From the Desk of Girl Scouts Nation's Capital CEO

Dear Girl Scout Family,

This summer has been a very challenging experience, not only for our Girl Scouts Nation's Capital community but also worldwide during this the global pandemic. We quickly pivoted to ensure the safety of all our Girl Scouts and volunteers. We suspended all in-person Girl Scout gatherings until August 15th and cancelled all summer sleep-away, day, and evening camps.

However, Girl Scouting did not stop – we went virtual! In partnership with our volunteers, we offered virtual troop meetings --- Girl Scout staff served over 40,000 girls in March and April alone.

On our website, we created page “Girl Scouts at Home” which contains resources so girls can explore a wide-range of topics on their own or with family. We hosted virtual conversations with Girl Scout mentors and even pitched indoor tents for virtual campouts. We held our first-ever virtual Annual Meeting with live stream and celebrated our Gold Award and Silver Trefoil Girl Scouts through a virtual In Your Honor.

As we begin a new Girl Scout year, we are carefully monitoring the re-entry and re-opening of our schools and communities. We remain committed to delivering Girl Scouting both virtually and in-person this fall. To keep in-person Girl Scout gatherings safe for everyone, we now have COVID-19 safety guidelines – see page 5 for details.

This Insider Magazine features many program opportunities just for Girl Scouts. The world of Girl Scouting will continue as we help girls to discover, connect, and take action to make the world a better place. We are stronger together and we are grateful for your continued commitment to all the girls and families we serve.

Thank you for being our Girl Scout family.

Lidia Soto-Harmon
Chief Executive Officer
Girl Scouts Nation's Capital

Tell us your Girl Scout Story!

Girl Scouts do amazing things every day. They might start a self confidence-boosting movement, help protect the environment, and make their communities better in more ways than we can count. Girl Scouts are changing the world in amazing ways!

It's time to brag about your Gold Award Girl Scout

We know that you are proud of your Gold Award Girl Scout's achievement.

Now it's time to use your social media to share her powerful story.

#GirlsTheWorldNeeds

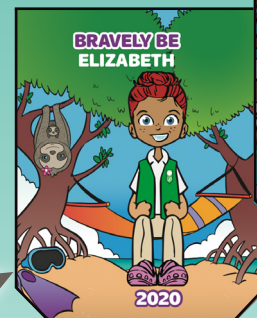

We're Making Improvements!

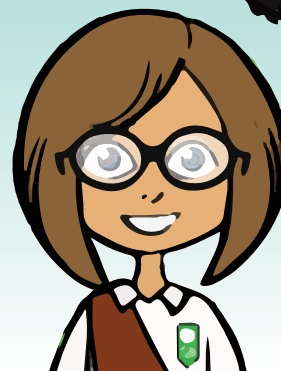

A new and improved Product Program is coming this fall. It's now even easier for troops to earn funds to support their fabulous activities and adventures in Girl Scouting.

What you'll see:

- Girls can create their very own virtual likeness, an avatar, to ask for support for your troop's activities
- Easier and more engaging for troops, girls, and supporters
- One system for all levels of volunteer managers
- Girls can earn this cool patch!

Watch for details on how to participate!

Girl Scout Nation's Capital In-person Gathering Safety Precautions

Members are required to follow all the guidelines below to attend any in-person Girl Scout gathering. If there are members unable or unwilling to meet these guidelines, we encourage you to participate in virtual Girl Scout opportunities.

Meet Health Requirements

All members attending a Girl Scout gathering must complete, sign and submit a Girl Scout COVID-19 pre-screen health form the day of the gathering to verify they meet the following health requirements.

1. **Symptom free:** fever, cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell, feeling feverish as well as acute gastrointestinal problems, such as nausea, diarrhea, and vomiting.
2. **No fever:** Have not had a fever over 100 degrees, without the use of fever reducing medications, within the last 72 hours.
3. **Decreased risk of exposure within last 14 days:**
4. Have not had a **known exposure to COVID-19** or been in close contact with anyone that has tested positive
5. **Have not traveled away from home** or outside Greater Washington Region

Wear Face Covering

Everyone attending a Girl Scout in-person gatherings is required to provide and wear a facemask or cloth face covering that covers nose, mouth, and chin. This includes parents dropping off and picking up girls from a gathering.

Wash Hands

All members are expected to wash hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing your nose, coughing, or sneezing. If soap and water are not available, use hand sanitizer with at least 60% alcohol.

Use Social Distancing

All members are expected to social distance at in-person Girl Scout gatherings. Stay at least 6 feet (about two arms' length) from other people and stay out of crowded places and avoid mass gatherings.

Transportation

Families providing transportation to/from in-person gatherings provides the least risk. Carpooling may occur based on the comfort level of the troop/group. If carpooling, recommend:

- limiting driver and three passengers (4 people) to a vehicle
- disinfect vehicle's high touch areas before and after each trip
- driver and passengers wear masks for the entire trip
- windows are open to provide ventilation

Financial Assistance Available

The safety guidelines create new costs for masks, gloves, disinfecting supplies and the possibility of increased food and program materials costs. These purchases are all appropriate troop expenses and may be purchased with troop dues received as financial assistance from the Council.

Council Events

Local Programs

Did you know that the Girl Scouts Nation's Capital is the largest council in the country?

Our new Local Programming initiative is just getting started—it's designed to bring events to a wider range of geographical areas within the Council. Keep an eye on the Local Programs tab on www.gscnc.org/councilactivities.

If you're interested in collaborating on bringing events to your Association or Service Unit, contact pdorfman@gscnc.org.

Congressional Aide

Interested in the legislative process? Gain first-hand experience as a Congressional Aide during summer 2021. This is an exclusive opportunity available to current Girl Scout Seniors and Ambassadors in our Council. The program places girls in congressional offices, either on Capitol Hill or in a local district office, for a 40-hour, one week intensive session to learn about our nation's political process and see how advocacy works at the federal government level.

Girls must apply to the program and participate in a mandatory orientation. Congressional Aide 2021 will run mid-June to mid-August.

The completed application and all supporting documents are due by **March 1, 2021** through the online application.

Check www.gscnc.org/congressionalaide for a link to the online application in early January.

Booz Allen Hamilton's Make the Connection

Since 2006, thousands of local girls have benefited from Make the Connection, a partnership between Booz Allen Hamilton and Girl Scouts Nation's Capital. Make the Connection is an innovative mentorship program that pairs Booz Allen Hamilton employees with Girl Scout Juniors, Cadettes, Seniors and Ambassadors in a series of workshops where girls explore their skills, aptitudes and interests with some of the region's best and brightest corporate leaders. Previous topics have included STEM, career exploration and teamwork. Don't miss out on one of these GREAT programs! Visit gscnc.org/councilactivities for more info and event dates

Explore the Past!

Did you know that Girl Scouts Nation's Capital has two Archives & History Program Centers where our Girl Scout history is preserved and shared with our members?

Girl Scouts of all ages can register to learn about our Council's history through a Virtual Tour and Activity Booklet that will allow girls to explore our extensive collection that represents who we are and where we came from. See vintage uniforms, view some of our oldest badges and handbooks and try your hand at various early Girl Scout skills. All Girl Scouts will receive a patch for completing the program.

For registration and program details, please visit the Events Calendar on our website; www.gscnc.org.

Juniors – Plug into the Summer Cybersecurity Challenge!

Girl Scouts Nation's Capital and Hewlett Packard Enterprise (HPE) partnered to create an interactive, cybersecurity program with great activities and a fun online game! For a short time, Girl Scout Juniors can earn all three badges, the HPE patch, and a fun STEM prize all in 2-3 virtual troop meetings!

Use the PowerPoint presentations with included script to help your Girl Scout Juniors earn "Cybersecurity 1: Basics", "Cybersecurity 2: Safeguards" and "Cybersecurity 3: Investigator". After completing the virtual meetings, your girls can play the Cyber Squad game at home on their own to complete the requirements for earning the patch.

During the Cybersecurity Summer Challenge (June 15-September 30, 2020) every girl who completes the program can select a STEM-related gift to experiment with over the summer! Girls can select either polymer balls with experiments such as germinating a seed inside the balls OR UV sensitive sun print paper to experiment making designs using the power of the sun.

As an added bonus, we will include the 3 GSUSA Cybersecurity badges for FREE along with the HPE patch and the STEM gift for any troop that has six or more girls complete the program between June 15 - September 30!

To access all the information about the Junior Summer Cybersecurity Challenge, including the PowerPoint presentations and leader notes, visit: <https://rallyhood.com/14353/fundraisers/13500189>

New Partnership with Intel

more details coming soon!

Girl Scouts Nation's Capital is excited to announce that we are at the beginning of a new partnership with Intel Corporation to help girls explore STEM. Intel is one of the country's biggest technology companies, and we are lucky to have many of their employees based in our region. We are thrilled to begin working with knowledgeable experts and industry professionals to create events for girls, focusing on design thinking, creative problem solving, coding and our very first activities about Artificial Intelligence! Keep an eye out on the gscnc.org/councilactivities page for more information coming soon for events in the Fall and Spring

Cookie Programming

Are you an entrepreneur? Want to learn how to become one?

Participation in the Girl Scout Cookie Program positions girls for success in the business world. Through several programs, Daisies through Ambassadors can develop and strengthen the 5 cookie business skills: goal setting, decision making, money management, people skills, and business ethics. Be sure to check our Council Activities page (gscnc.org/councilactivities) for more information on the following:

Cookie Convention – a series of virtual workshops for Brownies through Ambassadors on topics related to branding, logistics, and entrepreneurship

Cookie University To-Go – for Service Units and Associations wishing to host their own cookie programming for Daisies through Juniors. In-person and virtual resources available.

Cookie Entrepreneur Family Engagement Pin – enables Daisies through Ambassadors with their families to learn to think like entrepreneurs as they participate in the Girl Scout Cookie Program.

Council Updates

Program Kits

Did you know that we offer materials that can be borrowed to support your Girl Scout experience?

Program Kits are fun, age-appropriate resources and are available for varied subjects such as STEM, Journeys, the environment, teamwork, and healthy living. Leaders can use them during troop meetings and as stations at larger events such as encampments. Each kit is designed to serve a troop of 10-16 girls but can be modified to accommodate larger groups.

Learn more about kits and request them here: www.gscnc.org/kits

New and Updated!

Check out our new Emergency Preparedness kit. This kit contains a variety of activities that will prepare your girls for common emergencies that happen at home and in the community.

The activities are designed to support the Emergency Preparedness patch program.

Our Council partnered with the Truth Initiative to create the interactive Earth Defender program which teaches girls about the hazards of tobacco by focusing on the impact it has on the environment. Request an Earth Defender kit which includes activity plans, special capes, journals, and patches.

Program Grants and Loans

Girl Scouts Nation's Capital believes that every Girl Scout should be given the opportunity to take part in her Troop's activities, regardless of her financial situation. All Girl Scouts and registered adults who are in need of financial support to participate in Girl Scout programs are eligible to apply for assistance. Completed applications are reviewed by program staff on a monthly basis. Applications are available online and must be submitted 6-8 weeks prior to payment due dates. This includes time for Council staff to follow up if clarification is needed, to review the application, and the turnaround time for funds to be processed and issued if an application is approved.

Program Grant and Loan applications can be found at www.gscnc.org/forms by searching "program grant application" or "program loan application." Requests should be submitted to programaa@gscnc.org.

Program Partners

Does your business support Girl Scout programming? Do you want to attract more Girl Scouts to your business? Maybe your troop visited a local business that provides badge workshops or Girl Scout discounts? These are all great examples of potential Program Partners.

Program Partners are local businesses in and around our Council that offer activities to enhance the Girl Scout experience. From skiing and tea parties to history adventures and science exploration, there are many exciting opportunities for girls throughout this region. If you are interested in becoming a Program Partner or want to recommend a business, please contact Zoe Dranove at zdranove@gscnc.org.

Information published in Girl Scout Insider and online does not constitute endorsement of an organization or group. While these vendors agree to follow Council and GSUSA guidelines, Girl Scout Nation's Capital has not inspected these vendors or their facilities.

These programs are hosted by our Program Partners and their safety as well as yours is our top priority. Please review the specific guidelines and policies about refunds and cancellations due to changes related to COVID-19

STEM

GIVE YOUR GIRL SCOUTS A STEM ADVENTURE!

Thanks to Washington Space Business Roundtable's sponsorship, 30 Girl Scout troops from the Nation's Capital region will search for a missing Hawaiian monk seal, identify bones of a ground sloth, and help save the Smoky Mountains from a mysterious plant.

Classroom Adventures are online experiences that take students on journeys to explore and discover real-world STEM challenges.

Designed for 3rd-5th graders.

Program requirements
Minimum of 4 students / max of 30-35 (ideal)
1 computer/tablet per student
1 facilitator with a computer/tablet
Strong internet connection
Space that allows for collaboration

The Gift of Trees

This program commemorates the gift of 3,020 cherry blossom trees from Mayor Yukio Ozaki of Tokyo to the city of Washington, D.C. in 1912 – the same year Juliette Gordon

Low founded the Girl Scout movement in Savannah, Georgia! The Gift of Trees Patch Program focuses on three key themes—international friendship, arts and culture, and the environment.

What *SHARE* Funds

SHARE touches every girl & volunteer in our Council.
Financial Assistance | Camps | Programs | Volunteer Support

Financial Assistance

Support a year of Girl Scouting for a girl at \$250. Financial Assistance covers membership and troop dues, girl supplies, camperships and program fees.

Camps

Help a girl attend sleep-away camp with transportation for \$450. Maintains our 8 outdoor camps, helps provide high adventure activities, and ensures every girl has the opportunity to enjoy the outdoors in a safe environment.

Programs

Help a girl travel on a Girl Scout destination by giving \$100. Support all levels of troop and camp programs; STEM, active living, and outdoors; as well as entrepreneurship and leadership training.

Volunteer Support

Help a volunteer receive training and resources for \$50. Supports all volunteer resources and provides free and reduced cost training. The majority of adult training is free.

100% of your donation to SHARE stays with our Council to support our **Girl Scouts and volunteers.**
