

Sudden Service

Volunteer

Attend Events

Represent Girl Scouts

Are you a registered Girl Scout member? You can join Sudden Service!

Here's how it works. We receive an event request — often on short notice — and contact Sudden Service troop leaders **via email**.

If you're interested in the event, **respond quickly**. Many opportunities are first come, first served, so troop leaders should be ready to check their email often.

We notify the troop(s) that were selected, and **follow up** with all the details you need.

Do you sing, dance or play an instrument?

There are opportunities for you!

**Register by
October 31:**
