

Earth Day Scavenger Hunt

- Find 3 types of flowers and record their locations or draw a picture of them
- Find 3 (or more!) types of leaves and make rubbings with a crayon
- Find a bird and try to identify it
- Identify an indication of wildlife
- Find something in nature that smells good
- Find something in nature that's color matches something you are wearing
- See if you can identify 2 different types of clouds. Or find shapes in them!
- Find one way you can reduce your carbon footprint at home
- Find one thing in your home that can be recycled or repurposed
