Two teen girls are also elected for a one-year term on the Board of Directors each year. Three Nominating Committee members are elected each year in rotation out of a total of nine, except where nominees are elected to fill an unexpired term.

All nominees were chosen for their willingness to commit themselves to the goals of Girl Scouting and bring their skills to the organization. Their background and experience, together with the ongoing members of the Board and Nominating Committee, will provide leadership for our future. A brief biographical profile of each nominee follows. Ongoing Board and Nominating Committee members are listed on subsequent pages for your information.
