We are excited to highlight:

- Our ongoing commitment to making "Once a Girl Scout, Always a Girl Scout" a powerful reality by building out new ways to engage with GSCNC into and through adulthood, including the 1912 Society, Power Pair, and short-term volunteer opportunities.
- Our investments in the Girl Scout Promise Fund continue to grow, reflecting our commitment to ensuring the Girl Scout experience is accessible to all.

To our troop leaders and volunteers: thank you. You inspire our Girl Scouts to dream big, lead with confidence, and build a better future for us all. If you need support or have ideas along the way, our Council team is here for you. Reach out to us at customercare@gscnc.org.

2026 National Girl Scout Convention

This past summer, Girl Scouts Nation's Capital was honored to welcome Girl Scouts from around the world to Washington, D.C., where 10,000 young people, caregivers, volunteers, and special guests gathered to celebrate the future of the Girl Scout Movement.

From the 58th National Council Session to the Girl Scout Festival at Franklin Park, Convention week was filled with inspiring conversations, meaningful connections, and a whole lot of Girl Scout joy!

Building Community and Connection

One of the best parts of Convention is how it brings individuals together whose paths may otherwise never intersect—leading to lifelong cross-cultural and cross-generational connections. Seeing delegates from all over come together for the sake of the Girl Scout Movement was a true testament to the worldwide impact of Girl Scouting.

More than 5,000 registered to attend the Girl Scout Festival at Franklin Park. We had 6 full days of the festival, with over 21,000 people in attendance, highlighting core aspects of Girl Scouting, including cultural connections, public service, entrepreneurship, and experiencing adventure with our zipline and climbing wall.

Shaping the Future

The 58th National Council Session took place during the first three days of Convention and was filled with inspiring conversations and decision-making that will impact the future of Girl Scouts. We are so proud of our council's delegates who participated in this historic event!

GSCNC was honored to host the Girl Scouts Unite opening ceremony with special visits from Screech, George, and Abe of the Washington Nationals, as well as an amazing performance from the Friendship Public Charter School Tech Prep Marching Band. The theme of Girl Scouts Unite was "Girls Make History," and it was clear that this was not just a theme, but our reality. From the bridging Girl Scouts who are committed to making the world a better place to the special guests and Girl Scouts of all ages who shared how their Girl Scouting experiences led them to success in a variety of fields, Convention highlighted how Girl Scouts are shaping the future.

Once a Girl Scout, Always a Girl Scout

Girl Scouts doesn't leave you once you become an adult. Instead, it shapes who you become, provides guidance through all of life's challenges, and gives you a community to lean on.

Events such as the National Bridging Ceremony and the Girl Scout Reunion at Planet Word exemplify what "Once a Girl Scout, Always a Girl Scout" truly means. These youth don't leave behind the skills they've developed or forego their heart of service; rather, they promise to bring these assets into adulthood. And they know they will have their Girl Scout community with them!

Represent Our Mission: Be on Call for Exclusive Community Appearances

Because Girl Scouts Nation's Capital is often right in the middle of the action, organizations regularly reach out looking for Girl Scouts to help with special events! It could be leading a flag ceremony, singing the National Anthem, sharing how Girl Scouts are entrepreneurs earning money to reach their goals, or simply showing up in uniform to represent the Movement.

The catch? These opportunities often pop up with very little notice, sometimes just a day or two before the event! If your Girl Scout loves trying new things, meeting new people, and stepping up when adventure calls, sign up for our Sudden Service list. When a last-minute opportunity comes along that may be a good fit, we'll contact members from the list. Opportunities are filled on a first-come, first-served basis. Ready to answer the call? Complete the form by scanning the QR code today and be ready when the next Sudden Service adventure appears!

Please note: joining the list does not guarantee that your Girl Scout will be offered or selected for an opportunity.

Congressional Aide

Since 1974, the Congressional Aide program has built teens' civic knowledge and professional skills while inspiring a lifelong commitment to public service. Girl Scouts Nation's Capital works with participating offices to give as many Girl Scouts as possible the opportunity to work with and learn from members of Congress and their staff.

Application opens January 4.
Application closes April 9.
Program is for current 10th, 11th, and 12th graders.

Adventure Starts Here!

When a young person sits around a campfire beneath a sky full of stars, paddles a canoe across the water, or takes a deep breath before sending an arrow toward its target, something begins to change.

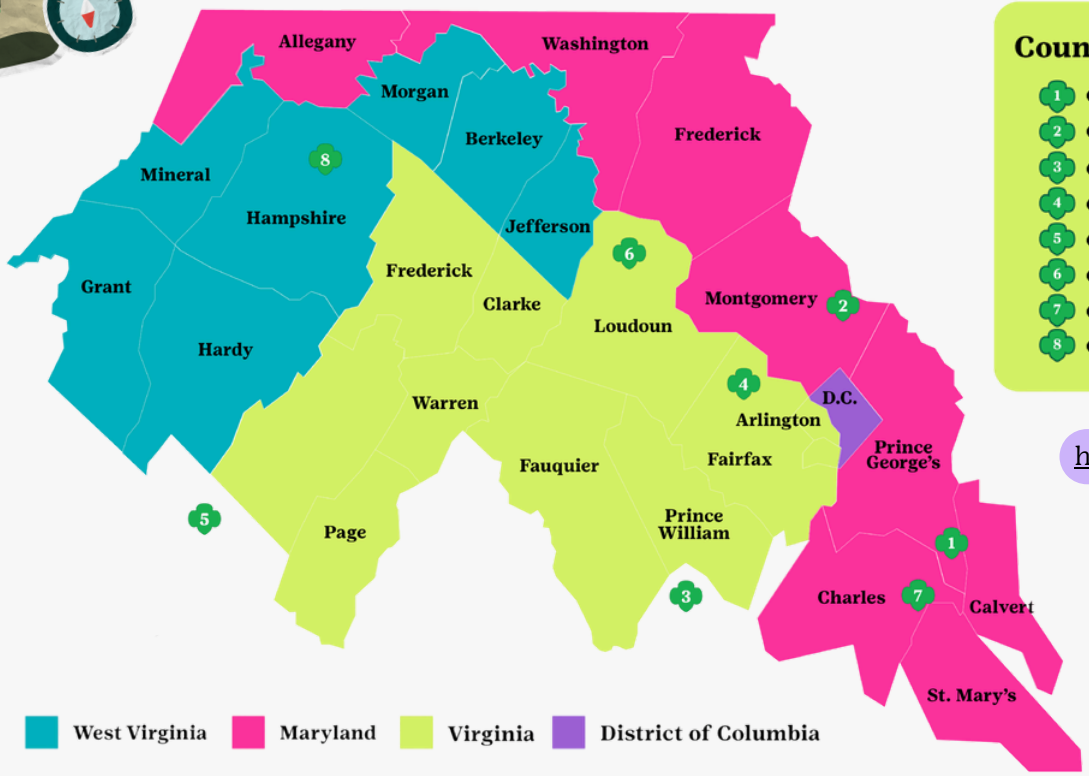

They discover they are capable of more than they imagined.

Through outdoor adventure, youth build confidence by facing challenges, develop new skills by trying something for the first time, and strengthen friendships through shared experiences. They learn to take healthy risks, solve problems, cheer one another on—and discover the incredible feeling of saying, "I did it!"

At the Girl Scout Council of the Nation's Capital, adventure is closer than you think. Our Council owns and/or operates eight beautiful outdoor properties throughout the region, giving youth countless opportunities to explore, unplug, get active, and connect with the outdoors.

From troop camping and outdoor adventures to summer day and evening camps and summer sleep-away camp, there is an adventure waiting for every age and interest.

Take the stress out of planning troop meetings or events with a Program Kit! Program Kits are fun, age-appropriate resources and are available for varied subjects such as STEM, Journeys, the environment, teamwork, and healthy living.

Each kit is designed to serve a troop of 10-16 Girl Scouts, but can be modified to accommodate larger groups. Nation's Capital program kits are available to borrow at minimal cost to leaders and can be delivered to any Council office for pickup (some are free). Many kits help Girl Scouts complete badge requirements!

Venice, Florence, and Rome Trip with EF Tours

Join us for a trip-of-a-lifetime with other fellow Girl Scouts from GSCNC to Italy! At one time or another, each of these cities we'll be visiting was among the most important in the world. Venice was a major naval power, and it still has a firm grip on the world's romantic imagination. Florence was the birthplace of the Renaissance, and that artistic tradition still thrives. In Rome, majestic sights like the Colosseum recall its long imperial reign. We're going to experience all the magic, enjoy all the food, learn about the history and culture, and bond as Girl Scouts, while gaining more confidence and independence as we go!
