

What's New?

August 2021

To accompany “Volunteer Essentials #WhereGirlsConnect” print version. For the updated online version, go to www.gscnc.org/Publications

For up to date COVID-19 response information, please go to <https://www.gscnc.org/covid19>

Clarify requirements to start a troop, p. 9, para. 3

A troop must have at least two *unrelated* registered volunteers willing to lead the troop, and a third person who will serve as the troop money manager, in order to get started.

Clarify requirements for using gsLearn, p. 13, para. 3

If you are a registered member with a valid email, you can access gsLearn at www.gscnc.org by clicking on “MY GS SIGN IN” and selecting gsLearn.

Clarify access to Volunteer Toolkit, p. 17, para. 2

To access the Volunteer Toolkit and make changes to the VTK functions, a volunteer must be a currently registered adult and an approved troop leader for the troop. *Parents and guardians can access their troop's Year Plan in VTK but cannot make changes to it.*

Clarify access to financial assistance for GSUSA membership dues, p. 35, para. 3

Assistance for the annual GSUSA membership dues is available for girls and adult volunteers. *To request this type of assistance, select 'Financial Assistance' as your payment type when registering or renewing your membership.*

Clarify access to financial assistance for background checks, p. 35, para. 4

After you register as an adult volunteer for a role that requires a background screening, you will receive an email “invitation” from theadvocates@sterlingvolunteers.com to begin the process. If you require financial assistance, there will be a link at the bottom of the email.

Add information about inclusion resources for engaging girls with disabilities, p. 40, para. 7

Online course called “204 Including Girls with Disabilities” in gsLearn

Spanish-language resources, p. 43, para. 7

To see what resources are available in Spanish, go to <https://www.girlscoutshop.com/adults/resources/spanish-language-materials>

Clarify participation in council-registered programs p. 46, para. 1

Only Nation's Capital members and troops may attend council-registered programs. Some programs allow only the girls to participate in the actual activities. Most programs are designed for troop participation, but all Girl Scouts are welcomed. Troops seeking activities open to family and friends are encouraged to coordinate with Program Partners.

Clarify Program Partners p. 46, para. 2

Program Partners create programs and events advertised as a service to aid in troop planning.

New registration system for girl programs p. 46, para. 4

The eBiz system is no longer in use. Most council sponsored girl programs will use gsEvents for registration.

Clarify training required for troop travel, p. 63, para. 3

Council requires volunteers to take domestic or international travel training *which is available in gsLearn to be completed online at any time* to help them guide their girls in planning any trip that requires Council approval.

Add approved activities, p. 73-75

Adding to "Approved Activities at a Glance" chart from Safety Activity Checkpoints: "Community Clean-Up" and "Rocketry/Model Rocketry".

Update supplemental insurance information, p. 76, para. 4

For Plan 2, 3E, or 3P insurance requests, send check and completed request form to: Girl Scouts Nation's Capital, 4301 Connecticut Ave., NW, Suite M-2, Washington, DC 20008 ATTN: Human Resources, one week prior to the departure or event date. Include an email address to receive a confirmation of coverage. Make checks payable to GSCNC. Payment can be made with credit/debit card by calling 202-274-3320. The same plan must be purchased for all participants and for the entire length of the trip/event. When figuring the premium multiply the # of days x # of people x premium (there is a \$5.00 minimum per enrollment). Rosters need to include first and last names of participants.

When purchasing Plan 2, 3E, or 3P for non-members participating in a Girl Scout activity, please submit a roster of names prior to the event if possible, otherwise submit a roster within 2 weeks after the event.

Get Trained

All volunteers must be adequately prepared for their position. Training will help you feel more comfortable and empowered to try new things with your girls. Adult education in Girl Scouts is typically free, but Training Grant Applications are available for any fee-based courses (see page 35).

To register for courses, log into gsLearn through My GS Sign In on www.gscnc.org. Below is a chart with volunteer positions and the associated required training:
