PROGRAM KITS

Did You Know that Girl Scouts Nation's Capital offers materials that can be borrowed to support your Girl Scout experience? Program Kits are fun, age-appropriate resources and are available for varied subjects such as STEM, Journeys, the environment, teamwork, and healthy living. Leaders can use them during troop meetings and as stations at larger events such as encampments. Each kit is designed to serve a troop of 10-16 Girl Scouts but can be modified to accommodate larger groups.

Visit gscnc.org/kits for more information and to reserve a kit.

CAR CARE

Our Car Care kit has an exciting new addition! Each kit includes copies of Patrice Banks' Girls Auto Clinic: Glove Box Guide, a comprehensive guide that puts girls in the driver's seat and shows them how to be a car care pro. The activities in this kit will help girls earn the Senior Car Care badge. However, this kit is extremely beneficial for all teen Girl Scouts who travel and spend time in cars. Learn how to be a safe driver and a considerate and helpful passenger.

IMAGICHARMS

Meet our council's newest program kit, Coding with imagiCharms! Developed in partnership with imagiLabs, this kit gives girls the chance to code personalized displays on the imagiCharm LED keychain. Using imagiLabs' easy guide, leaders and youth with no coding experience will be able to design pixel art and animations on the charm and write real lines of code using Python, one of the world's most popular programming languages. This kit also includes "unplugged" activities that encourage girls to think like coders.

ECO BOX

Teach your Girl Scouts to be stewards of the earth with the Eco Box Program Kit! This kit was developed to inform Girl Scouts about current environmental issues and encourage them to proactively protect our natural environment. It can be used in conjunction with the Environmental Stewardship badges and Naturalist badges. The kit contains activities, crafts, educational resources, and models that get girls of all ages thinking about the environment and their role in preserving it.

COMMUNICATIONS

CONGRESSIONAL AIDE

Interested in the legislative process? Gain first-hand experience as a Congressional Aide in summer 2023. This is an exclusive opportunity available to Girl Scout Ambassadors in our Council. The program places teens in congressional offices, either on Capitol Hill or in a local district office, for a one-week, 40-hour intensive session to learn about our nation's political process and see how advocacy works at the federal level.

If you are interested in this unique experience on Capitol Hill, complete your Congressional Aide application online by Wednesday, March 1, 2023. If accepted, Girl Scouts must participate in a mandatory orientation. Congressional Aide 2023 will run mid-June to mid-August.

Apply at form.jotform.com/gscncprogram/2023-cong-aide-app. Check www.gscnc.org/congressionalaide for more information. Questions should be directed to apotter@gscnc.org.

VOLUNTEERS

Girl Scouts Nation's Capital has plenty of resources for volunteers! Here are a few.

LET'S GET YOU STARTED

Let's Get You Started is a course for ALL new volunteers and an excellent refresher for any volunteer. You can find Let's Get you Started on your dashboard in gsLearn. This course is required as part of Troop Leader training and is recommended for all Diver/Chaperone volunteers. The course takes about 20-30 minutes to complete and covers the basics of Girl Scout Volunteering!

NOMINATE VOLUNTEERS FOR AWARDS

Your troop leaders work hard to provide a safe and fun environment for Girl Scouts to learn how to lead, juggling their volunteer duties alongside their own busy lives! Showing appreciation is a great Girl Scout tradition! If this is their second year (or more!) of service, you can nominate them for an official award. Troop families sometimes don't know about our official awards for volunteers, so your favorite troop leaders may have never been recognized in this way. To get the process started, click here:

<https://form.jotform.com/GSCNCAVD/nominate> and be sure you know at least one or two other people who will endorse your nomination by answering a few questions about the nominee. Questions? Contact Mary Strauss at mstrauss@gscnc.org or call 202-534-3776.

TEEN BABYSITTING CLASSES

Classes in Babysitting Lessons and Safety Training are designed for kids primarily ages 11-15 and cover babysitter basics including diapering, feeding, hygiene, safety/injury prevention, first aid, choking, and CPR. There are 13 skill stations that keep participants active and engaged. Participants receive certification from the American Academy of Pediatrics (AAP). Class is \$79. Classes are on the schedule now: Jan. 14 in Poolesville, MD; Jan. 21 in Middletown, MD; Feb. 6 in Alexandria, VA; Feb. 12 in Oakton, VA; March 19 in Marshall, VA; and an all-virtual class April 15. Register at <https://etrsafety.com/all-classes/>. If you have ten participants and a location to host the class, you can set up a class in your area! Email larry.newell1@gmail.com for information.

VOLUNTEER TRAINING

NEW CAMPING COURSES

Need a Camping Certification to take your troop on an overnight camping trip? While we love our 30-hour overnight training at a camp, we wanted to offer a more accessible way to learn and train on your own time by going hybrid! The Cookout & Campout- Hybrid course will still focus on the Girl Led principles of Girl Scouting, as they apply to outdoor cooking and camping. This is a 30-hour blended learning course made up of three parts: online modules, a planning session, and an overnight skills session. There is no cost associated with the course because you will be expected to get your own gear, a portion of the groceries, and other supplies as required. Expect to spend at least \$10 - \$25. Online modules will take approximately 5 hours to complete. This can be done at your own pace and all volunteers are welcome to view this material even if they don't plan to become cookout/campout certified. After completing the online modules, those who wish to get the certificate will attend a 2-hour virtual planning session via Zoom lead by adult educators. The planning session will help you prepare for the 23-hour overnight at a camp.

GIRL-LED FIRE & S'MORE SAFETY

Girl-Led Fire and S'more Safety is a new fully online course meant to instruct volunteers through guiding their troop to build a small simple fire in an established fire site and making s'mores safely. Designed as a beginner course for volunteers to offer activities to get their Girl Scouts outdoors, the course content is helpful for volunteers who may be new to camping and for any-and-all camping chaperones. This can also be a useful resource to share with your troops!

FIND COURSES IN GSLEARN:

Go to: www.gscnc.org > click on My GS Sign In > click on gsLearn (on left side) and in the Content Library on the top search bar type in "Cookout," "Fire," or "Camping." Scroll down until you find the specific course you want.

YOU BELONG AT CAMP

We are pleased to announce that we are moving forward with our plans to operate three Sleep Away Camps: Potomac Woods, Winona and May Flather for the summer of 2023.

SUMMER CAMP 2023

WHEN A GIRL SCOUT LEAVES HOME AND EMBRACES THE CAMP LIFE, SHE MEETS NEW FRIENDS AND PEERS ON EVEN GROUND.

When campers sit around the campfire, paddle a canoe, shoot a bow and arrow, or climb a natural rock wall for the first time, something in them begins to change—they gain a sense of pride by facing their fears, they learn new skills and learn to make new friends. They come home with a spring in their step and a new light in their eyes.

Camp is transformative. At Girl Scout camp, campers ages 5–17 are encouraged to discover who they are and what they can become while gaining independence and self-confidence. Trained, caring staff respect and challenge campers, and campers gain a better understanding of themselves and their leadership potential. All Girl Scout camp programs are designed with campers' interests in mind to grow their passions and take healthy risks in a safe, supportive environment.

Girl Scouts believes in getting girls outdoors. Our summer camps allow campers to unplug from their smartphones, laptops, TVs, and tablets, and get outside to enjoy nature. Girl Scouts Nation's Capital has both Sleep-away Camp and Volunteer-led Day and Evening Camp Programs for girls to enjoy. Learn more at www.gscnc.org/camp.

In the months ahead we will be closely monitoring CDC, state and local health guidelines for COVID-19 and as necessary adjusting our health and safety guidelines.
