You're a Grand Old Flag

George M. Cohan

You're a grand, old flag, you're a high-flying flag,
And forever in peace may you wave.
You're the emblem of the land I love,
The home of the free and the brave.
Ev'ry heart beats true
Under red, white, and blue
Where there's never a boast or a brag.
Should old acquaintance be forgot
Keep your eye on the grand old flag.

Hello, Hello

E.O. Harbin

From Coast to Coast

(Repeat song)

From Coast to Coast
Girl Scouting is the most.
From East to West
Girl Scouting is the best.
(CHORUS – Na na na na...)
From here to there
Girl Scouting's everywhere.
From sea to sea
Girl Scouting is for me.
(CHORUS – Na na na na...)
From the moon to sun
Girl Scouting is more fun.
From the moon to sun
Girl Scouting's number one.
(CHORUS – Na na na na...)
From school to school
Girl Scouting's really cool.
From school to school
Girl Scouting's really cool.
(CHORUS – Na na na na...)
From flower to flower
Girl Scouting has the power
From blossom to blossom,
Girl Scouting 's really awesome.
(CHORUS – Na na na na...)

Girl Scouts Together

Gladys Cornwall Goff

"Girl Scouts Together," that is our song,
Winding the old trails, rocky and long,
Learning our motto, living our creed:
Girl Scouts Together in ev'ry good deed.

Girl Scouts Together, happy are we;
Friendly to neighbors far o'er the sea;
Faithful to country, loyal to home;
Known as true *Girl Scouts* wherever we roam.

G for Generosity

She wears a G for generosity,
She wears a I for interest too,
She wears a R for real live sportsmanship,
She wears a L for loyalty, for loyalty.
She wears a S for her sincerity,
She wears a C for courtesy,
She wears a O-U-T for outdoor life, for outdoor life,
And that Girl Scout is ME!

Brownie Smile Song Harriet F Heywood

I've got something in my pocket,
It belongs across my face,
And I keep it very close to me
In a most convenient place.
I'm sure you couldn't guess it
If you guess a long, long while,
So I'll take it out and put it on--
It's a great big Brownie smile!

Make New Friends

Make new friends, but keep the old;
One is silver and the other gold.

A circle is round. It has no end.
That's how long I want to be your friend.
***Sing each verse twice then sing in a round twice**

Buddies and Pals

- 1) You and me, we're going to be partners,
You and me, we're going to be pals.
You and me, we're going to be partners,
Buddies and pals.
- 2) **From now on, we're going to be partners,
From now on, we're going to be pals.
From now on, we're going to be partners,
Buddies and pals.**
- 3) Till the end, we're going to be partners,
Till the end, we're going to be pals.
Till the end, we're going to be partners,
Buddies and pals.
- 4) **You and me, we're going to be partners,
From now on, we're going to be pals.
Till the end, we're going to be partners,
Buddies and pals. Buddies and pals.**

Catch a Rainbow

Melody: Kaye Glass Harmony: Suzi Lenhart

Words: Sandra Lewis Pringle

If I could catch a rainbow I would
Do it just for you. And share with you
Its beauty on the days you're feeling blue.

If I could I'd build a mountain
You could call your very own,
A place to find serenity, a place to be alone.
If I could take your troubles,
I would toss them in the sea,
But all these things I'm finding are impossible for me,

For I cannot build a mountain or catch a rainbow fair.
But let me be what I know best,
A friend who's always there.

Friends

- 1) Friends are nothing till they camp together,
They must camp all day, they must camp the night
away,
They must camp together, they must camp.
- 2) **Friends are nothing till they work together,
They must work all day, they must work the night
away,
They must work together, they must work.**
- 3) Friends are nothing till they play together,
They must play all day, they must play the night away,
They must play together, they must play.
- 4) **Friends are nothing till they sing together,
They must sing all day, they must sing the night away,
They must sing together, they must sing.**
- 5) Friends are nothing till they part
With teardrops in their eyes.
They must go their separate ways,
They must hope to meet again someday.

I Love the Mountains

I love the mountains, I love the rolling hills,
I love the flowers, I love the daffodils.
I love the fireside, when all the lights are low

Boom-dee-a-da, Boom-dee-a-da,
Boom-dee-a-da, Boom-dee-a-da (repeat)
Boom (at the end)

***Sing once in unison, then in a three-part round, twice.**

I Am a Pizza

(repeat each line)

Word & Music Peter Alsop

I am a pizza
With extra cheese
From tomatoes
Sauce is squeezed
Onions and mushrooms
Oregano
I am a pizza
Ready to go.

I am a pizza
Pepperoni
No anchovies
Or phony boloney

I am a pizza
Order by phone
I am a pizza,
please take me home.

I am a pizza
Peppers on top
Out of the oven
Into the box

Into the car and
upside down
I am a pizza
dropped on the ground.

I was a pizza
I was the best
I was a pizza.....,
Now I'm a mess!

Moose Song

he liked to drink a lot of juice

2) The moose's name was Fred
he liked to drink his juice in bed
(Chorus)

3) He drank his juice with care
But he spilt some in his hair

But he's a moose full of juice
(Chorus)

Swinging Along

(Lower part)

Swinging along the open road,
Under a sky that's clear.
Swinging along the open road,
In the fall of the year
Swinging along, swinging along,
Swinging along the open road,
All in the fall of the year.

(Upper part)

Swinging along the open road,
Swinging along under a sky that's clear.
Swinging along the open road.

Swinging along, swinging along,
swinging along the open road,
All in the fall of the year.

Raggs

I got a dog and his name is Raggs.
He eats so much that his tummy sags. *(hands in front of tummy)*
His ears flip flop, and his tail wig wags. *(flop hands by ears and wag tail)*
And when he walks, he goes zig-zag. *(criss-cross arms in front of you)*
flip flop, wig wag, zig zag (2 x)

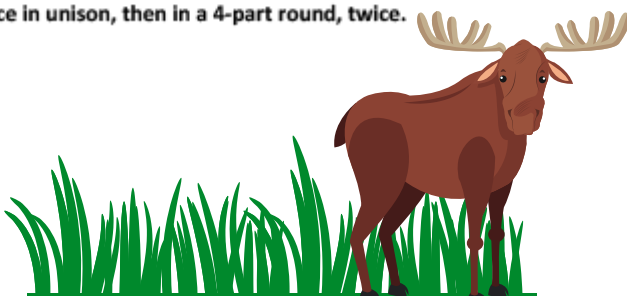

My little doggie loves to play.
He rolls and he rolls in the grass all day.
I whistle (whistle)- he doesn't obey.
In fact, he runs the other way.
flip flop, wig wag, zig zag (2 x)

He doesn't have any pedigree.
But I love him and he loves me.
His ears flip flop, and his tail wig wags.
And when he walks, he goes zig-zag.

we can sing out loud and clear.

Can we start the process here?

Yes, we can. YES! WE CAN!

Magic

Martha A. Moore

1) When I was young I thought the stars were made for wishing on,

And every hole deep in a tree must hide a leprechaun;

Old houses all had secret rooms if one could find the door,

But who believes in magic anymore?

Chorus:

Magic is the sun that makes a rainbow out of rain;

Magic keeps the dream alive to try and try again;

Magic is the love that stays when good friends have to leave;

I do believe in magic, I believe.

2) When I grew up, the grownups said, I’d wake one day to find

Magic was a childish game I’d have to leave behind.

Like clothes that would no longer fit and toys that I’d ignore,

I’d not believe in magic anymore.

(Chorus)

3) But now my childhood’s far behind, I’ve learned to my surprise

Magic did not fade it only wears a new disguise;

A child, a song, a smile, a friend, the courage to stand tall,

And love’s the greatest magic of them all.

(Chorus)

CODA

I do believe in magic, for love’s the greatest magic,

And I believe in magic, I believe.

I’ve Got That Girl Scout Feeling

I’ve got that Girl Scout feeling Up in my head,

up in my head, up in my head

I’ve got that Girl Scout feeling Up in my head

Up in my head to stay

Verse 2 I’ve got that Girl Scout feeling Deep in my heart...

Verse 3 I’ve got that Girl Scout feeling Down in my feet...

Verse 4 I’ve got that Girl Scout feeling All over me...

Verse 5 I’ve got that Girl Scout feeling Up in my head,
deep in my heart, down in my feet, all over me

Sarasponda

(Part 2) Sarasponda, Sarasponda, Sarasponda, Ret set set

(Both) Ah-do-ray-oh! Ah-do-ray-boom-oh!

Ah-do-ray-boom-day-ret-set-set! Aw-say-paw-say-oh!

Sipping Cider

(Call and repeat first two lines of each verse. The last word on the second line is sung “straw-aw-aw.” Lines 3 and 4 are sung in unison.)

1) The cutest boy I ever saw *(repeat)*

Was sipping cider through a straw *(repeat)*

I asked him if he’s show me how

To sip some cider through a straw

2) He said of course he’d show me how *(repeat)*

To sip some cider through a straw *(repeat)*

So cheek to cheek and jaw to jaw

We sipped that cider through a straw

3) Now once or twice that straw would slip *(repeat)*

And we’d sipped that cider lip to lip *(repeat)*

That’s how I got my mother-in-law

And 49 kids who call me Ma

4) The moral of the moral of the story is
Don't you sip cider through a straw. DRINK MILK!

If All the Raindrops

1) If all the raindrops were lemon drops and gumdrops,
Oh, what a rain it would be!
I'd stand outside with my mouth open wide,
Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah.
If all the raindrops were lemon drops and gumdrops,
Oh, what a rain it would be!

2) If all the snowflakes were candy bars and milkshakes,
Oh, what a snow it would be!
I'd stand outside with my mouth open wide,
Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah.
If all the snowflakes were candy bars and milkshakes,
Oh, what a snow it would be!

3) If all the sunbeams were bubble gum and ice cream,
Oh, what a sun it would be!
I'd stand outside with my mouth open wide,
Ah-ah-ah-ah-ah-ah-ah-ah-ah-ah.
If all the sunbeams were bubble gum and ice cream,
Oh, what a sun it would be!

4) If all the sleet were green peas and liver meat,
Oh, what a sleet it would be!
I'd stand inside with my mouth closed up tight,
M-M-M-M-M-M-M-M-M-M-M.
If all the sleet were green peas and liver meat,
Oh, what a sleet it would be!

On My Honor

Cindy Dasch

(Chorus) On my honor I will try,
There's a duty to be done and I say aye.
There's a reason here, or a reason above,
My honor is to try and my duty is to love.

1). People don't need to know my name,
If I do any harm, then I'm to blame.
When I help another, I help me,
And I've opened up my eyes to see.

2). I've tucked away a song or two,
If you're feeling low, there's one for you.
When you need a friend, then I will come.
There are many more where I come from.

(Chorus)

3). Come with me where a fire burns bright.
We can even see better in a candle's light.
But we find more meaning in a campfires glow
than we've ever learn in a year or so.
4). We've made a promise to always keep.

And sing "Day is Done" before we sleep.
We'll be Girl Scouts together, and when we're gone
We'll still be trying and singing this song.
(Chorus)

Always

O you are my friend and I'll walk with you always,
You'll stay in my heart and I'll walk with you always.
Always, always I'll walk with you always,
Always, always I'll walk with you always.
*Once in unison, then in a 2-part round, twice.

Let There be Peace on Earth

Sy Miller & Jill Jackson

Let there be peace on earth
And let it begin with me
Let There Be Peace on Earth,
The peace that was meant to be.
With God as our maker,
all one family.
Let me walk with my neighbor
In perfect harmony.
Let peace begin with me,
Let this be the moment now.
With ev'ry step I take,
Let this be my solemn vow:
To take each moment and live
Each moment in peace eternally.
Let there be peace on earth
(1st verse ending) And let it begin with me.
2nd verse ending) And let it begin with me.

Weave

Rosemary Crow

(Chorus) Weave, weave, weave us together,
Weave us together in unity and love.
Weave, weave, weave us together,
Weave us together, together in love.

**1) We are many textures, we are many colors,
Each one dif'rent from the other.
But we are entwined with one another
in one great tapestry.**

**2) We are different instruments
Playing our own melodies,
Each one tuning to a dif'rent key
But we are all playing in harmony
in one great symphony.**

**3) A moment ago, still we did not know
our unity only diversity.
Now the Spirit in me greets the Spirit in thee
in one great family.**
