If you wish to contribute to a Named Endowment, please select one of the following opportunities:

- The Girl Scout Leadership Experience-** Girl Scouts gain confidence, find their voice, and learn the critical thinking skills they need to become strong community leaders. Through youth-led activities, Girl Scouts learn to discover their passions, connect with others locally and globally, and take action to make the world a better place.
- Girl Scouts History and Traditions-** Protect, preserve, and celebrate the rich history of the Girl Scout Movement, which has shaped a century of young leaders.
- Outreach to Underserved Communities-** Ensure that every youth, everywhere can participate in Girl Scouting no matter their financial situation.
- The Great Outdoors (Capital and Programming)-** Encourage Girl Scouts to fall in love with the outdoors by updating our camp buildings, whether it would be creating a new covered gathering space for troops or renovating a boat shed to hold campers' kayaks. This will also provide the best and most exciting camp programming for our Girl Scouts.
- It's all about the Girl Scout Programs-** Girl Scouts learn to try new things and discover more about themselves and the world around them through our signature leadership programming, including: The Girl Scout Gold Award and STEM initiatives.

All information provided will be kept in confidence and will be used internally for planning purposes. We understand that you may need to use estimates rather than exact figures.
