Reach High

As girls set up their online storefront, they will create their own virtual likeness known as "Me2." Their Me2 avatars will earn virtual rewards that accumulate in her Me2's room. There's even a troop photo of all of the other Me2's created by the other girls in the troop.

SHE CAN USE HER OWN VOICE FOR THE PERSONAL ASK!

Girl Scouts can speak directly to their supporters through the Digital Cookie selling channel! By recording their own elevator pitch, in their own voice, her Me2 virtual likeness will deliver the message to their customers via an email invite to her online storefront! Supporters want to know your goals so they can help you reach them!

From the Desk of Girl Scouts Nation's Capital CEO

Dear Girl Scout Family,

Together we proved no hurdle was too big in 2020! We were prepared and resilient as the global pandemic did not impede our year-end success. Together we ensured the safety of our Girl Scouts and volunteers' by expanding our online engagement and provided 38,645 program experiences to advance the Girl Scout Movement!

As we begin a new Girl Scout year, we remain committed to delivering innovative, safe, and educational programming through in-person and virtual experiences. Our focus will remain on "The Girl Scout Leadership Experience," exploring opportunities that encourage an interest in science, technology, engineering, math (STEM) education, life skills, the outdoors and entrepreneurship.

As you navigate through this Insider Magazine, you will find programs that explore the Girl Scout Leadership Experience. These programs will prepare and inspire the next generation of Girl Scouts in a safe environment for a lifetime of leadership, adventure, and success. Together we will make our mark in 2021 as we build girls of courage, confidence, and character who are resilient and make the world a better place. We thank you for your continued support; Girl Scouting would not be possible without you.

Yours in Girl Scouting,

COVID-19 GUIDE TO GIRL SCOUT GATHERINGS

Girl Scouts Nation's Capital strives for all Girl Scouts, volunteers, and families to feel included and safe throughout their Girl Scout experience.

Centers for Disease Control identifies three primary contributors to transmission of COVID-19 – **contact with others, confinement or limited air circulation and crowds** – more people, more risk. The Council's safety precautions minimize these risk factors for our girls, families, volunteers, and our communities. We encourage everyone to review the precautions, talk with your troop leader about the meeting or activity and weigh your family's health and life circumstances when making a choice to attend.

Adapted from How to Navigate Your Community Reopening? Remember the Four C's, by Roni Caryn Rabin, June 6 2020, NY Times.

REQUIRED SAFETY PRECAUTIONS

All Girl Scouts and adults must follow all precautions below when attending an in-person Girl Scout gathering. There are many opportunities to participate in Girl Scouts virtually if your family is unable or unwilling to follow these precautions.

MEET HEALTH REQUIREMENTS

Everyone attending a Girl Scout gathering completes a Girl Scout COVID-19 pre-screen health form the day of a gathering. It verifies the following:

1. **Symptom free** of fever, cough, shortness of breath or difficulty breathing, chills, muscle pain, headache, sore throat, new loss of taste or smell, nausea, diarrhea, and vomiting
2. **No fever over 100 degrees within the last 48 hours** without the use of fever reducing medications.
3. **Decreased risk of exposure within last 14 days:**
 - o Have not had a known exposure to COVID-19 or been in close contact with anyone that has tested positive.
 - o Have not travelled the outside District of Columbia, Maryland, Virginia, or West Virginia state lines.

WEAR FACE COVERING

Everyone is required to provide and wear a face mask or cloth face covering that covers nose, mouth, and chin. This includes caregivers dropping off and picking up girls from a gathering.

WASH HANDS

Everyone is expected to wash hands often with soap and water. If not available, use hand sanitizer with at least 60% alcohol.

USE SOCIAL DISTANCING

Everyone is expected to social distance 6 feet from others.

Council Events

Local Programs

Our new Local Programming initiative is just getting started—it's designed to bring events to a wider range of geographical areas within the Council. Keep an eye on the Local Programs tab on www.gscnc.org/councilactivities. If you're interested in collaborating on bringing events to your Association or Service Unit, contact: programaa@gscnc.org

Congressional Aide

Interested in the legislative process? Gain first-hand experience as a Congressional Aide during summer 2021. This is an exclusive opportunity available to Girl Scouts in grades 11 and 12 in our Council. The program places girls in congressional offices, either on Capitol Hill or in a local district office, for a 40-hour, one week intensive session to learn about our nation's political process and see how advocacy works at the federal government level.

If you are interested in this unique experience on Capitol Hill, complete your Congressional Aide application online by Monday, March 1, 2021. Girls must participate in a mandatory orientation. Congressional Aide 2021 will run mid-June to mid-August

Check www.gscnc.org/congressionalaide for a link to the online application. Questions should be directed to zdranove@gscnc.org.

Explore the Past!

Did you know that Girl Scouts Nation's Capital has two Archives & History Program Centers where our Girl Scout history is preserved and shared with our members?

Girl Scouts of all ages can register to learn about our Council's history through a Virtual Tour and Activity Booklet that will allow girls to explore our extensive collection that represents who we are and where we came from. See vintage uniforms, view some of our oldest badges and handbooks and try your hand at various early Girl Scout skills. All Girl Scouts will receive a patch for completing the program.

For registration and program details, please visit the Events Calendar on our website.

World Thinking Day 2021

February 22 of each year, Girl Scouts and Girl Guides from 150 countries celebrate World Thinking Day by doing the same activities around a shared theme. This year's theme is Peacebuilding.

Girl Scouts Nation's Capital and The Cherry Blossom Festival are joining up to provide opportunities for girls to understand what peacebuilding means, explore the issues and actions that can lead to conflict and those that lead to peace, and empower themselves to be peacebuilders.

World Thinking Day can be celebrated at any time during the Girl Scout year, however, stay tuned for opportunities happening in February and March.

Visit our World Thinking Day webpage for up-to-date information. gscnc.org/councilactivities

Troop Edition

If you find yourself wondering where to earn the Jeweler Badge or want to know where to take your teen troop whitewater rafting, be sure to keep up with Troop Edition. Troop Edition is a weekly e-newsletter containing upcoming Council and Program Partner activities for troops and individuals. You'll also find details on upcoming Girl Scout days and volunteer opportunities.

Troop Edition is posted each Thursday to our website, and troop leaders and service unit managers receive Troop Edition via email.

If you want to get Troop Edition in your inbox, visit gscnc.org/councilactivities.

Non-lodge units will now be open for weekend Day Use during the winter season at most of our camp properties!

Girl Scout Camps are safe, outdoor locations where troops can get together for meetings and activities. Now, those meetings and activities can easily take place on Fridays and Saturdays!

- See the winter camping flyer at www.gscnc.org/campproperties for information about when each camp's winter season begins and ends.
- Only applies to camps that have non-lodge units open during the winter. See the winter camping flyer for more details.
- Currently, our lodges are only open for Day Use and therefore are open for Day Use on weekends. Once lodges reopen for overnight reservations, they will not be available for weekend Day Use at any time of year.
- As a reminder, Day Use reservations are free!
- A cookout/campout certified individual is needed if your troop wishes to have a campfire or do outdoor cooking.

For information about how to make a Day Use reservation, visit www.gscnc.org/campproperties.

Program Kits

Girl Scouts Nation's Capital offers materials that can be borrowed to support your Girl Scout experience.

Program Kits are fun, age-appropriate resources and are available for varied subjects such as STEM, Journeys, the environment, teamwork, and healthy living. Leaders can use them during troop meetings and as stations at larger events such as encampments. Each kit is designed to serve a troop of 10-16 girls but can be modified to accommodate larger groups.

Great for hybrid troops; complete some activities virtually and meet in person for the rest. Visit gscnc.org/kits for more information and to reserve a kit.

Program Grants and Loans

Girl Scouts Nation's Capital believes that every Girl Scout should be given the opportunity to take part in her Troop's activities, regardless of her financial situation. All Girl Scouts and registered adults who need financial support to participate in Girl Scout programs are eligible to apply for assistance. Completed applications are reviewed on a monthly basis. Please make sure to review Volunteer Essentials before submitting an application.

Applications are available online and must be submitted 6-8 weeks prior to payment due dates. This includes time for Council staff to follow up if clarification is needed, to review the application, and the turnaround time for funds to be processed and issued if an application is approved.

Program grant applications can be found on gscnc.org.

Girl Scouts Nation's Capital Patch Programs

Girl Scouts Nation's Capital offers several unique patch programs for our girls. The programs cover a wide range of topics and patches can be earned as an individual or as a troop. All patch programs can be downloaded from our website from the Kits and Patches page: www.gscnc.org/patches.

One such patch covers the Presidential Inauguration. The Inauguration of the president of the United States is a ceremony to mark the commencement of a new four-year term. This ceremony takes place for each new presidential term, even if the president is continuing in office for a second term. Learn more about the Inauguration and try your hand at designing the oval office.

The Inauguration patch program is a great supplement to the new Civics badges for each level. Find meeting plans and badge requirements in the Volunteer Toolkit or buy purchasing the badge booklet from the Girl Scout Shop.

SUMMER CAMP 2021

Recharge - Reimagine - Reconnect

We are pleased to announce that we are moving forward with our plans to operate three Sleep Away Camps Potomac Woods, Winona and May Flather for the summer of 2021. Coles Trip will be available for summer troop and service unit opportunities – details posted on our website by February 15, 2021.

A key benefit of being a Girl Scout is having access to our beautiful camps. Girl Scouts need the outdoors now more than ever. In a girl led, girl-friendly environment, girls challenge themselves and take healthy risks, surrounded by supportive friends and camp staff. When girls spend quality time outdoors and increase their exposure to nature, they thrive physically, emotionally and intellectually. And that's great news—because when Girl Scouts get outside:

- They discover that they can better solve problems and overcome challenges.
- They develop leadership skills, build social bonds, and are happier overall.
- They become team players and care more about protecting our environment.

Girl Scouts believes in getting girls outdoors. Our summer camps allow girls to unplug from their smartphones, laptops, TVs, and tablets, and get outside to enjoy nature. Girl Scouts Nation's Capital has both Sleep-away Camp and Volunteer-led Day and Evening Camp Programs for girls to enjoy. Learn more at www.gscnc.org/camp.

In the months ahead we will be closely monitoring CDC, state on local health guidelines for COVID-19 and as necessary adjusting our health and safety guidelines.

Sleep Away Camp- Registration opens January 12 and 14

Four camps host Sleep Away Camp programs, Camp May Flather, Camp Potomac Woods, and Camp Winona. Girls can choose from a two night overnight, one week, or two-week program, to best match their comfort level. Programs vary from STEM, Art, Rock Climbing, Kayaking and more! Staff design programs to meet girls where they are, help them develop new skills, and challenge themselves, all while having the best summer ever. Sleep Away Camp is for girls ages 5-17.

Volunteer-Led Day & Evening Camps- Registration opens February 10

Girl Scouts Nation's Capital has 21 Summer Day and Evening Camps in Maryland, Virginia, and West Virginia. Every camp is unique with its own theme and activities. All of our day and evening camps are 100% volunteer-run! Volunteer roles at day and evening camp include unit counselors who lead a group of girls through the week, program volunteers who teach activities, part-time volunteers, and more. If you volunteer at camp, you will help girls explore the world around them, challenge themselves, and build self-esteem, all while having a blast at camp. Program Partners

Does your business support Girl Scout programming? Do you want to attract more Girl Scouts to your business? Maybe your troop visited a local business that provides badge workshops or Girl Scout discounts? These are all great examples of potential Program Partners.

Program Partners are local businesses in and around our Council that offer activities to enhance the Girl Scout experience. From skiing and tea parties to history adventures and science exploration, there are many exciting opportunities for girls throughout this region. If you are interested in becoming a Program Partner or want to recommend a business, please contact Zoe Dranove at zdranove@gscnc.org.

Information published in Girl Scout Insider and online does not constitute endorsement of an organization or group. While these vendors agree to follow Council and GSUSA guidelines, Girl Scout Nation's Capital has not inspected these vendors or their facilities.

These programs are hosted by our Program Partners and their safety as well as yours is our top priority. Please review the specific guidelines and policies about refunds and cancellations due to changes related to COVID-19

would like to thank you for doing such a fine job facilitating the badge work for the girls. You did a superb job addressing all the requirements for badges. I was able to hear the meaningful discussions that will help them in the real world. I liked how you personalized your suggestions, feedback, articles. I know they all will be able to utilize the information in the near future. I think the time was used very wisely and every topic and question was current and relevant to the girls!
