Summer Sleep Away Camps

When a Girl Scout leaves home and embraces camp life, they learn to make new friends and peers on even ground.

Girl Scouts Nation's Capital is excited to offer three overnight sleep away camps this summer at Camp May Flather, Camp Potomac Woods, and Camp Winona. Girl Scouts is about sharing fun, friendship, and the inherent power of girls and women in an inclusive, supportive, girl-led environment. Any girl from kindergarten through 12th grade- can join Girl Scouts and attend camp. Additionally, if a family with a child of any other gender identity and expression (other than cisgender males) feels that Girl Scouting is the right community for them, they are welcome at Girl Scout Camp.

When campers sit around the campfire, paddle a canoe, shoot a bow and arrow, or climb a natural rock wall for the first time, something in them begins to change—they gain a sense of pride by facing their fears, they learn new skills and learn to make new friends. They come home with a spring in their step and a new light in their eyes.

Camp is transformative. At Girl Scout camp, campers ages 5–17 are encouraged to discover who they are and what they can become while gaining independence and self-confidence. Trained, caring staff respect and challenge campers, and campers gain a better understanding of themselves and their leadership potential. All Girl Scout camp programs are designed with campers' interests in mind to grow their passions and take healthy risks in a safe, supportive environment.

Get Ready for Adventure: Camp Registration Information

Sleep Away Camp registration has an Early Camper Placement Process (lottery) that takes place through Jotform.

You'll be able to indicate what programs your camper is interested in and if they would like to attend camp at the same time as a buddy or sibling. This takes place over the course of several weeks to allow everyone the opportunity to have their camper placed in their preferred program, this is not first come first serve. Placement emails will include an individualized link allowing you to register your camper for the program they have been placed in.

Day and Evening Camp Registration varies by camp.

All Day and Evening Camp Registration will be conducted via Double Knot. For more information on a particular camp's registration process click the button below!

We're here to make sure every child who wants to join the Girl Scout experience can.

MAY FLATHER

 Mt. Solon, VA

awaits you!

At Camp May Flather, campers unplug and soak in the scenic George Washington National Forest, while experiencing high adventure.

Campers choose from a variety of amazing activities, including exploring nature while hiking or backpacking, challenging themselves through natural rock climbing, caving, canoeing, and rafting. All campers participate in swimming, arts & crafts, archery, climbing tower, teambuilding, and games.

During their stay, Campers sleep on cots with mattresses, covered by a camp-provided bug net in screened glen shelters or platform tents without electricity or air conditioning. They will enjoy meals prepared by a professional food service, with at least one camper-led cookout over a fire. Campers will enjoy traditions such as campfires, wish sticks, and theme days. Challenge by Choice is a practice followed at Camp May Flather. Campers are encouraged to try new things and push themselves, but are not forced to participate in activities they're not comfortable with.

For campers in grades 4-11 for the 2025-2026 school year.
