Our annual family giving campaign, SHARE Your Love of Girl Scouting, raises funds for 1) financial assistance 2) maintaining and upgrading our eight camps, 3) providing girl programs, and 4) adult training. SHARE touches every Girl Scout and Volunteer in our Council. Thanks to SHARE, Girl Scouts Nation’s Capital is committed to ensuring all girls, regardless of financial means, can fully participate in Girl Scouts.

- A complete calendar of events
- Tips and scripts for making SHARE asks
- Detailed descriptions of processes
- Answers to Frequently Asked Questions

In addition to this handbook, the SHARE Volunteer Rally (see screenshot to the right) is a vital resource to help you be successful. The SHARE Rally is where you can find digital copies of all SHARE documents. You can also post to communicate ideas and connect with your fellow SHARE volunteers across the council. Join at rallyhood.com/share-volunteers.

Finally, rely on the expertise and experience of your fellow Girl Scout volunteers. Each SHARE volunteer is supported by both supervising volunteers and the Development Department.

On the last page of this handbook, fill in the information for your personal volunteer support team. There you will also find contact information for key staff members.

Everyone on the SHARE team is committed to your success!
What SHARE Funds

SHARE touches every girl & volunteer in our Council.

100% of your donation to SHARE stays with our Council to support our Girl Scouts and volunteers.

Find out more about how you can support all these programs at www.gscnc.org/donate
Chapter 1: SHARE Dates & Benchmarks

There are many opportunities throughout the SHARE year to plan your fundraising around. See below for important dates & benchmarks. We don't recommend making an ask for every event. Schedule which event/celebration you will build your asks around and how much you plan to raise for each event/celebration to reach the suggested campaign benchmarks. Every Service Unit is different and will plan on reaching their goals in different ways.

Regular SHARE check-ins with your Association, Council SHARE meetings throughout the year. Please check the SHARE rally for more important dates
SHARE Your Love of Girl Scouting is Girl Scouts Nation’s Capital’s annual family giving campaign that raises critical funding for our Council. This funding helps to maintain our eight outdoor camps, provide volunteer training, provide troop and camp programing, and provide financial assistance. 100% of your donation to SHARE stays with our Council to support our Girl Scouts and volunteers. SHARE donations are not donor-designated to a specific purpose so they may be used where they are needed most. Your $25 Girl Scout member registration fee goes to GSUSA.

**Individual Donations**

SHARE is an individual grassroots fundraising campaign that is run by adult volunteers with support from the Council's Development staff. The Council encourages at least 75% of SHARE dollars to be raised through individuals and families. Individual SHARE donations are credited to adults, not girls, therefore the full name and address of an adult must accompany the donation in order for the donor to receive a tax receipt letter. To assure a Troop, Service Unit, or Association also receives credit for the donation, please provide the Troop, Service Unit, Association number to ensure credit. Individual donations should be made by SHARE envelopes, online, or by phone. Gifts under $10 are not credited to an individual. Volunteers are not to use Girl Scout adult contact information for personal or professional gain.

**SHARE Activities and Events**

In addition to individual donations, we recommend that no more than 25% of funds be raised through activities and events. All SHARE fundraising events should be planned and run by adults. When planning events, adults should be aware that our Council has guidelines specific to fundraising partnerships with other organizations. External organizations should not participate in any SHARE fundraising events (i.e. other organizations having promotional exhibits or tables at SHARE events).

- **Cause Related Marketing** – The Council partners with organizations whose policies and operations are compatible with values of Girl Scouting on a Council-level. Proceeds from sales benefit SHARE, however, may not be credited towards troops, service units, or associations. These include Hersheypark, Nats games, etc.
- **Games of chance** – Games of chance planned and run by adults for SHARE are allowed. The event must solely be run and attended by adults only.
- **Restaurant nights, business partnerships, fundraising with other organizations, party demonstrations** – Events where a percentage of sales are received are not permitted as a way for Associations, Service Units, or Troops to raise SHARE funds. Adult members in their Girl Scout capacities may not solicit financial contributions for purposes other than Girl Scouting.

**How can girls be involved?**

Girls can tell their stories, write thank you notes, make thank you calls to donors, help make a poster about SHARE, but they may not directly solicit contributions. Fundraising asks must only be made by adult volunteers and/or staff.

SHARE is not a money-earning activity. Money-earning is conducted by girls through troops and includes specific guidelines and restrictions. For more information on money-earning guidelines, please refer to GSCNC’s Volunteer Essentials.

SHARE reports and resources (i.e. the SHARE handbook) can be located on the SHARE Volunteer Rally page. If you would like more information about SHARE in regards to making the ask or making a major gift, please contact our Development Coordinator at 202-274-3317.
Chapter 2: Making the Ask

The #1 reason someone doesn’t give is that they were never asked. You would be surprised to know how many people have never been asked to give, but are more than willing to contribute to our organization. Never assume that someone can’t or won’t give – offer everyone the opportunity to SHARE their love of Girl Scouting through making a contribution.

Making the SHARE Ask at a meeting or event is the best way to raise funds for SHARE.

It gives you the opportunity to connect directly with families, answer questions, and ensure families know how they can make their contribution.

What SHARE is & What It Funds

When presenting, assume not everyone has heard of SHARE or knows what it funds. Consider borrowing this language:

“SHARE Your Love of Girl Scouting is our annual family giving campaign which raises critical funding for our Council. This funding helps to maintain our eight outdoor camps, provides volunteer training, troop and camp programming, and financial assistance. Please join me by making a contribution to SHARE today. I ask you to consider making a contribution of $50 or more to ensure the legacy of Girl Scouts. You can make your contribution today by filling out your SHARE envelope, or go online to our website, www.gscnc.org/donate, or contributing through our Service Unit crowdfunding page [insert link].”

Here are some key facts to consider including in your ask:

- **100% of your donation to SHARE stays with our Council** to support your daughter and other Girl Scouts and Girl Scout volunteers.

- Through camp maintenance, program development, and volunteer support, **SHARE impacts the Girl Scout experience for every girl and adult member in our Council.**

- **The $25 Girl Scout registration fee goes straight to GSUSA**, to support program development and insurance costs for members. None of that money stays in our Council.

- **Close your presentation by asking families and friends to join you as a SHARE supporter.** Name a specific amount or give a range for families to consider.

- After you ask, **give everyone a few quiet minutes to reflect and make their contribution.**

- **Say thank you.** Thank Girl Scout friends and families for their time and consideration or making a gift to support SHARE.

“SHARE Your Love of Girl Scouting” – Tell Your Girl Scout Story

Telling a Girl Scout story demonstrates the true impact of Girl Scouting and of SHARE. Has your troop recently come back from an adventure at one of our camps? Did a travel grant help make it possible for your girls to see the world? Share why you love Girl Scouting and inspire others to support this great organization. **Have a Girl Scout share her favorite Girl Scout story or how SHARE helped them achieve their Girl Scout dreams.** Girls are the best spokeswomen! Involve them as much as possible. If they get excited about the power of SHARE, it is easier for you to ask for support from family and friends. **Remember: girls can tell their stories, but they cannot directly solicit contributions.**
SHARE “Have You Ever” Activity

Lead this activity at your Service Unit meeting or troop parent meeting to help connect volunteers and parents to all that SHARE supports.

At the end, ask everyone to donate.

Hello, thank you for allowing me a few minutes to remind you of what you already know – how important Girl Scouting is for each of our girls. Let’s take a minute to reflect on the impact Girl Scouting has on our girls, on us, and on others in our community...

Please [stand/raise your hand] if any of the following statements is true for you.

- I am a registered member of the Girl Scouts Nation’s Capital.
- I have a daughter, granddaughter or niece who is a registered member of the Girl Scouts Nation’s Capital.
- I have spent a night at Girl Scout camp and enjoyed the facilities and the outdoors.
- My daughter, girl or girls in my troop or Service Unit have attended Girl Scout camp.
- I know a girl who has been on a destination.
- I have received Council training for one or more roles as a Girl Scout volunteer.
- I know a girl or a troop who has received a program grant from council.
- I own a copy of the current or former Volunteer Essentials and use it as a resource.
- I have attended or my girl(s) have attended a Council-level program.
- My daughter or troop has earned a patch.
- I know a girl who has received financial assistance for camp, materials or program participation.
- I know a girl who has found her voice, stepped out of her comfort zone, made new friends and become a young leader because she is a Girl Scout.

If you have stood/raised your hand for any of the following statements, you’ve shown that you have felt the effects of SHARE. SHARE Your Love of Girl Scouting is the Girl Scouts’ Annual Family Giving Campaign which supports many aspects of Girl Scouting including programing for girls, volunteer training, financial assistance and more to ensure that your girl and every girl can find her voice, step out of her comfort zone, make new friends, and become a leader.

Girl Scouting touches all of us. Girl Scouting has made a difference in my life and in the life of ________________.

[share a girl story here or ask a girl or volunteer to share how SHARE has impacted their lives, please make sure you have permission to share other’s stories]. She, and every other girl in our Council, has benefited from SHARE.

When you make a donation to SHARE, you are ensuring that every girl can continue to be a Girl Scout. Through the Friendship Circle, you can make monthly, automatic recurring donations to provide steady funding for Girl Scout programs year round. Can you join me today by starting your monthly donation of $5 or $10 or more? A gift of any size makes a difference.

[make sure that when you making an ask you specify HOW they can donate. If you are in person, pass out physical SHARE envelopes to each individual, if you are making an ask virtually, inserting the link to the donation page or your SU crowdfunding page via a Zoom chat]
Sample Ask: Phone

*Calling families in your troop or other friends of Girl Scouting is a great way to ensure everyone knows about SHARE and has the opportunity to contribute. It’s also a great way to follow up after a meeting or event.*

First: **Prepare**

1. Obtain the names and contact information of potential contributors from troop leader or registrar.
2. Set a specific “ask” amount beforehand and rehearse your conversation (i.e. $50, $10 a month).
3. Have your SHARE volunteer handbook nearby to answer any questions.

Second: **Place the Call**

*If you get an answering machine,* leave your name and number so they can return the call. Say you will try again. Do not pitch to the answering machine.

*If someone else answers,* leave a message that you will try again.

> *Remember: spouses are also a part of the Girl Scout family! Feel free to educate them about SHARE and, if appropriate, ask them to discuss giving with their partner.*

*If your contact answers,*

1. Introduce yourself by name and volunteer position in Girl Scouts.
2. If they are a volunteer with Girl Scouts, thank them for their work.
3. Tell them that you volunteered to talk about SHARE, Girl Scouts Nation’s Capital’s Annual Family Giving Campaign to support girls in our Council. Ask them about their Girl Scout story and how the program has made a difference in their life.
4. Ask them if they are aware of SHARE and explain why you personally stay involved with Girl Scouts. Connect SHARE to why they love Girl Scouting,
5. Educate them about the benefits of girl programs funded by SHARE.
6. Then ask, “Would you consider making a SHARE contribution to support local girls in Girl Scouting?”
   - **Make sure to ask for a specific amount**
   - Ask them to consider a monthly gift. A monthly gift of $10 quickly turns into $120 which can provide First Aid Training for 2 volunteers

**If their answer is YES,**

- Most importantly, **thank them for pledging to make a gift to SHARE.**
- Direct them to give on our website – [www.gscnc.org/donate](http://www.gscnc.org/donate) – or by using the envelope they received in the mail.

**If the answer is NO,**

- Thank them for letting you talk to them about SHARE and ask them if you can call them back at a later date.
- Ask them if they know someone else that may be interested in supporting Girl Scouts.
Sample Ask: Phone

If the answer is MAYBE,

- **Listen** to what they have to say, without jumping in or getting defensive
- **Ask questions** to gather more information on their perspective. For example:
  - What activities have their Girl Scouts participated in the last year?
  - What camps have they visited?
  - What training has that adult gone through?

  *Listen for mentions of programs supported by SHARE.*

- **Provide helpful information** that addresses their concern.
  If they mention a program supported in part by SHARE, let them know that their contribution would help that program.
- **Check** to see if you’ve answered their question.
  If you don’t know the answer to a question, reach out to another volunteer or staff member for an answer, and then follow up with the answer by phone or email.
- **Ask again:** “That’s why it’s so important for you to make a contribution to SHARE today.”

Third: **Follow Up**

If their answer was YES,

1. Send an email thanking them for their pledge to support SHARE.
2. Provide them with the web address to give online (www.gscnc.org/donate) or offer to mail them a SHARE envelope.

  *Follow up in a few weeks to ensure that the contribution was made.*

If their answer was MAYBE,

1. Send an email thanking them for their interest in supporting SHARE.
2. Direct them to www.gscnc.org/donate to find out more about how they can get involved.
3. Follow up in a few weeks to answer any additional questions and see if that the contribution was made.

Fourth: **Keep Records of Your Outreach**

Keep record of who you have reached out to, if they’ve contributed, or if you should reach out again. Avoid soliciting families who have already donated this year. A great resource for Troop SHARE Leaders is the Troop Leader Contact List, found in this handbook.

If you’d like to check your records against the Development Department’s database, please call the Annual Giving Specialist at 202-534-3785.
Donation Letter to Service Unit Families

[Date]

Dear [Dedicated Volunteer/Girl Scout Parent]:

I’m writing to you as a friend of the Girl Scout Movement. I’m proud to be affiliated with an organization that builds girls with courage, confidence, and character, and I hope it continues for many years so I’ve volunteered to help with fundraising at the community level.

Our annual family giving campaign, SHARE, raises funds to support every Girl Scout and volunteer in this Council. Through this campaign, we provide high-quality leadership programs for all girls, maintain and upgrade our eight camps, train adult volunteers so they can be the best leaders possible, and provide critical financial aid. About one third of the girl members live at or below the poverty line. Some girls need the financial assistance to buy membership pins or a uniform vest; others request aid to go to summer camp or on destinations trips.

[Personalize this section, using 1-2 sentences based on your experience]

These are some of the reasons I personally support our Council with a SHARE contribution every year...I want every girl to have the chance to be part of Girl Scouts because I know the difference it has made in my life.

I hope you will consider making a gift this year. A contribution of $250 will support a year of Girl Scouting for a girl; $450 will help a girl attend sleep-away camp with transportation; $100 helps a girl travel on Girl Scout destination; and $50 helps a volunteer receive training and resources. Or become a member of our Friendship Circle by making a monthly contribution at the level you’re comfortable. Make your contribution using the enclosed envelope or go online to www.gscnc.org/donate. Whatever you are able to give, it will go directly to support our Girl Scouts and volunteers in this Council and will be greatly appreciated.

Yours in Girl Scouting,

Service Unit Encampment Follow Up Letter to Participants

[Date]

Dear [Dedicated Volunteer/Girl Scout Parent]:

It was a glorious weekend for camping at [Camp Name], and we are thrilled that you were able to join the Service Unit [XX-XX] Encampment. The girls will long remember the outdoor activities and games, toasty campfires, super SWAPs, silly skits, camp songs, yummy meals, and hot chocolate on cold mornings.

These wonderful encampments would not be possible without the support of the SHARE, Girl Scouts Nation’s Capital’s annual family giving campaign. Camp properties like [Camp Name] are maintained and upgraded using SHARE funds, and every service unit that holds an encampment is being subsidized by SHARE dollars so that the cost of using the facility is extraordinarily low. This enables us to offer an encampment weekend to all girls at a very reasonable cost.

If you had a wonderful time this weekend, please “pay it forward” to other troops by supporting this year’s SHARE campaign so we can all continue to have these wonderful experiences. You make your contribution either using the SHARE envelopes provided to your troop or by visiting www.gscnc.org/donate. Please be sure to list your troop number and our Service Unit [XX-XX] on your contribution form to help us reach our SHARE goal.

In addition, please send this email on to the parents in your troops who had daughters participating in the encampment so they can show their appreciation and see how their support for Girl Scouting provides unforgettable experiences.

Yours in Girl Scouting,

[Suzy SUSL

Donor Information: What We Need and Why We Need It

It is important that our donors feel like they are partners in our mission. In order to maintain a strong SHARE program, we must build relationships with each donor and we can do this by thanking and engaging our donors. But, we can only do this if we know each and every one of them – including name, address, and amount contributed. This is where we need your help!

For the sustainability of our SHARE program, it is best to collect one envelope per person/family as this information is the basis for communicating with our new partners. Please be mindful of this as you collect donations in the upcoming year. Do not send cash through the mail because we cannot track the donation(s) if it is lost.

Important Information for Us to Collect as Fundraisers:

Individual Gifts:

- Full name, address, and email is required for the donor to receive a tax receipt letter. We do not distribute tax receipt letters for gifts under $10.

- Email and phone number will allow us to connect with the donor so we can thank them for their gift and update them on the impact of their gift, events, and activities.

- Include Troop, Service Unit, and Association information for appropriate credits.

For more information on receiving proper credit for contributions, call the Development Coordinator at 202-274-3317
Chapter 3: SHARE Volunteer 101

Split gifts:
While we strongly encourage individual donations, we realize that not all gifts will come in this way (i.e.: group donations, event donations, etc.).

Crediting multiple troops or SUs in one donation:
- Write both troops/SUs on the SHARE envelope or in the gift memo (if online)
- If crediting one donation between more than two troops/SUs, please note the troops/SUs on the SHARE envelope or gift memo AND email the breakdown (amount and troop/SU) to share@gscnc.org. Please include the donation receipt if referencing an online donation or if a gift via SHARE envelope include donor name, date sent, and amount to ensure we are splitting the correct gift!
  - For example if you have a SHARE event and are making one donation of all the funds collected, email the breakdown like: Troop 12345 $45, Troop 5678 $100, Troop54321 $50 etc.
  - Make sure to write the SU or troop number as the donor name field
  - If a donor would like acknowledgement and tax receipt they should fill out their own SHARE envelope/give online so we capture all of their information!

Crediting multiple donors within one donation:
- We ask that folks make their own donation online or fill out their SHARE envelope to simplify this process
- Please email share@gscnc.org or call the Annual Giving Specialist at 202-534-3785 if you have any questions or assistance regarding this

Reporting:
SU crowdfunding pages tracks number of unique donors. All group gifts will show on the page as 1 donor. I.E. if 10 parents give cash at an event and the troop leader makes one donation online, the system will report this as 1 gift.

The SHARE report tracks number of gifts, not unique number of donors — so your crowdfunding page and the SHARE report will likely not match up due to monthly donors and donors who give multiple times — which is a awesome, we love our monthly donors!

Please do not send us girls names, we do not credit girls with donations. Please note we will not be able to have a record of someone’s donation or send them a tax receipt or thank you if we do not have their name, address, and email.

If your SU has specific recognitions connected to participation, please consider tracking this internally.

To simplify this process, consider utilizing your SU crowdfunding page to collect donations

For more information call the Development Coordinator at 202-274-3317
Suggestions for Success

**Get organized!**

- Check out your Service Unit crowdfunding page on a weekly basis to see new gifts. Use the updates function on your SU crowdfunding page to show your donors their dollars in action. See page INSERT PAGE NUMBERS for more info on crowdfunding.

- Map out your SHARE year and set benchmarks for yourself, (i.e. raise 50% of your goal by the end of December). Breaking down your goal and communicating this to your Service Unit creates a sense of urgency and makes a goal more manageable.

- Plan your outreach around these benchmarks. Get a list of upcoming troop and Service Unit events, such as holiday parties, Thinking Day, and Recognitions and/or Bridging. These are your best opportunities to talk to new families and raise money for SHARE.

- Reach out to your troop SHARE chairs on a monthly basis to update them on your progress. Remember to thank troops that have given. Update your Service Unit team with your progress.

- Check out the SHARE Volunteer Rally periodically for updated SHARE Reports and other forms, resources, and more.

- For events and other envelopes you distribute by hand, create stick-on labels for each envelope. Include the Association and Service Unit numbers. Place label on envelopes before handing out to troops to ensure donations are counted towards your goal.

**Have you asked?**

- Troop SHARE Chairs: talk to parents one-on-one. Find out what makes Girl Scouting important to their family.

- Service Unit SHARE Chairs: reach out to families in your Girl Scout community. Check out your crowdfunding page’s list of donors. Request a roster from your SU registrar to reach out to adults in your Service Unit about supporting SHARE.

- Partner with other SHARE Chairs to present information at Association & Service Unit events.

- If you choose to offer incentives, distribute this info to get everyone excited about earning Association, Service Unit, and individual giving incentives!

- Connect the idea of SHARE with the importance of “being a sister to every Girl Scout.” SHARE is a way to include ALL girls.
Suggestions for Success

**Personal Touches Make a Difference**

- Display SHARE at all events. If in person -SHARE boards are available at every Girl Scout office by request. Contact the Development Department if you would like to borrow a display. Or create your own!

- Update and display your Service Unit or Association’s SHARE Thermometer poster to celebrate your successes and keep your area on track to achieve their SHARE goal. SHARE Thermometers are available for print on the SHARE Rally page.

- Acknowledge troops that participate in SHARE. At Service Unit meetings give out small treats, balloons, or gifts. Mention troops in newsletters. Give out troop certificates to mark different levels of participation.

- Host a thank you event or girl thank-a-thon for those who contributed to SHARE.

- Experts say someone must be asked 5-7 times before they make a contribution. Don’t get discouraged if someone doesn’t give right away.

**Have GIRLS tell their own stories**

- Girls are the best spokeswomen! Involve them as much as possible. If they get excited about the power of SHARE, it is easier to ask for support from family and friends.

- Ask troops to make personal please videos on your SU crowdfunding page. Ask them to share their favorite memory or what Girl Scouting has meant to them.

- **REMEMBER:** Girls can write thank you notes, make thank you calls, help make a poster about SHARE, or speak at a meeting about their love of Girl Scouting, but at **no point should a girl specifically solicit a contribution from an adult.** Fundraising asks must only be made by adult volunteers.

When you contribute to Girl Scouts through your valuable time as a volunteer and/or through your generous donations, you may qualify for a Matching Gift or Volunteer Grant from your employer.

 Car Donations

Do you have an old or unwanted vehicle? You can donate it to Girl Scouts in support of SHARE & credit your troop.

 Planned Gifts

Join the Juliette Low Legacy Society with a gift of $10,000 or more in a way that has a lasting impact with a bequest, gift of stock, life insurance, or charitable trust.

 Troop Funds

If your troop has remaining funds at the end of the year and wants to give back to Girl Scouts, you can talk to them about donating the money to SHARE to provide Girl Scouting to more girls. Consider this for graduating and disbanding troops as well!

Please mail checks to: Girl Scouts Council of the Nation’s Capital, Department 0750, Washington, DC 20073-0750
Chapter 4: Ways to Give

Friendship Circle: Monthly Giving

The Friendship Circle is our monthly giving program. Friendship Circle members make a reoccurring monthly contribution direct from their credit or debit account, and **membership starts at $5 a month**. By giving monthly, you are a part of a group of dedicated donors who provide ongoing funding for Girl Scout programs year-round.

For the donor, monthly giving is **an easy way to give** – for many, it’s easier to budget $10 a month than $120 as a lump sum. And, because it’s automatic, it’s **more convenient** – rather than making one or two contributions a year, a donor can “set it and forget it.”

For you, the SHARE volunteer, **monthly giving can be the foundation for your Service Unit & Association achieving your goals**. Monthly giving are counted on the SHARE report as they come in.

**If you haven’t done so already, set the example for others and join the Friendship Circle today!**

**Monthly Giving Assessment**

Divide your Service Unit or Association goal into 12 (12 months), then by 5 ($5 a month)

- This is the maximum number of Friendship Circle donors you would need to hit goal

- Compare that to the number of troops in your area – how many families would need to contribute per troop? **Example: if your SHARE goal is $2,000, you need to raise $167/month. Recruit 34 people to give $5/month!**

**Encourage families in your community to join the Friendship Circle today!**

President’s Circle

Through our monthly giving, you can also be a member of the **President’s Circle** for $84 a month. When you give an $1,000 annual gift, you could be funding a year of Girl Scouting for 4 girls. You will be listed in our Annual Report and you and a guest will be invited to the President’s Circle Dinner hosted by the President of our Board. This dinner is a thank you event and allows you to reconnect with Girl Scouts. This next President’s Circle Dinner will be Friday, March 5, 2021.

**For more information on joining the Friendship Circle, call the Annual Giving Specialist at 202-534-3785**
Each Service Unit has a pre-made crowdfunding page at www.bit.ly/GCSHARE. The link must be in all caps to work. Service Unit SHARE Chairs will be the campaign owners of these pages. Your campaign will run for the entire SHARE year (August 1-July 31) and your goal is set as your annual SHARE goal. This tool give you more power to customize your page, push out communication to your SU, and track your donations by troop. This tool has so much potential but requires outreach and action!

Anyone interested in helping your SU raise funds for SHARE should take the gsLearn training, 204: How to use GiveCampus for your SHARE campaign

- The most cost effective ways to donate to our Council:
  1. Through your Service Unit crowdfunding
  2. Online through gscnc.org/donate
  3. Using a SHARE envelope
- Unfortunately, we are unable to take recurring gifts through crowdfunding. Please direct all monthly giving to gscnc.org/donate.
- We will upload all of your offline gifts, including any recurring gifts, on a weekly basis to your crowdfunding page so you can see an accurate display of how much you have raised.
- Check the ‘Donors’ tab on your page to see your Troop Leaderboard. When there are more than three donors from a Troop you will be able to click on the Troop to view the donor names.
- If a gift is crediting an incorrect troop, please have the donor reach out to the Annual Giving Specialist to update their gift.
- If a donor wishes to be an anonymous, please check the anonymous box on the giving form or email the Annual Giving Specialist.

Step by Step for SU Chairs

**Pre-step: Take the gsLearn training, 204: How to use GiveCampus for your SHARE Campaign**

---

**Step by step for SU SHARE Chairs**

**Step 1:** Create an individual profile at GiveCampus.com

**Step 2:** Email keaton@gscnc.org with the email you used to make your profile and your Service Unit number to become the campaign owner of the page. This will allow you to post updates on the page.

**Step 3:** Begin to make your video, customize your page (see below) and post updates on your page.

**Step 4:** Recruit your troop leaders or troop SHARE leaders and Service Unit leadership to make accounts on givecampus.com and advocate for your page.

**Step 5:** Recruit donors to set up challenges or matches.

**Step 6:** Ask your troop leaders to create personal plea videos of their troops, SHARE why you love Girl Scouting!

**Step 7:** Once personal plea videos are uploaded and matches and challenges are created, ask your troop leaders or troop SHARE leaders to send your crowdfunding page to their families using the sharing buttons.

**Step 8:** Continue to post updates on your page using the updates feature. Share how far you are from raising your goal, announce when there is a match or challenge, and share.

---

To customize your page, please email keaton@gscnc.org the following:

1) About section: This is on your main page and explains what this fundraiser is for and why it’s important to your Service Unit. There will already be default text in this section.

2) Sharing image: When donors and advocates share your page on social media, this is the default image they will use.

3) Video: Please see pages 23-24

**Updates:** please post updates on your page at least once a month informing your donors and advocates of how far you are from reaching your goal! Update ideas: thanking donors and troops who have given, when you have a match or challenge up, posting pictures girls in your SU and troop activities.

**Show donors their SHARE donations in action!**

---

**Please email keaton@gscnc.org when new troops are formed or disbanded. Kayla will update your troop leaderboard. Please request this information from your SU Registrar.**
Service Unit Crowdfunding
A new social way to engage with your Service Unit and raise critical funds for SHARE

Pre-step: Take the gsLearn training, 204: How to use GiveCampus for your SHARE

Step by step for troop leaders, troop SHARE leaders, and SU leadership team

Step 1: Create an individual profile at GiveCampus.com

Step 2: Go to bit.ly/GCSHARE. Search for your Service Unit and click the correct page.

Step 3: Consider your own gift. If you plan on donating $50, consider setting up that gift as a match or challenge to inspire and encourage others to give.

- **Matches**: match number of dollars or donors up to a specific amount, set a deadline to create a sense of urgency, restrict a match to just your troop or certain email addresses

- **Challenges**: inspire the feeling of stakes being raised by only donating your gift if your SU reaches a number of donors or dollars, set a deadline to create a sense of urgency

Step 4: Create a personal plea video. Share your Girl Scout story in a small video or highlight your troop! Once you upload your video, anyone can watch it via the donor tab

Step 5: Share your SU page with your troop families and friends via the sharing buttons under the video. Post directly to your facebook or twitter, or email or text your call to action. It is very important to use the sharing buttons and not to copy and paste the URL. Your outreach will be tracked on the advocates tab so we can celebrate your outreach.

Step 6: Announce when you have uploaded a video, or set up a challenge or match!

Step 7: Check the troop leaderboard on the donor tab to track your troop’s progress

Crowdfunding: 10 Tips for a Great Fundraising Video

The purpose of your fundraising video is to make a connection with your audience and compel them to support your campaign. The best way to do this is to feature a girl or girls in your Service Unit. Remember, you’re not up for an Oscar. You don’t need to invest significant resources. So long as you follow the tips below, you’ll be well on your way to a great video! When you are finished, email the completed video to Keaton@gscnc.org with your Service Unit number.

CONTENT TIPS:

Introduce yourself: Tell viewers who you are, how long you’ve been Girl Scouting, and wear your Girl Scout uniform!

Make it personal and tell a story: Tell the viewer why you’re passionate about SHARE, how you’ve benefited from being a Girl Scout and why they should be, too. Explain the goal of the campaign, why achieving that goal is worthy of their support, and how the money raised will advance Girl Scouting in your community.

Make an ask!: Girls cannot solicit donations. Have an adult make the ask or insert text. Ask the viewer to contribute to the campaign and to share it with friends. The crisper and clearer the call-to-action, the more impactful it will be.

Keep it snappy: People have short attention spans, so don’t lose potential supporters by dragging on. We recommend that videos last no more than 60 seconds. At the very least, be sure to deliver your ask in the first 30-45 seconds.

Let your excitement shine through: The more enthusiastic you are, the more excited viewers will be. Bring some energy!

TECHNICAL TIPS:

Hold your phone horizontally: If filming with your phone, hold it horizontally and not vertically.

Frame your shot: Film at eye-level or slightly above. No one looks good from a low angle.

Use good light: Natural light is best, so go outside if you can. A cloudy day is perfect for filming outside. If filming inside, light up the room as much as possible or film next to a sunny window. The more light, the less grainy your footage will be.

Audio is important: Choose a quiet location to film so that your voice will be heard, not distracting background noise.

Keep the camera steady: If possible, use a tripod. If using your phone and filming yourself, use both hands to grip it and keep your elbows close to your body for more stability.

Consider asking a troop to make the video or reach out to your Service Unit for photos and videos. Please make sure you always have permission to use photos and videos.

We also recommend involving troops by asking them to make personal plea videos, sharing them on the crowdfunding page.
Video Upload Tips and Guidelines

**File Types:** You can upload any common video file type on GiveCampus; mp4, mov, avi, mpeg, and mpg are all supported.

**File Size:** You can upload any video file that is smaller than 1GB. However, larger files will take longer to upload, convert, and display—and if your Internet connection is slow or intermittent, your upload may fail before it completes.

**Compression:** Compressing a video reduces its file size, resulting in a faster upload and smoother playback. We highly recommend compressing your video to ensure that it looks its absolute best. For specific recommendations on how to compress your video, check out these [Compression Guidelines](#) from the video experts at Vimeo. Following these guidelines will help ensure that your video uploads successfully and looks great on GiveCampus.

**Browser:** We support video uploads from all major browsers, but if you use one of the following browsers you will benefit from advanced technology designed to help prevent uploads from failing even if your Internet connection is slow or intermittent: Firefox version 5 or above, Chrome version 10 or above, and Safari version 6 or above.

**Aspect Ratio:** We do our best to accommodate different aspect ratios, but your video may not look or play properly if you upload a video with a particularly unusual aspect ratio (e.g., 17:234).

**Anamorphic Videos:** All videos uploaded to GiveCampus will be converted to square pixels.

*If you would like to change your video during your campaign, please email the video and the name of your campaign to keaton@gscnc.org*

Matching Gifts & Volunteer Grants

A great way to **maximize support of SHARE and help your Service Unit & Association hit goals** is by encouraging families to apply for Matching Gifts & Volunteer Grants. Many employers offer these programs to encourage a culture of philanthropy and volunteerism in their companies. An estimated **$6 billion in matching gifts go unclaimed every year**, with only 9% participation of employees at companies with these programs. Think of what the Girl Scouts and other nonprofits could do with all of that additional, unclaimed funding!

We partnered with Double the Donation to offer the ability to easily see if your company offers a Matching Gift or Volunteer Grant program.

At gscnc.org/donate, see the “Employee Matching Gift” tab, to search for your (or your spouse’s!) employer. Once you type in your company’s name, you’ll be able to see if your company offers a matching gift, and instructions on how to apply.

You’ll also be able to see if your company has a Volunteer Grant program. Volunteer grants reward volunteering for various nonprofits, like Girl Scouts, and can be donated to SHARE!

The search engine provides employees with links to the application process for their companies programs. Many of these applications are quick to fill out, making this **one of the easiest ways to raise money for SHARE**.

If you don’t see information about your company, contact your HR department to check if your company offers a Matching Gift or Volunteer Grant program.

**Example:** Bloomberg’s volunteer hour grants for SHARE

- **Offered?** Yes
- **Minimum Hours Required** 25 Hours
- **Corporate Donation**

Volunteer Grants Information

Through Bloomberg’s Dollars For Your Hours Program, the company provides grants to nonprofits where employees volunteer on a regular basis.

Bloomberg’s Volunteer Grants:

- After Bloomberg employees volunteer for 25 hours with an organization, Bloomberg provides a grant of $2,500 to the organization.
- Each Bloomberg associate can request up to two volunteer grants per year (total of $5,000 annually).

Bloomberg’s Volunteer Grant Submission Process:

- For the most up-to-date version of the form, employees / volunteers search Bloomberg’s intranet for “Dollars For Your Hours”.

Other examples for matching gifts and/or volunteer hour grants: Northrup Gurnman, Leidos, Home Depot, Boeing, Microsoft, and more!

For more information on Matching Gifts, Double the Donation & Volunteer Grants, call the Annual Giving Specialist at 202-534-3785
Car Donations

Do you have an old or unwanted vehicle? Another great way to support SHARE is through car donations. We raise approx. $10,000 a year in car donations. More information is available on our website at www.gscnc.org/donate. Car donations may be counted towards SHARE goals.

Troop Funds

Did you know at the end of the year, if a troop has remaining funds, they can donate their money to SHARE? By donating the remaining funds, the troop is providing more Girl Scouting to more girls in our Council. Donations may be made through your crowdfunding page or by filling out a SHARE envelope. Consider this for any graduations or disbanding troops as well.

Council Promotions

Girl Scouts Nation’s Capital partners with organizations whose policies and operations are compatible with values of Girl Scouting on a Council-level. Proceeds from sales benefit SHARE, however, may not be credited towards SHARE goals. Past partners include, Girl Scout Day at the Nationals, Hersheypark Day and more.

Please check the SHARE rally or website for the most up-to-date info on our Council sponsored events.

AmazonSmile

Support Girl Scouts while you shop! Make sure to designate the Girl Scout Council of the Nation’s Capital through AmazonSmile. Amazon will donate 0.5% of your purchase to our Council. AmazonSmile has the same products, same prices, and same service as the Amazon you know. Just make sure to start shopping through Amazon Smile in order to give to our Council today!

Giving Tuesday

Giving Tuesday is an international day of giving promoted online and through social media. It occurs every year the Tuesday after Thanksgiving. This is a great opportunity to build your Service Unit fundraising around!

Check out the SHARE rally to see how you can make the greatest impact!

FAQs

1. **Does a Small Gift Really Make a Difference?**
   Never underestimate the power of your gift. If every family in our council gave a small gift, it would have incredible impact. We’d like each family to consider a gift of $50 or more as an investment in Girl Scouting; however, any size gift is appreciated and makes a difference. Gifts of $50 or more will receive a car cling.

2. **Is My Confidentiality Protected?**
   Envelopes will be opened confidentially by Capital One Bank and Finance Department for processing. We do recognize donors of a certain level in our Annual Report. We upload all offline gifts onto your Service Unit’s crowdfunding page, and distribute the names of donors to our volunteers for outreach purposes, but donor specific giving history and amounts are never distributed to volunteers. If you wish to remain an anonymous donor, simply check the “anonymous” box.

3. **What if I Have Daughters in More Than One Troop?**
   Only one troop can be credited per donation. If your family participates in multiple troops, send in a separate donations for each troop number in order for the separate troops to be credited.

4. **Can I Designate My SHARE Gift to a Specific Program?**
   SHARE donations are not designated to a specific purpose; funds contributed to SHARE are used where they are needed most. If you are interested in making a major gift, which can be designated to a specific program, please call the Major Gifts Officer at 202-534-3796.

5. **What is the Impact of Giving Through United Way or CFC?**
   Many workplaces offer giving campaigns such as United Way or CFC. Giving through the United Way/CFC is a great way to show your support of our Girl Scouts and volunteers in our Council. Please see this handbook for more information in regards to giving through United Way or CFC.

6. **How are Friendship Circle Donations Credited?**
   Friendship Circle gifts are added to the SHARE report and Service Unit crowdfunding pages as they are received.

7. **How do I Participate in the President’s Circle Dinner?**
   All donors who contribute $1,000+ between last year’s dinner date and this year’s dinner will be invited, along with a guest, to the President’s Circle Dinner held March 6th, 2020 at the Renaissance Hotel in Washington, DC.

8. **Will Matching Gifts and/or Volunteer Grants Count Toward a Donor’s Total in Order to Be Invited to the President’s Circle Dinner?**
   No, the full $1,000 donation must come from the individual; however, Matching Gifts & Volunteer Grants can be attributed to a donors Association, Service Unit, or Troop and applied towards SHARE goals.

9. **Can Troops Receive Credit for Council Promotions Like Hersheypark or Nationals Ticket Purchases?**
   No, because of the way that tickets are purchased and funds are distributed, associations, service units, and troops cannot get credit.

10. **Can I Send Cash Donations Through the Mail?**
    Please do not send cash through the mail because we cannot track the donation(s) if it is lost. Other options include: depositing the contributions in your Girl Scout bank account and either sending us a check or making an online donation; or you may certainly hand carry them to our DC office.
11. I Notice there is a Troop Listed on my Crowdfunding Page That is Not in My SU. What Do I Do?

Email the Annual Giving Specialist to add or delete troops from your crowdfunding pages.

12. Can SHARE Funds Be Raised Through Business Partnerships, Such as Restaurant Nights?

No. Events where a percentage of sales are received are not permitted as a way for associations, service units, or troops to raise SHARE funds. Adult members in their Girl Scout capacities may not solicit financial contributions for purposes other than Girl Scouting. By doing an event such as a restaurant night, you are driving traffic to a business and thereby endorsing it using Girl Scouts’ name.

13. Can We Have a Raffle, Silent Auction, or Bingo Event to Raise Money for SHARE?

Games of chance planned and run by adults for SHARE are allowed. The event must solely be run and attended by adults only. For clarification on SHARE versus money-earning activities, please see Volunteer Essentials. No external organizations should participate. It is a GSUSA policy that Girl Scouts do not endorse products— that’s why you cannot sell branded items as a fundraising event.

14. I Donated a Vehicle, but the Amount It Sold For Is Not Completely Credited to My Troop/Service Unit/Association. Why?

When you donate your vehicle, the amount it sold for will appear in your tax receipt, and that amount is completely tax-deductible for you. The car donation program takes a cut of the proceeds to cover their fees, so Council does not receive the entire amount for which the car sold. This accounts for the discrepancy between the amount the donor is acknowledged for and what is reflected in the SHARE Report. If you have a specific question about your vehicle donation, please contact the Development Department.

15. How Do I Get My Girls Credit?

We never credit girls with gifts. Donations are from adults. Please see our split gift policy on page 15. We are happy to credit troops with donations. Please write your troop, Service Unit, and Association on your SHARE envelope.

Other Key Facts:

- **SHARE is not a money-earning activity. SHARE is a fundraising campaign that is run by adults; individual SHARE donations are only credited to adults, never girls.**
- Each SHARE envelope MUST be filled out completely in order to credit them correctly.
- Do not hold onto envelopes. As soon as you have a SHARE envelope in hand, please mail it.
- Do not turn envelopes into local bank locations. Local branch locations will NOT be able to process donations. All envelopes MUST be mailed directly to the address below.
- **No coins!** To help keep costs low for Council, avoid mailing coins. Coins add extra weight to the pre-paid envelopes which Council will have to pay for. Please convert coins to cash and then bring them to the office or deposit them into your troop account. Then, make a donation online.

Chapter 6: SHARE Team Structure

SHARE is important for funding so many different things at Girl Scouts Nation’s Capital. To better support the success of the SHARE Campaign, the SHARE Team Structure was created. This team supports SHARE volunteers at every level.

Utilize the SHARE knowledge around you, whether it’s joining the SHARE Rallyhood, grabbing coffee with the Association SHARE Chair, or calling your Annual Giving Specialist, SHARE resources and volunteers are here to support you.

The following pages include position checklists. All position Appointment Letters are available on the SHARE Rally.

All volunteers must have an active GS adult membership and SHARE volunteer role must be designated in myGS.

SHARE Training

Please take the SHARE training in gsLearn! If you are a designated SU SHARE Chair, the training will be assigned to you. You can find the training in the gsLearn content library by searching 204: Service Unit SHARE Training. Additional training on gsLearn includes: How to use GiveCampus for your SHARE Campaign. Please attend the annual SHARE Kickoff. If you were not able to attend, please watch the recording on the SHARE rally under Links.
