Troop Meeting and Field Trip Basics

This short training is more important than ever, especially now that troop leaders are not required to facilitate troop meetings. To ensure every Girl Scout has a consistent and enriching experience, it's vital that all supervising volunteers share the same foundational knowledge.

When everyone completes this training, we can:

- Keep our youth members safe by upholding the highest safety standards.
- Ensure an amazing Girl Scout experience for every participant.

This training is very quick and to the point, covering just the essentials volunteers need to succeed.

Seasoned volunteers will get a quick refresher, and new volunteers will be introduced to the basics to make sure everyone is on the same page on topics like:

- Basic Girl Scout principles
- Caregiver Permission
- Anti-Child Abuse Policy and Mandated Reporting
- Emergency Action Plans
- Youth-to-Adult Ratios
