

# GIRL SCOUTS NATION'S CAPITAL 2021 ANNUAL REPORT

"Scouting rises within you and  
inspires you to put forth your best."  
- Juliette Gordon Low

Dear Girl Scout Family,

Together, we "hit it out of the park" in 2021! Our Council remains the largest Girl Scout council in the country at **70,542** members strong. With your support, we retained more girls, increased our volunteer footprint, and delivered high-quality hybrid programming to ensure that girls continue to thrive in Girl Scouts.

Despite ongoing challenges presented during the pandemic, we retained **74%** of girls in troops. Efforts such as **15,000** wellness calls to our troops to offer support and ensure girls were being served made a big impact! Measures such as this demonstrate how we remain committed to our Girl Scout families. We especially acknowledge the contribution of our dedicated volunteers, **16,875** adults, whose hard work ensures that thousands of girls have access to our unique leadership program.

We enhanced our volunteer experience this year as we increased our technology by implementing a webinar format to help transition from virtual to in-person meetings. Survey results reveal that more than **94%** of our volunteers felt more confident in their abilities as Girl Scout leaders after completing gsLearn courses. These advances directly correspond with the **945** adults receiving recognition awards this year, exceeding our goal of **900**. Great job, volunteers: you truly are leading the way for our Girl Scouts!

We hit a home run this summer as we welcomed campers back to Camp Potomac Woods and Camp May Flather. Our staff worked diligently to provide a safe and exciting experience to **1,865** campers. Girl Scouts were overjoyed to get back to tie-dying, hiking, high adventure, friendship bracelets, and making new friends.

Our **201** Gold Award Girl Scouts, indeed demonstrated why they are "Girls the World Needs." The 2021 class of Gold Award Girl Scouts offered diverse and innovative Gold Award projects, from mental health publications to podcasts focusing on breaking down immigrants' barriers. We are so proud of the **705** Silver Awards and **187** Silver Trefoil Awards our Girl Scouts completed.

In 2022, we will continue our Girl Scout mission to build girls of courage, confidence, and character by creating more ways to engage and support our Girl Scout family. We thank you, our incredible volunteers, Girl Scout families, supporters, and staff for an awesome year. We know that in 2022 we will hit it out of the park again!

Truly Yours in Girl Scouting,

  
Barbara Krumsiek

# PROGRAM

Our troops gathered in-person throughout the year and the council complemented troop meetings and field trips with over **125** virtual program events on over **30** different topics for **1,500** girls. In addition, episodic volunteers have led **159** virtual events serving over **4,268** girls.

The Council celebrated Girl Scout's long history of civic engagement with **568** girls at four virtual events. The events focused on the new Girl Scout Civic badges, the Inauguration patch program, and a special panel discussion on democracy. In addition, **51** girls gathered to explore the history of the women's suffrage movement.

This summer marked the 47th year of our Congressional Aide program. We were able to place **23** girls in Congressional offices for one-week internships. We also held a two-day virtual event for teen girls in July 2021 that highlighted extraordinary women leaders in government affairs. This event provided an opportunity to learn about project management through the lens of a Girl Scout Take-Action project.

We also held four "Conversations of Consequence" throughout the year, engaging over **300** participants to bring awareness to social justice issues such as inclusion, diversity, mental health, and food insecurity. Girls expressed a range of emotions including compassion as they brainstormed ideas to solve these problems.

**Gold Award Girl Scout Humaira Hatif** created a virtual program to assist girls with identifying traffickers, taught girls self-defense tactics, and online safety.

# ENTREPRENEURSHIP

Girl Scouts around the council had a fantastic opportunity to dream, earn, and do this cookie season! Troops funded their girl-led experiences by earning proceeds from their cookie sale. Throughout the season, innovative selling techniques were used to ensure each Girl Scout cookie lover had an opportunity to support a girl in their community through online and in-person sales. Creativity soared as sales methods expanded from neighborhood drop boxes to food truck stands.

This year, **100** troops sold **4,459** packages of cookies with a new contactless delivery method by using Grubhub. We launched two campaigns designed to show appreciation -- "Mint to be Together" for our business community and "Samoa Love for Our Teachers" for schools as they reopened for in-person teaching. Girl Scout Cookies are a wonderful way to say thank you to employees, teachers, school staff, and it helped our girls meet their cookie goals.

When girls dream and earn sometimes, they do for others. Cookies for COVID created an opportunity for troops to use their cookie earnings to purchase food and replenish the shelves of local food banks.

Together our preparation, persistency, and creativity led to **3 million** boxes of Girl Scout cookies sold, taking the largest girl-led entrepreneurial program in the world to new heights in our new reality.

# OUTDOORS

Girl Scouts love the outdoors! Our eight camp locations offered **41,385** girls and adults, opportunities to challenge themselves and take healthy risks, surrounded by supportive friends and volunteers. And that's not all! With **620** high adventure-trained adults this year, our girls have a significant increase in access to high adventure programming. Indeed, troops had the chance to unplug from their smartphones, laptops, and TVs and connect in-person with nature, friends, and high-adventure programming.

Girl Scouts Nation's Capital welcomed **1,865** sleep-away campers and **3,240** day and evening campers at **18** camps this summer. Staff at three sleep-away camps and volunteers at day and evening camps joyously awaited campers, ready to safely deliver high-quality and fun programming. Each Girl Scout had a transformative experience as outdoor exploration promotes healthy social and emotional development. Together we ensured every girl had the opportunity to explore the outdoors!

# VOLUNTEER

Girl Scouts Nation's Capital is committed to training and supporting our dedicated volunteers to deliver high-quality leadership development programs. This year, our retention of volunteers is at a record high with **92%** of our first-year troop leaders returning to serve another year. Troop leaders along with an entire volunteer troop committee make Girl Scouting possible and with the mentorship of experienced volunteers our girls are unstoppable.

The gsLearn learning management system streamlines both training and resources for Girl Scout volunteers. Over volunteers participated in **18,300** online learning opportunities offered on gsLearn. More than **94%** of our volunteers felt more confident in their abilities as Girl Scout leaders after taking online training. In addition, **3,805** volunteers attended in-person training focused on outdoor and high adventure skill building.

Rallyhood, our Girl Scout virtual community, continues to be an effective tool with over logged **3.2 million** encounters on the platform.

And volunteers earn awards, too. Each year girls, families and fellow volunteers nominate volunteers for a GSUSA or Nation's Capital adult recognition. This past year **945** volunteers were formally recognized for their contributions.

Together we are building a better world for all girls.

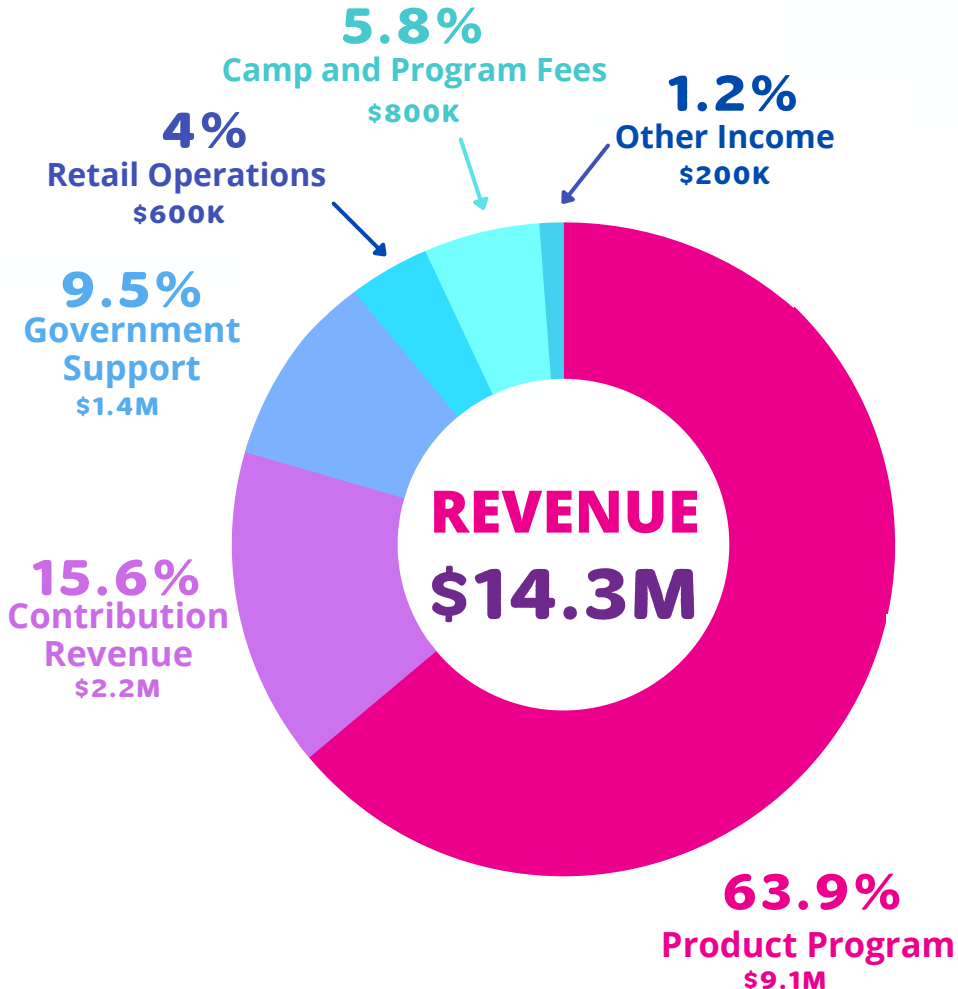

THANK  
YOU
