*make the world a better place.*

# FROM THE DESK OF THE CEO

Dear Girl Scout Family,

Girl Scouts do not just change the world for the better - they change the world for good. Inspired by their passion for affecting change on issues such as diversity, equity, and inclusion to mental health to environmental welfare, these Girl Scouts have transformed their vision into an actionable plan with measurable, sustainable, and far-reaching change.

This year, we honor 201 Gold Award Girl Scouts. These Girl Scout Seniors and Ambassadors did not let the pandemic stop them from achieving the pinnacle of their Girl Scout experience! Instead, they pivoted their Gold Award projects to meet the needs of their communities during unprecedented times. These outstanding young women genuinely represent the best and the brightest. Their resiliency and innovation are truly why these Gold Award Girl Scouts are Girls the World Needs!

As you read through the 2021 award yearbook, we also want to celebrate our Silver Award and Silver Trefoil Award Girl Scouts. We are proud of our 705 Girl Scout Cadettes, each investing over 50 hours to earn the Girl Scout Silver Award. In addition, we honor 187 Silver Trefoil Award Girl Scouts who dedicated over 35,000 hours of volunteer service to their local, international, and Girl Scout communities. These achievements build courage, confidence, and character to engage in “take-action” projects in their community that they care about, forming the foundation to reach the pinnacle of their Girl Scout experience – The Gold Award.

Again, congratulations to all the Girl Scouts featured in the 2021 yearbook. Your dedication and passion have a lasting impact on your communities. Thank you to all the parents and volunteers for supporting our high awardees. We are grateful for your commitment to the Girl Scout Mission. Together we are ensuring through the Gold, Silver, and Silver Trefoil Award that Girl Scouts have open doors to scholarships, preferred admission tracks for colleges, and fantastic career opportunities as they change the world for good.

Sincerely,

# ABOUT THE GOLD AWARD

The Gold Award is Girl Scouting's highest honor. This prestigious award is earned by a select group of Girl Scouts who have demonstrated a high commitment to improving their communities, and advocating for lasting change. This past year, from March 16, 2020 to March 15, 2021, 201 Girl Scouts from 25 counties in Maryland, Virginia, West Virginia and the District of Columbia earned the Gold Award.

The road to the Gold Award begins with discovery. Each girl uses her own values and skills to identify a community issue she is passionate about and then determines the topic and audience for her project. Before proceeding, each girl submits a project proposal to the Gold Award Panel. The Panel welcomes all projects for which there is a demonstrated need. The Panel works with Girl Scouts to support the development of their projects and act as mentors along the way.

While working on her project, each Girl Scout dedicates herself to advancing her cause and accomplishing her goal. All of the projects completed this year will have a lasting and positive impact on our region and beyond. From protecting the environment and teaching young people about community issues, to promoting healthy behaviors and helping the homeless, these Girl Scouts have exhibited outstanding leadership, exceptional organizational skills, and a sincere commitment to improving their communities. Congratulations to all of our Gold Award Girl Scouts!

The following pages feature this year's Gold Award Girl Scouts and descriptions of their projects. By necessity, the descriptions are brief and may not fully describe the scope of the project.

## OFFICIAL GOLD AWARD STATUS

**WHEREAS**, since 1916, Girl Scouts have accepted the challenge of earning the Movement's highest award, thereby demonstrating a commitment to bettering themselves, their communities, and the world; and

**WHEREAS**, this highest award has had different names over the years, including the Golden Eaglet (1916–39), the Curved Bar (1940–63), First Class (1938–40, 1963–80), and, since 1980, the Girl Scout Gold Award; and

**WHEREAS**, those who have earned it have shown the same outstanding leadership skills, determination, and resilience that have made Girl Scouts' highest award a unique rite of passage for young women across the Movement;

**NOW THEREFORE**, I, Sylvia Acevedo, chief executive officer of Girl Scouts of the USA, do hereby proclaim that all who have earned the highest award in Girl Scouts can on this day, January 15, 2019, and henceforth be recognized as Gold Award Girl Scouts, united by their similarities and their ideals, with all rights and privileges therein.

## THROUGH THE YEARS

The highest award in Girl Scouting has gone through many name changes since it was established in 1916 as The Golden Eagle of Merit. Now it's called the Girl Scout Gold Award, but the essence remains the same. It is awarded to girls who embody community leadership through their actions.

# GOLD AWARD PANEL

The Gold Award Panel is comprised of seven regional groups of committed volunteers who meet every month to help guide girls through the Gold Award process. Our Gold Award Panel reviews proposals and provides constructive feedback to potential Gold Award girls. The Panel members are essential to girls earning the Gold Award through Girl Scouts Nation's Capital.

# GOLD AWARD SCHOLARSHIP OPPORTUNITIES

Many colleges and universities offer scholarships to Girl Scouts who have earned the Gold Award, because they recognize the leadership skills required to earn this award.

Our Council offers Gold Award scholarships to graduating high school seniors valued \$1,000 each to attend the college of her choice. The Gold Award Scholarship Panel is comprised of members of the business community with a commitment to Girl Scouting. The Panel reviewed written applications and identified semifinalists to be interviewed at the Council office. Based on the interviews, committee members selected the scholarship recipients. Our Council also offers a Young Woman of Distinction award to a Gold Award recipient, valued \$2,000.

The Council's scholarships for Gold Award recipients are funded through generous gifts from Sara Phillips, a lifetime Girl Scout volunteer, in support of the Sara and Lawrence Phillips Scholarships; a gift from an anonymous donor in honor of Marilyn Carr; from Elizabeth Sarah Gere in Memory of Gold Award Girl Scout Rachel Deitch; and Shenandoah Region scholarships supported through an endowment from lifetime Girl Scouts Eva L. Woolridge and Lynne Seibert-Stephoe.

# Help Us Support the **Higher Awards** by Making a Donation to **SHARE**

Please consider making a donation to our annual family campaign, SHARE, that supports the Highest Awards by using the QR code below. When making your gift, you can also recognize your daughter's Troop Leader, who has worked tirelessly to support your daughter's goals of reaching the higher awards.

Every year, the Council and Troop Leaders recognize girls who have earned the highest awards: The Gold Award, Silver Trefoil Award,

Silver Award, and Bronze Award. All of these awards give Girl Scouts the chance to do big things while working on an issue that they are passionate about. As you know, to earn one of these awards takes time and determination from your daughter, her Troop Leader, and yourself. We are so proud to recognize 705 Silver Awards, 187 Silver Trefoil Awards, and 201 Gold Awards. It is also a pleasure to share that within the last year over 1,000 Bronze Award pins have been purchased by Troop Leaders to recognize their Girl Scouts who earned their Bronze.

*Help us support everything that **SHARE** supports and, in particular, building the pipeline for girls to earn their higher awards.*
