Sunrise PenPal Program

Sunrise Senior Living is introducing the PenPal Program to build meaningful relationships, connect with the outside community while practicing social distancing and provide opportunities to share positive messages, pictures and stories between Sunrise residents and local community Girl Scouts.

- Opportunity to receive wisdom and trinkets of knowledge from another generation
- Understanding the value of community service & engaging with your local community

**BENEFITS FOR SENIORS:**

**Elementary Student & Sunrise Resident’s PenPal Story**

One Sunrise resident had become very down due to the COVID-19 crisis, and found himself reluctant to get out of bed each day. After we introduced the PenPal program at their community and the resident received their first PenPal letter, they literally jumped out of bed to draft a response to their new elementary school friend! They’ve been sending letters to each other for months, and the resident’s change of spirit has inspired many other residents to participate as well.
