Girl Scout
ADVENTURE
awaits you in '22!

What is your next adventure?

Do you want to sleep under the stars, write a book of short stories, or plant a garden? Or maybe invent something new, paint a masterpiece, or learn about endangered wildlife. Find your next adventure at [Girl Scout badges](#) today!

Inspire By The Campfire

Looking for a summer job that will be fun and adventurous and will help you develop the skills future employers are looking for? Join our camping team! Check out our available positions at www.gscnc.org/workatcamp.

MESSAGE FROM THE CEO. ADVENTURE IS HERE!

Dear Girl Scout Family,

Adventure is happening! Girl Scouts across the Council are sharing their stories of exploration, in-person meetings, and take-action projects. I have heard such excitement for the year ahead and the adventures our girls are already planning.

If you have not done so, **RENEW NOW** for the 2022 Girl Scout year. Spring Renewal ends June 30, 2021. Just click here for [Renewal](#). Adventures await....

On May 6, 2021, Girl Scouts participated in the launch of the Becoming Me series inspired by former First Lady Michelle Obama's "Becoming" book. This program gives Girl Scouts the opportunity to earn up to three badges in their level. See program details at [Becoming Me](#).

The families of our 201 Gold Award Girl Scouts and 187 Girl Scouts who earned the Silver Trefoil Award tuned in to our live [In Your Honor](#) virtual celebration on May 8, 2021. In addition, we celebrated our 705 Girl Scout Cadettes, each investing over 50 hours to earn the Girl Scout Silver Award. We were also thrilled that 17 Gold Award Girl Scouts received scholarships towards their college expenses; [here](#) is the video of these inspiring young women. We are delighted that we are now in our third year of our *Girls the World Needs* campaign; watch our latest Public Service Announcement [here](#)!

Upcoming events for your Girl Scout include:

[Endangered Species Day](#) – Girl Scouts Nation's Capital and National Oceanic and Atmospheric Administration (NOAA) partnered to develop the [Endangered Species Patch Program](#) to understand the biodiversity of our environment to create positive change. Sign up for the fifth webinar to complete step four of the patch program.

[Wellness: The Emotional Dimension \(Science of Happiness badge\)](#) – Girl Scout Cadettes register now to participate in this session with Dr. Anjali Gupta, psychiatrist, and Adjunct Faculty at Georgetown University, who will guide us in reflection and inspire gratitude and meaningfulness for healthy living.

[Earn the Fair Play Badge](#): Diversity, Equity, and Inclusion (DEI) is a necessity. Girl Scout Brownies, join us as we partner with the nursing students at Georgetown University to explore DEI in sports. Be ready to explore the mental and physical demands of Olympic-level athletes.

Wishing you and your family a happy Spring. Thank you for everything you do to make Girl Scouting happen for the girl in your life.

Adventure is always best experienced together, thank you for RENEWing for the 2022 Girl Scout year.

Yours in Girl Scouting,

Lidia Soto-Harmon
Chief Executive Officer
