes caregivers dropping off and picking up girls from a gathering.

WASH HANDS

Everyone is expected to wash hands often with soap and water. If not available, use hand sanitizer with at least 60% alcohol.

USE SOCIAL DISTANCING

Everyone is expected to social distance 6 feet from others.

Council Events

Explore the Past!

Girl Scouts of all ages can register to visit one of our Council's two Archives & History Program Centers to learn about our Council's rich history through hands-on activities and by exploring our extensive collection that represents who we are and where we came from. See vintage uniforms, view some of our oldest badges and handbooks and try your hand at various early Girl Scout skills. All Girl Scouts will receive a patch for attending the program. Programs are offered at the Council's history centers in Frederick, MD and Winchester, VA.

For registration and program details, please visit the Events Calendar on our website [gscnc.org/calendar](https://www.gscnc.org/calendar)

Kick off your Fall by going OUTSIDE

Progression in the outdoors is important especially for our younger members.

The Nation's Capital "Explore Camp" Patch Program encourages Girl Scouts to explore the outdoors, take part in Girl Scout traditions, and discover the unique features of each of our eight camp properties. Girl Scouts completing this patch program will hone their eight basic outdoor skills, which help improve outdoor literacy and support positive, environmentally-friendly outdoor experiences.

Girl Scouts first earn the main patch, which serves as an introduction to the eight basic outdoor skills & Girl Scout traditions. After completing the main patch, Girl Scouts can earn the other eight patches in this program, each of which focuses on one of the eight Nation's Capital camp properties.

If your girls are camping pro's this patch series also has challenges for them, or perhaps they could team up with a younger member troop in their Service Unit and help them earn the Main Patch.

More information about this Council's Unique Patch series can be found on our website at: <https://www.gscnc.org/en/camp/explore-our-camps/explore-camp-patch-program.html>

Congressional Aide

Interested in the legislative process? Gain first-hand experience as a Congressional Aide during summer 2022. This is an exclusive opportunity available to current Girl Scout Seniors and Ambassadors in our Council. The program places girls in congressional offices, either on Capitol Hill or in a local district office, for a 40-hour, one week intensive session to learn about our nation's political process and see how advocacy works at the federal government level.

Girls must apply to the program and participate in a mandatory orientation in early May. Congressional Aide 2022 will run mid-June to mid-August. The completed application and all supporting documents are due by March 1, 2022 through the online application. Check www.gscnc.org/congressionalaide for a link to the online application in early January.

Council Updates

Program Kits

Did You Know that Girl Scouts Nation's Capital offers materials that can be borrowed to support your Girl Scout experience? Program Kits are fun, age-appropriate resources and are available for varied subjects such as STEM, Journeys, the environment, teamwork, and healthy living. Leaders can use them during troop meetings and as stations at larger events such as encampments. Each kit is designed to serve a troop of 10-16 girls but can be modified to accommodate larger groups.

Coming Soon:

Keep an eye on out for our council's newest kit, Coding with imagiCharms! Developed in partnership with imagiLabs, the Coding with imagiCharms program kit will give girls the chance to code personalized and eye-catching displays on the imagiCharm LED keychain. Using imagiLabs' easy-to-follow coding guide, leaders and girls with no coding experience will be able to design pixel art and animations on the charm and write real lines of code using Python, one of the world's most popular programming language. This kit will also include some "unplugged" activities that encourage girls to think like coders.

Newly Updated: Our Car Care kit has an exciting new addition! Each kit includes copies of Patrice Banks' Girls Auto Clinic: Glove Box Guide, a comprehensive guide that puts girls in the driver's seat and shows them how to be a care care pro. The activities in this kit will help girls earn the Senior Car Care badge. However, this kit is extremely beneficial for all teen Girl Scouts who travel and spend time in cars. Learn how to be a safe driver and a considerate and helpful passenger.

Visit gscnc.org/kits for more information and to reserve a kit.

Classic: Our Animal Tracks kit contains tracks, cards, pictures, brochures, games and more, all showcasing the animals around us. Girls will use observation skills and hands-on activities to learn about the different wildlife in our area. By being aware of who (or what) lives next to us, we can live in harmony and stay safe on outdoor adventures this summer!

Program Grants and Loans

Girl Scouts Nation's Capital believes that every Girl Scout should be given the opportunity to take part in her Troop's activities, regardless of her financial situation. All Girl Scouts and registered adults who are in need of financial support to participate in Girl Scout programs are eligible to apply for assistance. Completed applications are reviewed by program staff on a monthly basis.

Applications are available online and due on the 2nd Monday of the month. Applications must be submitted 6-8 weeks prior to payment due dates. This allows time for Council staff to follow up if clarification is needed, to review the application, and the turnaround time for funds to be processed and issued if an application is approved.

Program Grant and Loan applications can be found at www.gscnc.org/forms by searching "program grant application" or "program loan application." Requests should be submitted to programaa@gscnc.org.

Program Partners

Does your business support Girl Scout programming? Do you want to attract more Girl Scouts to your business? Maybe your troop visited a local business that provides badge workshops or Girl Scout discounts? These are all great examples of potential Program Partners.

Program Partners are local businesses in and around our Council that offer activities to enhance the Girl Scout experience. From skiing and tea parties to history adventures and science exploration, there are many exciting opportunities for girls throughout this region. If you are interested in becoming a Program Partner or want to recommend a business, please contact Zoe Dranove at zdranove@gscnc.org.

Information published in Girl Scout Insider and online does not constitute endorsement of an organization or group. While these vendors agree to follow Council and GSUSA guidelines, Girl Scout Nation's Capital has not inspected these vendors or their facilities.

These programs are hosted by our Program Partners and their safety as well as yours is our top priority. Please review the specific guidelines and policies about refunds and cancellations due to changing guidelines regarding COVID-19.

DESIGN Like a D·A·C **GiRL** 2021

The Design Like a Girl Mentor program is for young women with an interest in architecture and design. The program pairs girls ages 12-14 with mentors from the architecture, construction, and engineering fields, so they can learn first-hand about career from professional women.

The goal of the "Design Like a Girl" programs is to encourage girls to consider architecture as a possible career. WAF hopes to open a door that might eventually lead to greater gender equality in a profession that needs it.

The mysteries are presented to the class through images and text on the screen. The host will narrate the story and explain each puzzle, encouraging your girls to use what they see or hear to make informed guesses. Girls will look for misdirections, and break down the steps necessary to solve the puzzles. They will also share and debate hypotheses with their friends, ultimately working together to solve the mystery before class ends.

CYBER S.W.A.T.

Safety While Accessing Technology

CYBER SWAT

Girls Teaching Girls

Cyber S.W.A.T. is an innovative peer-to-peer program that helps teens stay safe and make better choices online.

Girl Scouts will earn a patch for learning online safety...

...and another patch when they become a mentor.

This close-knit group will tackle tough conversations about cyberbullying, online predators, sexting, and social media safety.

Bring Cyber S.W.A.T. into your troop! Learn more at teameyberswat.org.
