SLEEP-AWAY CAMP pg. 1-8

DAY AND EVENING CAMP pg. 9-14

AMAZING ADVENTURES AWAIT YOU AT SUMMER SLEEP- AWAY CAMPS!

Camp is a great place for girls to discover the wonders of the outdoors and the adventures that await. From archery and sailing, to rock climbing and caving, you can do it all at Girl Scout camp. Cook over a campfire, make crafts, and go swimming—all in keeping with Girl Scout traditions of learning new skills, singing

songs, earning badges and making awesome new friends. Whether you're a first time camper or a seasoned pro, you're sure to have the best summer ever at a Girl Scout camp. Our four Girl Scout sleep-away camps: Camp Coles Trip, Camp May Flather, Camp Potomac Woods and Camp Winona, provide unique environments. The camp setting allows girls to develop a strong sense of self, gain practical life skills, become resourceful problem solvers, and cultivate healthy relationships by living, working and playing together.

All sleep-away camp programs include: campfires, cookouts, swimming daily (except Camp Coles Trip), hiking, nature activities, arts and crafts and archery (2nd grade and up).

Financial Assistance

Girl Scouts Nation's Capital makes camp available to all girls regardless of their family's economic situation. To apply for financial assistance, first secure your camper's space by registering for the program and session, and paying the \$50 registration deposit. After registration, further information and a link to the financial assistance application will be sent in the parent confirmation materials and posted on our website: gscnc.org/camp.

Bus Transportation

Hop on the bus for a ride to camp that's fun for girls and easy for parents! For just \$50 one way or round trip, parents can save time and gas, while girls enjoy singing songs, chatting and bonding with fellow campers. Parents may also drive their campers to and from sleep-away camp. We have two bus stops: Montgomery County, MD and Fairfax County, VA. After registering your camper, you will receive a detailed *Parent Information Book* that contains drop-off times and specific locations for each bus stop. When you register online, please select the appropriate Add-On for your transportation preference -- one way or round trip. We must meet a minimum number of bus riders per bus. If minimums are not met, the bus will be canceled.

For GIRLS, by GIRLS: Girl Scout Camp

A key benefit of being a Girl Scout is having access to our beautiful camps. In a girl-led, girl-friendly environment, girls challenge themselves and take healthy risks, surrounded by supportive friends and camp staff. When girls spend quality time outdoors and increase their exposure to nature they thrive physically, emotionally and intellectually.

And that's great news—because when Girl Scouts get outside, they:

- Discover that they can better solve problems and overcome challenges.
- Develop leadership skills, build social bonds, and are happier overall.
- Become team players and care more about protecting our environment.

Girl Scouts believes in getting girls outdoors. Our summer camps allow girls to unplug from their smartphones, laptops, TVs and tablets, and get outside to enjoy nature.

Camp Facilities

We have glen shelters at all four camps. A glen shelter is a wooden structure with four screened sides, a wooden roof and a wooden floor. Depending on their size, glen shelters will sleep four to six campers.

Platform tents are located at Camp Coles Trip and Camp May Flather. Platform tents have wooden floors with a large canvas tent secured over a wooden frame. Most platform tents sleep four to six campers.

Facilities also include a dining hall, kitchen, camp office, health center, arts and crafts building, and central shower house. Potomac Woods, Winona and May Flather have swimming pools, while Coles Trip has river access.

Girls with Special Needs

Girl Scout camp is for all girls. If your camper has medical, physical, developmental, social, or other special needs, we encourage you to work with us to find her the most appropriate camp program. If your camper has special needs, please contact **Denise Viau, Camping Services Manager, at dviau@gscnc.org or 202.274.3308**, before registering your camper to discuss options and to ensure that your camper finds the camp and program that best suits her needs.

Buddies

Did you know you can bring a buddy to camp, even if she's not a Girl Scout? For more information on buddies, visit our website.

How to Register

Remember, camp sessions fill up very quickly. We receive a large number of phone calls and emails on opening days of registration. Please check your eBiz account information at least 1-week prior to the opening day to test your account.

Log into your eBiz account at www.gscnc.org (located in the top right corner of homepage).

- If you have previously registered your camper for camp or for a Council event, your login remains the same.
- If you have trouble accessing your account or cannot remember your login information, please email registration@gscnc.org for assistance.
- If your contact information is incorrect in eBiz, email registration@gscnc.org with your updated information.
- If your camper's Girl Scout membership is with a different council, please email registration@gscnc.org for further instructions.

When registration opens, log in and click Activities to find quick access to all of our summer camp offerings.

Remember: Campers must register based on current grade for the 2017-2018 school year.

Camp Staff

Camp staff are enthusiastic, talented, and caring individuals, who are 18 years of age or older. We recruit both regionally and from around the world, and carefully select staff based on maturity, program skills, experience, and their ability to serve as role models.

A health manager is in residence at the Health Center and all staff must attend an intensive pre-camp training session, including safety, activity planning, camper care, teambuilding, and much more. Staff members who supervise high-adventure activities such as the pool, water sports, challenge course, archery, caving and other areas receive additional training and certifications.

Junior Counselor

The Junior Counselor program is for girls who have already completed a Counselor-in-Training (CIT) program and would like to further enhance their leadership skills by learning what it's like to be a camp counselor. Junior Counselors receive training and are given opportunities to work alongside staff and lead activities. Girls must be 16 years of age or older by June 1, 2018 and must have completed 11th or 12th grade.

An application with more information is available at gscnc.org/sleepawaycamp. Applications must be received by February 9, 2018 at 12 PM in order to be considered for the first round of placements. If space is available, girls may apply after February 9.

Space is limited. All Junior Counselor applicants will be interviewed. Placement in the program is based on experience and is at the discretion of the Camp Director. Girls will receive a stipend for being a Junior Counselor. For questions contact Emily "Sparrow" Reece at sleepawaycamp@gscnc.org or 202.274.3305.

Financial Aid and Transportation Available!

Meals

Food service professionals prepare all of our meals except for cookouts (campers prepare that!), and menus are planned with hungry, growing girls in mind. At camp, we provide kid-friendly food for all of our campers, consisting of foods like chicken nuggets, macaroni and cheese, spaghetti, tacos, pizza, and more. All meals include fresh vegetables and fruits, and our food service staff can meet most special dietary needs.

Cancellations/Refund

The \$50 registration deposit is non-refundable. The remainder of the camp fee (excluding the deposit) will be refunded if:

- The camper withdraws and Girl Scouts Nation's Capital receives a written request at least five weeks prior to the start of the camper's session.
- The camper leaves camp due to an illness or injury and Girl Scouts Nation's Capital receives a written request for a refund within two weeks of her return home. Refund will be prorated on a per diem basis.

If a camper leaves early due to behavior, missing home, or parent request no refund will be provided.

If a program is canceled and no alternate program is available, you will receive a full refund.

Have a first-time camper?

Check out these helpful tips to make sure she'll have her best summer ever!

1

If your camper has never spent the night away from home, try it out before camp. Encourage her to have a fun sleepover at a friend's house so she can practice being independent.

2

Help your camper pack for camp—don't do it for her! She'll know exactly where everything is and will be able to identify any items that get misplaced.

3

For younger campers, pack each day's outfit in a gallon-sized Ziploc baggie and label each day.

4

Let your camper know that missing home is normal! Make a plan for what she will do if she misses home, such as write a letter, draw a picture, or jump into activities.

Day and Evening Camp

Day and evening camp programs encourage girls to explore the world around them, challenge themselves, and build self-esteem while having a blast at camp. Girls learn songs, play games, make arts and crafts, gain outdoor skills and work towards badges, all while being encouraged to be their amazing selves. Most programs encourage girls to participate in totally awesome outdoor activities like nature hikes, outdoor skills, team building exercises, high adventure, and more. Some programs even offer optional overnights and field trips, too! No matter which camp you choose, you're sure to have your best summer yet!

We have camps for every interest and age level sprinkled across our region. Each camp is unique, and run exclusively by a dedicated team of specially trained volunteers who work year-round to make these enriching opportunities possible.

Placement

Placement is not automatic for all camps. Some camps place campers on a first come, first served basis, while others use a lottery system. See the specific camp’s description for more details. Most camps guarantee entry for campers of full-time volunteers – consider volunteering!

Volunteer at Day and Evening Camp

You'll have a lifelong impact on girls, develop your own leadership expertise, gain new skills and tools, and connect with fellow volunteers. There's no cost to volunteer and most camps guarantee entry for campers of full-time volunteers, where other camps may offer a reduced rate for registration.

Roles include ...

- Unit Counselor: Guide a group of campers through pre-planned activities with the help of another counselor or a teen mentor.
- Program Volunteer: Teach a skill, or plan and lead a special activity like crafts, gardening, sports, and more.
- Health Supervisor: Medical professionals needed! Provide first aid and manage camper and staff safety.

Each camp handles volunteer registration differently. If you are interested in volunteering at a day or evening camp, please contact the camp directly using the volunteer contact listed under each camp's description on our website.

Who Can Attend Camp?

Most of our day and evening camps are open to girls completing grades K-12. Check the individual camp description for specific grade requirements.

We welcome non-Girl Scouts to attend camp. Any girl who is not a current member is welcome to attend camp, but they must register and become a Girl Scouts Nation's Capital member. The annual registration fee is \$25. You must register 24 hours before selecting a camp through the online events registration site, eBiz. To register as a member, please go to our website www.gscnc.org/join. If you have questions about the registration process, have problems, or need to update information please email registration@gscnc.org.

Boys are eligible at certain camps and must be children of volunteer staff. Ages vary with each camp. Preschool age children are only eligible at certain camps and must be children of volunteer staff.

High Adventure

High adventure opportunities vary based on the camp, unit program and the camper's current grade. High adventure activities can be canceled due to weather or other conditions.

Lottery - How it Works

Campers registering for a lottery camp must pay in full at the time of registration. Paying for, and completing registration, does not guarantee the camper will be placed into the lottery. If the camper is not selected through the lottery, a full refund will be issued only after the camper turns down the wait list. For specific dates and fees for lottery camps, please consult the individual camp's webpage.

Camp Confirmations

Have questions or want to learn more about day and evening camps in your area this summer? Join us on January 21, 2018 at 7:00pm for an information webinar to learn more. Visit www.gscnc.org/daycamp to register today.

Transportation

Bus transportation is available at some camps. See each individual camp description for specifics. For camps that do not offer transportation, arranging a carpool with fellow parents is strongly recommended.

Financial Assistance

Girl Scouts Nation's Capital makes camp available to all girls regardless of their family's economic situation. Financial assistance is available for one day or evening camp per camper, per summer.

To apply for financial assistance, please go to www.gscnc.org/dayandeveningcamp and click on the financial assistance link to fill out the request. Requests must be submitted **at least ten business days prior** to the date you would like to apply for camp. Financial assistance applications are reviewed on a rolling basis every ten business days. You will receive an email only after the request is reviewed and approved. The email will contain a code to use when applying for camp. If you have more than one camper, please complete a separate request for each child. All application information is confidential.

Leadership for Teens

Teen Girl Scouts are encouraged to participate in leadership roles at day and evening camp. Many camps offer Aide in Training (AIT) and/or Aide programs which give Girl Scout Cadettes through Ambassadors the opportunity to learn valuable, hands-on leadership skills as well as earn volunteer hours towards Girl Scout Journeys, badges or awards. Camp Aides and AITs must be available for all required trainings. Dates vary from camp to camp. Please refer to each camp's description or website for more information.

Payment

When registering for camp, be prepared to pay the fee in full. Payment plans for day and evening camps are not available, but financial assistance is available. See the financial assistance section for more information. Camp fees vary by camp and by program. The differences in the fees represent the wide variety of programs available across our Council.

Refund and Cancellation Policy

Refund policies and deadlines vary from camp to camp. Please consult the individual camp's description for details on the refund policy. Except in extenuating circumstances, Council will not override a camp's refund policy.

Refunds for Girl Scout Membership will not be issued.

Girl Scouts Nation's Capital reserves the right to cancel any program listed due to insufficient enrollment or other extenuating circumstances. Alternate programs or refunds will be offered.

How to Register for Camp

Remember, camp sessions fill up very quickly. We receive a large number of phone calls and emails on opening days of registration. Please check your account information at least **one week prior** to the opening day to test your account.

Log into your eBiz account at www.gscnc.org (located in the top right corner of homepage).

- If you have previously registered your camper for camp or for a Council event, your login remains the same.
- If you have trouble accessing your account or cannot remember your login information, please email registration@gscnc.org for assistance.
- If your contact information is incorrect in eBiz, email registration@gscnc.org with your updated information.
- If your camper's Girl Scout membership is with a different council, please email registration@gscnc.org for further instructions.

When registration opens, log in and click Activities to find quick access to all of our summer camp offerings.

Remember: Campers must register based on current grade for the 2017-2018 school year.
