

Girls the World Needs

Featuring Gold Award Class of 2022

From The Desk Of The CEO

Dear Girl Scout Family,

Welcome to the **2022** In Your Honor yearbook! We are thrilled to celebrate all the Girl Scouts in our Council who have earned their Gold Award, Silver Award and Silver Trefoil Award!

The Gold Award is the highest award in Girl Scouting, I like to say that it is the Ph.D. for girls in our organization. This year we are honoring a record **226** Girl Scouts from **25** counties in Maryland, Virginia, West Virginia and the District of Columbia who earned their Gold Award. Congratulations Gold Award Girl Scouts!

This year we honor **775** Girl Scouts who have earned their Silver Award! I like to say that earning your Silver Award is just like earning your master's degree, just like the Gold Award, it is a rewarding process that makes the world a better place. There are seven steps to earn your Silver Award and each girl invested over **50** hours of hard work to earn their Award. Congratulations to all of our Silver Award Girl Scouts!

We are also honored to list all **147** Girl Scouts who have received the Silver Trefoil Award. The **147** Silver Trefoil Award Girl Scouts have completed more than **100** hours of service in three categories: Girl Scout Community Hours, National Service Hours, and Global Service Hours. If we add the number of girls times **100** hours of service, this means that this year alone **14,700** hours of community service have gone to help our communities. Congratulations to all of our Silver Trefoil Girl Scouts!

For the past **110** years, Girl Scouts has built girls of courage, confidence, and character. I am so proud of you, all your hard work, and your higher award achievements! I also want to thank all the troop leaders, advisors, mentors, and parents who worked alongside their Girl Scouts to help make their achievement a reality. Every Girl Scout highlighted in this yearbook is indeed a **Girl the World Needs!**

Yours in Girl Scouting,

Thank you to the Women's Advisory Board (WAB), 100 of the most influential business leaders from the Greater Washington Region. These women raise the profile of Girl Scouting within the corporate community, and are committed to sharing their expertise with Girl Scouts earning the Gold Award.

The Gold Award is Girl Scouting's highest honor. This prestigious award is earned by a select group of Girl Scouts who have demonstrated a high commitment to improving their communities and advocating for lasting change. This past year, from **March 16, 2021** to **March 15, 2022**, **226** Girl Scouts from **25** counties in Maryland, Virginia, West Virginia and the District of Columbia earned the Gold Award.

The road to the Gold Award begins with discovery. Each girl uses her own values and skills to identify a community issue she is passionate about and then determines the topic and audience for her project. Before proceeding, each girl submits a project proposal to the Gold Award Panel. The Panel welcomes all projects for which there is a demonstrated need. The Panel works with Girl Scouts to support the development of their projects and acts as mentors along the way.

While working on her project, each Girl Scout dedicates herself to advancing her cause and accomplishing her goal. All of the projects completed this year will have a lasting and positive impact on our region and beyond. From protecting the environment and teaching young people about community issues to promoting healthy behaviors and helping the homeless, these Girl Scouts have exhibited outstanding leadership, exceptional organizational skills, and a sincere commitment to improving their communities. Congratulations to all of our Gold Award Girl Scouts!

The following pages feature this year's Gold Award Girl Scouts and descriptions of their projects. By necessity, the descriptions are brief and may not fully describe the scope of the project.

PROCLAMATION

OFFICIAL GOLD AWARD STATUS

WHEREAS, since 1916, Girl Scouts have accepted the challenge of earning the Movement's highest award, thereby demonstrating a commitment to bettering themselves, their communities, and the world; and WHEREAS, this highest award has had different names over the years, including the Golden Eaglet (1916–39), the Curved Bar (1940–63), First Class (1938–40, 1963–80), and, since 1980, the Girl Scout Gold Award; and WHEREAS, those who have earned it have shown the same outstanding leadership skills, determination, and resilience that have made Girl Scouts' highest award a unique rite of passage for young women across the Movement; NOW THEREFORE, I, Sylvia Acevedo, Chief Executive Officer of Girl Scouts of the USA, do hereby proclaim that all who have earned the highest award in Girl Scouts can on this day, January 15, 2019, and henceforth be recognized as Gold Award Girl Scouts, united by their similarities and their ideals, with all rights and privileges therein.

THROUGH THE YEARS

The highest award in Girl Scouting has gone through many name changes since it was established in 1916 as The Golden Eagle of Merit. Now it's called the Girl Scout Gold Award, but the essence remains the same. It is awarded to girls who embody community leadership through their actions.

THE GOLD AWARD PANEL

The Gold Award Panel is comprised of seven regional groups of committed volunteers who meet every month to help guide girls through the Gold Award process. Our Gold Award Panel reviews proposals and provides constructive feedback to potential Gold Award girls. The Panel members are essential to girls earning the Gold Award through Girl Scouts Nation's Capital.

GOLD AWARD SCHOLARSHIP OPPORTUNITIES 2022

Many colleges and universities offer scholarships to Girl Scouts who have earned the Gold Award because they recognize the leadership skills required to earn this award.

Our Council offers Gold Award scholarships to graduating high school seniors valued \$1,000 each to attend the college of her choice. The Gold Award Scholarship Panel is comprised of members of the business community with a commitment to Girl Scouting. The Panel reviewed written applications and identified semifinalists to be interviewed at the Council office. Based on the interviews, committee members selected the scholarship recipients. Our Council also offers a Young Woman of Distinction award to a Gold Award recipient, valued \$2,000.

The Council's scholarships for Gold Award recipients are funded through generous gifts from Sara Phillips, a lifetime Girl Scout volunteer, in support of the Sara and Lawrence Phillips Scholarships; a gift from an anonymous donor in honor of Marilynn Carr; from Elizabeth Sarah Gere in Memory of Gold Award Girl Scout Rachel Deitch; and Shenandoah Region scholarships supported through an endowment from lifetime Girl Scouts Eva L. Woolridge and Lynne Seibert-Steptoe.
