*Featuring the Gold Award Class of 2023*

# 2023

# From The Desk Of The Acting CEO

Dear Girl Scout Family,

Welcome to the 2023 In Your Honor Yearbook! We are thrilled to extend our warmest congratulations to all the Girl Scouts in our Council who have earned their Gold Award, Silver Trefoil Award, and Silver Award!

The Gold Award is the highest award in Girl Scouting and is a testament to your hard work, passion, and dedication to making the world a better place. This year we are honoring **164** Girl Scouts from **25** counties in Maryland, Virginia, West Virginia, and the District of Columbia who earned their Gold Award. Congratulations Gold Award Girl Scouts!

We're equally proud to recognize **163** Girl Scouts who earned their Silver Trefoil Award, an award unique to Girl Scouts Nation's Capital. These recipients have completed more than **100** hours of service in three categories: Girl Scout community hours, national service hours, and global service hours. If we multiply the number of girls by the **100** hours of service, it means our communities have benefited from **16,400** hours of volunteer work. Well done, Silver Trefoil Girl Scouts!

Lastly, I would like to recognize and celebrate the **628** Girl Scouts, each investing over **50** hours to earn the Girl Scout Silver Award. Much like the Gold Award, it's a rewarding process that helps improve the world. As these Girl Scouts complete their journeys and take on projects in their community they care about, they are also preparing to achieve their Gold Award. Congratulations Silver Award Girl Scouts!

I am incredibly humbled by all the hard work you've put into earning your higher award achievement! I'd like to also take a moment to express my sincere appreciation to all the troop leaders, advisors, mentors, and parents who worked alongside their Girl Scouts and helped make their achievement a reality. Your mentorship and dedication to our mission continues to help build girls of courage, confidence, and character. Making every Girl Scout featured in this yearbook a ***Girl the World Needs!***

Yours in Girl Scouting,

## Official Gold Award Status

WHEREAS, since 1916, Girl Scouts have accepted the challenge of earning the Movement's highest award, thereby demonstrating a commitment to bettering themselves, their communities, and the world; and

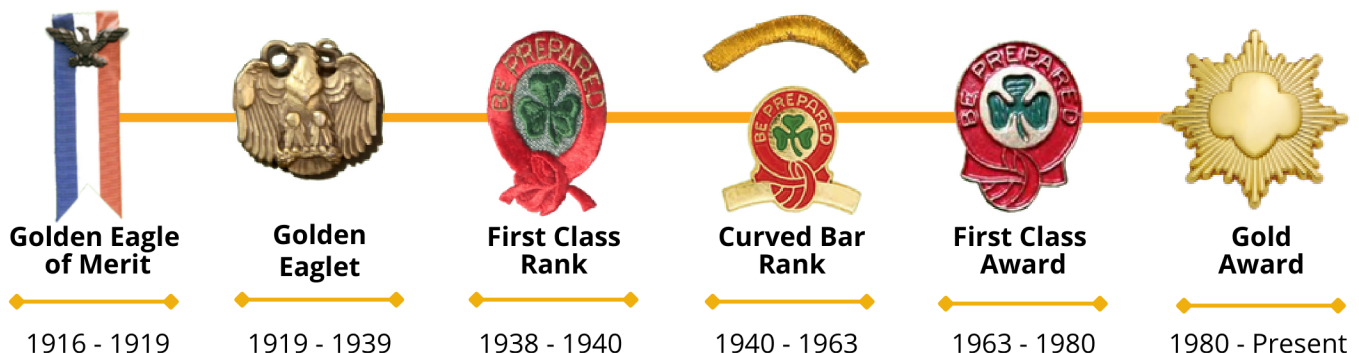

WHEREAS, this highest award has had different names over the years, including the Golden Eaglet (1916–39), the Curved Bar (1940–63), First Class (1938–40, 1963–80), and, since 1980, the Girl Scout Gold Award; and

WHEREAS, those who have earned it have shown the same outstanding leadership skills, determination, and resilience that have made

Girl Scouts' highest award a unique rite of passage for young women across the Movement; THEREFORE, Girl Scouts of the USA proclaimed that all who have earned the highest award in Girl Scouts can, beginning January 15, 2019, and henceforth are recognized as Gold Award Girl Scouts, united by their similarities and their ideals, with all rights and privileges therein.

## Through the Years

Throughout the history of the Girl Scouts Movement, the highest honor of a Girl Scout can receive has had numerous requirements and titles. Although the awards changed, the girls who have earned them throughout history made lasting impressions on their local and global communities.

The Gold Award is Girl Scouting's highest honor. This prestigious award is earned by a select group of Girl Scouts who have demonstrated a high commitment to improving their communities and advocating lasting change. From March 2022 to March 2023, **164** Girl Scouts from **25** counties in Maryland, Virginia, West Virginia, and the District of Columbia earned their Gold Award.

The road to the Gold Award begins with discovery. Each Girl Scout uses their own values and skills to identify a community issue they are passionate about and then determines the topic and audience for their project. Before proceeding, each Girl Scout submits a project proposal to the Gold Award Panel. The Panel welcomes all projects for which there is a demonstrated need. The

Panel works with Girl Scouts to support the development of their projects and acts as mentors along the way.

While working on their project, each Girl Scout dedicates themselves to advancing their cause and accomplishing their goals. All of the projects completed this year will have a lasting and positive impact on our region and beyond. From protecting the environment to teaching financial literacy, these Girl Scouts have exhibited outstanding leadership, exceptional organizational skills, and a sincere commitment to improving their communities. The following pages feature this year's Gold Award Girl Scouts and descriptions of their projects. By necessity, the descriptions are brief and may not fully describe the scope of the project.

***Congratulations to all of our Gold Award Girl Scouts!***

## Ethel G. Lowery President's Award

The President's Award in Honor of Ethel G. Harvey is the only Girl Scouts Nation's Capital honorary award for girls. It is named in honor of Ethel Harvey, Girl Scouts Nation's Capital President from 1972-1978. The award is unique in that selection is made by girls who choose from among nominees the Girl Scout they feel best exemplifies the criteria.

***Congratulations to the 2023 Ethel G. Lowery President's Award Recipient Natalie Korzuch!***

## GOLD AWARD SCHOLARSHIP OPPORTUNITIES 2023

Many colleges and universities offer scholarships to Girl Scouts who have earned the Gold Award, because they recognize the leadership skills required to earn this award.

Our Council offers Gold Award scholarships to graduating high school seniors valued \$1,000 each to attend the college of her choice. The Gold Award Scholarship Panel is comprised of members of the business community with a commitment to Girl Scouting. The Panel reviewed written applications and identified semifinalists to be interviewed at the Council office. Based on the interviews, committee members selected the scholarship recipients. Our Council also offers a Young Woman of Distinction award to a Gold Award recipient, valued \$2,000.

The Council's scholarships for Gold Award recipients are funded through generous gifts from Sara Phillips, a lifetime Girl Scout volunteer, in support of the Sarah and Lawrence Phillips Scholarships; a gift from an anonymous donor in honor of Marilyn Carr; from Elizabeth Sarah Gere in Memory of Gold Award Girl Scout Rachel Deitch; and Shenandoah Region scholarships supported through an endowment from lifetime Girl Scouts Eva L. Woolridge and Lynne Seibert-Steptoe.

The Silver Trefoil Award is unique to Girl Scouts Nation's Capital. This award originated in the 1970s as the Little Flower Award in memory of Senior Girl Scout Linda Curtis. Today, the award honors Girl Scout Seniors and Ambassadors who make the world a better place through service in three communities: Girl Scout Community, National, and Global.
