

High Adventure Facilitator Request

High Adventure Facilitator Request

Having trouble locating a facilitator on your own? Try out these suggestions!

1. Become a trained facilitator!

You'll never have to worry about finding a facilitator if you become one! Log in to [gsLearn](#) to find trainings.

If you do become certified in a High Adventure activity and are willing to share your skills by facilitating for other troops, please email highadventure@gscnc.org.

2. Post on Rallyhood

The “Outdoor & High Adventure” Rallyhood page is an excellent way to receive feedback from members all over the council! You can post a question, and other people can respond. Some of our facilitators are a part of Rallyhood and can respond directly to you this way.

**Outdoor and High Adventure Rally:
<https://rallyhood.com/14350>**

3. Talk to other troop leaders in your Service Unit.

Other troops in your SU may have done similar High Adventure activities before you. Reach out to leaders to see who they used, or how they found a facilitator!
